I SWELLED with pride. THE FAT man next to me. WAS READING one. OF MY cigarette ads. AND I felt him chuckle. NOW NO one had ever. PRAISED THAT ad.

SO I had to ask.

IF HE liked it. AND HE said, "Sure." AND LAUGHED some more. THEN HE said.

"LOOK HERE" and pointed. AND WHERE I'd written. "PURE TOBACCO."

THE PRINTER had set. "PURE TABASCO." AND THAT'S why the man.

THOUGHT MY ad.

WAS HOT stuff. BUT THEN he said. "FORGET THE ads. NEVER read 'em, BUT LEMME tell you. SOMETHING DIFFERENT.

THEY OUGHT to say. ABOUT THAT cigarette. AND THAT is this.

AND DARNED if I don't think.

HE REALLY believed.

HE WAS giving me. SOMETHING NEW!

You can blame it on the printer if you don't see "They Satisfy" in a Chesterfield advertisement. But be sure of this—you'll find it in the cigarette every time. Wonderful Turkish and Domestic tobaccos, wonderfully blended-it sounds easy. But you'll find nothing else like Chesterfields. That blend can't be copied.
