Captain Munson.
Capt. Munson who came here under the management of the community club was sure a treat for both young and old. Capt. Munson visited the school Tuesday afternoon and it was easy to see that he had the good will of every child. The attention among the children was perfect. Tuesday evening's program was mostly fun, but yet each joke carried some philosophy. Saturday night was surely a treat for both those who were fortunate enough to be there couldn't help but want to do more in this great big world of ours. He brought out strong that this life is only a life of service to others if we wish to get the most out of it, and another thought which is absolutely true is that we can do what we want to do if we want to.

Mr. Whitmore had prepared a special sermon for the congregation for this festival, that strengthened the faith of his hearers that Christ arose from the dead by his own power. Mr. S. G. Latta, accompanied by Miss Neva Latta on the piano, sang in the Sabbath school the resurrection song "Christ is Risen," and Miss Walker, sang an "Oratorio" in the church service that was very appropriate.
