

### "Back to Earth" Prices!

This announcement ends a brief campaign of constructive advertising to restore public confidence. The return of faith and action now needs nothing more than recognition. We desire to see — as every far-seeing merchant does — definite price levels and fixed standards of values securely established. We desire this store to receive credit in the public mind for having started the program of reconstruction. Other stores are sure to follow. This country is on its way to a safe and sane American progress. Speed up production through buying by faith. You will find that we are doing our part — that price revisions here are six months ahead of what is expected of us.

### MOVIES AT THE MASONIC HOME

Moving Picture Machine Installed by Plattsmouth Lodge, Provides Pleasure for Aged People.

These residents of the Masonic Home in this city have been placed within reach of one of the most pleasurable forms of entertainment—that of the movies and which will prove an unfailing source of amusement for those who are shut in from the activities of the world. Plattsmouth lodge No. 6, A. F. & A. M., has purchased a moving picture machine and had it installed at the home and last evening the opening show was held at the home and witnessed by the delighted members of the family at the home. A four reel comedy, "Hot Dog" provided laughter and fun for the old folks and proved one of the most delightful forms of entertainment that has been enjoyed at the home for many months. Supt. F. Evers oriented as operator of the machine and the comedy was thoroughly enjoyed by all of the members of the home. It is the intention to have these movie shows at least once a week and they are held in the large dining room of the home and where ample seating capacity for the old folks is found. The gift of the local lodge is something that is thoroughly appreciated and will go a long way toward making the burdens of old age easier with pleasurable comedies and dramas of the screen.

### DISSATISFACTION OVER COMMITTEES

Smouldering Danger Menaces Activity of Legislature—Compromise May be Brought About

Lincoln, Jan. 7.—Few changes were made in the lower legislative house rules by the committee which reported this morning. Those which were made were for the most part merely to comply with the new constitution. The house adjourned to 2 p. m. Monday. The real work of the session will begin then. Thus far the work has been merely maneuvering and jockeying for position by the various forces. The fight will probably begin next week over the code appointments and possibly the budget for the coming biennium. It is expected that the matter will be presented during the week. There is a great deal of smouldering danger in the house since the announcement of the committees this morning. There is also a determined effort that the fires shall be quietly extinguished before they begin to blaze. The old spirit of compromise, evident from the first gathering of the solons last Sunday, is again asserting itself. Members of the committee on committees from the various congressional districts declared insistently that their districts had been satisfied. Robert Drucesdow, of Douglas county was elated over the success of that district; J. A. Axtell, of Fairbury, declared this afternoon that the men from his district were all well pleased. Other members of the house expect trouble. Charles S. Reed admitted at noon that there was a great deal of dissatisfaction. Other members shook their heads ominously. Of course the democrats feel badly treated. Theodore Osterman, veteran member of the committee on revenues and taxation, who was denied a place on that body at this session, spoke

the gist of the situation when he said, "The menace of a minority report which might be more popular with the people than the majority report has kept us in the background." Henry Bock, democratic member from Butler county, declared it was fear that led the committee to neglect the democrats. "But we will have amendments," Bock added, "and there is just a chance that these may appeal to the people. It is also possible that the democratic minority record in the legislature this year may prove more popular than that of the majority."

### HIRAM MILLER DIED MONDAY

Although He Had Been Sick for Some Weeks He Passed Away Suddenly.

On Monday morning the news of the death of Hiram Miller was learned. Mr. Miller was one of Elmwood's foremost citizens and was respected by all. He had been sick for the past few weeks and had not been getting about as usual. Last Friday at his home he slipped and fell injuring himself quite badly and from that time had been confined to his bed until his death which occurred early Monday morning.

Mr. Miller was one of those quiet and unassuming men, a kind neighbor, always willing to lend a helping hand when needed. He will be greatly missed from our midst.

Hiram Miller was born in Logan, Clinton county, Pa., March 25th, 1853, and died at his home in Elmwood Sunday night, January 2, 1921. At the age of 14 years he moved with his parents to Kent, Stephenson county, Ill. In 1877 he was married to Clara Reber. To this union were born five children: George, Melvin, Mrs. Edna Burrill, Edith and Mrs. Ruth Warren of Trumbull, Neb., all of whom are still living. In 1880 he and Mrs. Reber, brother-in-law, moved to Otoe county, south of Elmwood. His wife passed away Feb. 26, 1900. In 1920 he was carried to Mary Locke who still lives to mourn his loss.

