Astronomers have discovered a new "sky tramp." Tell him to move on, officer.

Will future generations be known for whiskered tonsils caused by drinking hair tonic?

Perhaps some of the girls wear rouge to hide the fact that they have lost the art of blushing.

Voliva says the world is flat; New Yorkers insist it is a long street lined by electric lights.

Revise the old warning. Make it: "Lips that touch rouge-stick shall never touch mine."

If professional reformers were paid so much per reform, fewer of them would be in the business.

The man who has a lot of opinions and like to express them is likely to make a bofe of himself.

Headline says "Wilson helps move to new home." You know how much help a man is on moving day.

Contentment is all right in its place, but dissatisfied folks are the ones who keep things moving.

Uncle Sam has the credit for winning the war—if you understand exactly what's meant by "credit".

If you want to scare a plump woman half to death weigh her on some Jaekman's selling scales.

They are again fighting the bull in Mexico, but in this country throwing it is the great national sport.

In spite of everything that is being done to prevent it, most folks seem to be having a pretty good time.

Prohibition may be said to be effective when a man does not need to chew a clove before going home to his wife.

Twenty per cent cut in wages with a 60 per cent job will probably be more welcome to a lot of persons than idleness.

The housing problem will be solved when a man feels that he can move out because his neighbor plays the saxophone.

If that woman's party carries out its plans it will be necessary for the men to form a union in order to secure political equality.

The congressional session is drawing to a close. It is high time for the members to shut off one kind of gas and step on another.

Next time you see a woman powdering her nose it will remind you of the fact that \$50,000,000 was spent on that kind of decorating in 1919.

Without posing as an expert in such matters, we decline to believe that a corset injures a woman's health unless she wears her lungs in her hips.

Old Doc Bryan again offers his well known nostrums to cure the ills of the democratic party. We have refused Bryan's medicine so often that it does look like he would get tired of prescribing it.

What was the matter with General Wood for secretary of the navy?

Women may replace men in the world of work, but when it comes to hobnobbing the male has a monopoly.

The business of living at peace with your neighbors is entirely too dull a life for many a person.

A woman may be president some day, but there is nothing to be gained by worrying over it.

Death and taxes are classed as certainties, but a man can pay the debt of nature with one check out.

Many a man is not so much afraid that others will lie about him as he is that they will tell the truth.

All that the pestering reformers need to do to start something is to wink an eye a bit unnaturally.

Lenine has been reported dead a number of times, but Villa has the advantage in losing several legs.

Efforts to dislodge Mr. Lodge from the senate leadership will be of no avail. He's simply lodged there.

A man who married eight women complains that Sing Sing is lonely; golly, you'd think he'd be glad of the seclusion.

The man who is anxious to know what the public thinks of what he thinks will make a better politician than statesman.

The time seems to be nearing when successful business men may be able to tell how they start as humble bootleggers.

Speaking of profiteering, what about the value placed by the women who sue another for alienating her husband's affections?

The motion picture producers do not want any censorship that will interfere with giving the public what it is willing to pay for.

If Will Hayes becomes postmaster general it is hoped he will use a better quality of mucilage on the envelopes sold to the public.

Egg prices indicate that the frugal hen is willing to accept a cut in wages and make an honest effort to work her way back to normalcy.

The report that President-elect Harding is going to keep an alligator on the White House lawn may be a clever plan to discourage office seekers.

A statement of the National City Bank of New York, says that coal exports from the United States is against \$169,000,000 in 1919, and \$92,000,000 in the year before the war.

The seventh annual state high school livestock judging contest will be held at the college of agriculture April 2. GOT 150 EGGS FROM TWENTY-EIGHT HENS

Four Months Loafers—Now Laying Regularly

"I wish to praise Dr. LeGear's Poultry Prescription to poultry raisers. I have 28 hens and had no eggs from them for over 4 months. After feeding them two packages of your Prescription, I gathered twelve and one-half dozen. This is a positive fact and I advise all poultry raisers to use Dr. LeGear's Poultry Prescription if they wish their hens to lay."—Miss Carline Freeman, Harrison, Miss.

You can also make profitable laying out of loafers by getting Dr. LeGear's Poultry Prescription from your dealer and using it as directed under Dr. LeGear's satisfaction or money-back guarantee. It is a tonic which builds up the strength and vitality of hens, overstimulating and improving eggs, producing organs—Dr. LeGear Med. Co., St. Louis, Mo. Dealers everywhere. Sold in Plattsmouth by Bestor & Swatek. m3.

UNION ITEMS

Wreck Interested With Services.

There were no services at the Methodist church last Sunday on account of the wreck of the Missouri Pacific which prevented the minister, the Rev. A. C. Bonham of Council Bluffs, from getting here. Rev. Bonham will, however, conduct services both in the morning and evening at the church the coming Sunday to which all are cordially invited to attend.

The afternoon was occupied by the study of the lesson from the magazine which is especially edited for this society. The leader, Mrs. M. J. Brantlett, and the meeting was enjoyed by all.

A CHAIN OF REASONING

To be successful in business you must be an indefatigable worker. To be able to work indefatigably you must take care of your health. Giving the right care to yourself physically, you will not waste your energy and strength and you will repair the unavoidable wear and tear by taking the best tonic possible. Its name? Triner's Angelica Bitter Tonic. Mr. Frank Smith wrote us from Lima, Ohio, Nov. 26, 1920: "Do not feel such a fatigue at work since I am taking Triner's Angelica Bitter Tonic." This tonic, as well as Triner's Bitter Wine are the most reliable remedies you can get at your druggist or dealer in medicines. For rheumatism, neuralgia, lumbago, sprains, swellings, etc., try Triner's Liniment and in case of throat inflammations gargle with Triner's Antiputrin which is also a highly efficient antiseptic for cleaning wounds, ulcers, etc.—Joseph Triner Company, 1333-45 S. Ashland Ave., Chicago, Ill. m3.

SAYS RENTERS ARE NOT CO-OPERATING

Lincoln, Neb., March 1.—Representative Harry Foster of Omaha feels that there is much inconsistency in mankind.

Poster spent the week-end in Omaha and declares that he received a pat on the back from every renter in Omaha and a word of encouragement such as this: "Go to work, Harry, givem!"—meaning the landlords.

But that is as far as it goes, says the chairman of the new house investigating committee which would delve deep into the alleged skeleton closet of the rent situation and while every one is willing that they should fight hard, there are none who will help out. Four letters have been received by Foster on the investigation. Three of these came from persecuted renters and one from a landlord who claims that he is equally persecuted by people who won't pay their rent.

If the information doesn't come from the renters, Foster admits, there would seem to be little need for an investigation upon a matter about which both parties seem to be so thoroughly satisfied.
