THREE CHEERS FOR OUR CUSTOMERS!

On February 1, the employees of the Joseph Triner Company were entertained by the board of directors at the annual house banquet which is always the most sincere expression of the harmony between the employees and the employees of the establishment where the famous Triner's Bitter Wine has been manufactured for more than 30 years. The principal speech ended with the heartily applauded toast: "Three cheers for our customers!" Indeed it was correct to cheer them, because thousands and thousands of these customers are so loyal to Triner's remedies that they recommend them at every occasion and have only the most enthusiastic words for them. Mrs. John Rittleman, Jr., wrote us from Leetsdale, Pa., on January 6: "Triner's Bitter Wine must be always

in my home. I would not be without it. I have been also using Triner's Cough Sedative for the past eight years and Triner's Liniment and think it is the best ever invented or in other word the best that money can buy." You can bet them at all druggists or dealers in medicines. Joseph Triner Company, 1333-45 S. Ashland Ave., Chicago, Ill.