At the age 42 he was converted and united with the U. B. church at Pleasant Hill in which he remained an active member until 1904, when they moved to Elmwood when he united with the M. E. church where he was faithful until his death. There is left to mourn his loss besides the children, eight grandchildren and five brothers and two sisters. The brothers are: H. O. Miller and J. R. Miller, Elmwood; G. W. Miller, Lena, Ill.; Alfred Miller of Pennsylvania; William Miller, Pearl City, Ill. The sisters are Mahanna Goodman, Winslow, Ill., and Mary Thompson, Winthrop, Iowa. Funeral services were held from the Methodist church at 2 o'clock and were conducted by Rev. Sala. Interment was made in the Elmwood cemetery.—Elmwood Leader-Echo.

### DOLL CONTEST CLOSES THE 12TH

The Big Event at the M. Fanger Store Will Close on Next Wednesday—Bring in Votes by Tuesday

The big doll contest that has been conducted at the store of M. Fanger in this city for the past two weeks, is fast drawing to a close and will be completed on next Wednesday when the prize will be awarded the lucky little girl who will receive one of the beautiful life-like dolls that are being shown in the show windows of the store. It is requested that all votes in this contest be by Tuesday evening in order that they may be counted and the prize awarded to the lucky little lady.

F. S. Hawks and wife of Hiawatha, Kansas, and their guest, Elmer Weaver of Lafayette, Indiana, who have been here visiting at the home of Mrs. Hawks' sister, Mrs. J. H. Short and family, departed this morning for Omaha to visit for the day.

For a Persistent Cough

Some years ago H. P. Burbage, a student at law in Greenock, Ill., had been troubled for a long while with a persistent cough which he says "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Having seen Chamberlain's Cough Remedy advertised, he concluded to try it. "I soon felt a remarkable change and after using two bottles of the small size was permanently cured."

### ONE OF BEST KNOWN RESIDENTS OF COUNTY PASSES AWAY THURSDAY EVENING

CAME HERE IN YEAR 1857

Had Just Recently Celebrated 60th Wedding Anniversary and Received Tribute of Friends

George W. Worley, one of the oldest and best known residents of Cass county, was called to his final reward on Thursday evening at the home in Elmwood, following an illness covering the past three weeks, due to his advanced age and a general breakdown.

This splendid old gentleman, who has for the past sixty-three years been a resident of Cass county, was one of the pioneers in the development of the community in which he had located and his long and useful life has borne fruit in the splendid life that he leaves as a heritage to his family and to the community where he has labored.

George W. Worley was born November 23, 1835, in Illinois, the family residing at that time where the present city of Springfield is now located, and there amid the scenes of the early life on the frontier, this sturdy American was reared to manhood and at an early day came to Iowa, where he remained for a short time and in the year 1857 he came to Cass county, Nebraska.

Mr. Worley, on locating here, engaged in farming and on December 17, 1860, at the home of the parents of the bride, Mr. and Mrs. James M. Chalfant, ten miles south of Plattsmouth, was united in marriage to Miss Rachel M. Chalfant, the Rev. Philo Gorton, a pioneer Methodist minister officiating at the ceremony that united the lives of these two young people.

Here the pioneer honeymoon had waned, the lowering clouds of war came over the nation, calling the husband from his home, and in 1862 he enlisted in the Missouri state militia and served for two years in that organization. On being discharged from his first enlistment, Mr. Worley returned to Nebraska and with the loving wife removed to Kansas, where they located near Ottawa, and where Mr. Worley once more entered the service of the government in the 16th Kansas cavalry and served with them until the close of the civil war.

After the war he was retained in the government service for over a year as a scout and assisted in properly guarding the wagon trains going west across the gold fields of Colorado and the far west.

In the year 1868, on securing his release from the armed service of the nation, Mr. Worley and his wife returned to Nebraska and resumed their residence in Cass county, engaging in farming on the old home near this city. Here the family remained until the year 1888, when they removed to Elmwood, where they have since resided.

