Here's a Plattsmouth resident's statement. Louis Kroehler, proprietor of hardware store at 521 Main street, says: "Some time ago I had pains in my back. I was so lame I could hardly stoop and my kidneys were weak. I had a tired, languid feeling all the time and headaches were common. I

got a supply of Doan's Kidney Pills from Rynott & Co's. drug store and began taking them. They soon relieved me of my troubles. I am pleased to recommend such a valuable remedy."

The above statement was given April 10, 1912 and on May 12, 1920, Mr. Kroehler added: "I am of the opinion that Doan's Kidney Pills are a splendid remedy for kidney ailments. I haven't needed them in a number of years and would certainly use them again should I ever have kidney disorder. I have great faith in Doan's."

Uncle Ben Beckman came up yesterday afternoon from his home near Murray for the first visit there in many weeks, as he has been under the weather with a severe cold and it was not until the bright sunny weather arrived that the family would allow him to get out and around. He is feeling better now, however, and his many friends were much pleased to see him.