While a resident of the eastern portion of Cass county, Mr. Worley followed farming as an occupation, but since going to Elmwood he has followed the trades, being a carpenter by profession, and continued at this until the approach of old age had him desist from his labors.

To bless the union of Mr. and Mrs. Worley six children were born to a girl named in infancy and fourteen years ago a daughter, Mrs. W. P. Current was called away by death.

The three children who are left with the wife and mother to mourn the death of this good man are as follows: J. H. Worley, Lincoln, Neb.; Mrs. C. O. Oldham, Gibbesbury, Alberta, Canada, and Miss Kittie Worley, of Lincoln, who is a member of the state board of control.

The departed had been one of the charter members of McCombie post, G. A. R., of Plattsmouth, but on moving to Elmwood transferred to Kenasaw post of that city. At the time Mr. Worley joined Kenasaw post it was one of the largest of the county but today at the funeral services of the departed veteran there were present the last two members of the post to honor the memory of the departed brother.

The funeral services were held this afternoon at 1:30 at the Methodist church in Elmwood, Mr. Worley having been a lifelong member of this faith. Rev. Sala, pastor of the church, was in charge.

It had been the oft repeated wish of this grand old veteran that his last journey might be in the nature of a military ceremony and accordingly the services were conducted by the American Legion post of Elmwood. An armed guard stood at attention at the casket as the residents paid their last tributes to the old friend and neighbor and the body was escorted to the grave by a guard of honor from the Legion post. The wealth of beautiful floral tributes were expressive of the feeling of esteem in which Mr. Worley had been held in the community in which he had long resided.

Of the departed there was one characteristic that endeared him to all who knew him and that was his love of his fellow man and that was his dream to live and die as the resident of the brotherhood of man might bring to the troubled world the spirit of love and kindness that would drive before it the selfishness that has brought into the world suffering, want and woe.

## The NEW EDISON

"The Phonograph with a Soul"

At last you can learn What Edison Did during the War

YOU wondered—everybody wondered, and practically nobody knew how Edison "did his bit." At last the official announcement is out! Come in and get your copy of the bulletin: "What Did Edison Do During the War?"—or write, if you can't call. It tells what Edison did while Chairman of the Naval Consulting Board—how he spent months at sea, experimenting and inventing devices for foiling the German submarines. The bulletin also tells how Edison stood the gaff and kept the price of the New Edison down to bed-rock during the era of high costs and soaring prices. The New Edison has increased in price less than 15% since 1914—part of this increase is war tax. The bulletin also tells Mr. Edison's views on our Budget Plan which makes the New Edison easy to buy.

## Weyrich & Hadraba

Watch for the announcement of Mr. Edison's new research!

### GILLESPIES BREAK JAIL AT SIDNEY

Escape from Iowa Authorities Last Night by Prying Bars from Window—Still Free.

From Saturday's Daily.

The two Gillespie brothers, Virgil and "Tack," who were arrested a few days ago by officials in Omaha through the co-operation of Sheriff Fischer of Otoe county and Sheriff

Quinton of this county, are once more breathing the cool and bracing air of freedom, as they escaped last evening from the county jail of Fremont county, Iowa, at Sidney.

The two men had been turned over to the Iowa authorities by Sheriff Fischer, of Otoe county, to be tried for the robbery of a store at Percival, Iowa, and Sheriff Fischer had warned the Iowa authorities that they had some very hard characters to deal with, but his advice was evidently not heeded and the result is that the men are roaming around loose.

The jailor at Sidney had fed the prisoners last night and when locking up time came went around to see that they were fastened in their cells and to his surprise found only empty space, the men having forced their way out through prying the bars off a window.

Martin L. Ruby and wife of near McCook, who have been spending the past two weeks visiting at the home of Tom Ruby and other relatives and friends in the vicinity of Mynard, departed this morning for their home in the west.

## Joliet Power Corn Shellers

"Famous Wherever Corn Grows"

Established 1851 Incorporated 1867

### The Cylinder Machines

BUILT TO SHELL HUSKED CORN

The Joliet Cylinder Corn Shellers possess all the advantages of other cylinder corn shellers and are free from their defects. They do not require a man to stand behind them in the dust to keep back the unshelled ears of corn. In fact, these shellers are as nearly automatic as any machines can be that require adjustment for different kinds of work. We have these shellers in stock. Come in and look them over.
