LOUISVILLE HAS VERY CLOSE ELECTION

From Wednesday's Daily.

The election at Louisville yesterday was one filled with thrills and excitement as the residents of the village voted on the deep seated and much contested question of whether or not the pool hall should be allowed to continue to operate in that place. This question has been made the subject of the will of the voters for a number of years and has been first won by the anti's and then the friends of the pool hall, but in this round the anti's appeared to have placed a knockout punch as the vote shows that 163 voted in favor of the pool hall while 194 were against it.

It was contested on the ground that one person voted who was not a legal resident of the village and thereby invalidated the election.

The vote on the trustees resulted in George H. Wood, 128; W. P. Diers, 102; E. Sundstrom, 99, and E. A. Pankonin, 85.

FIRE DEPARTMENT PLANS INSPECTION

Business Section of City Will Be Given Thorough Inspection to Aid in Fire Prevention.

From Wednesday's Daily.

The meeting of the fire department last evening was quite largely attended and the members discussed at some length the proposition of cleaning up the city and doing all possible to prevent fires from the accumulation of rubbish and dirt around the cellars and rear of the various places of business.

The department decided to have a committee of the members inspect the different sections of the business part of the city and H. W. Smith and B. A. Rosencrans were appointed to inspect from Fifth street west to Seventh on the south side of Main street and Guy Morgan and F. M. Bestor on the north side from Fifth to Seventh. John Hart and Claude Smith will perform the work of inspection on the north side of Main street from Fifth street east to the Burlington station and Louie Kroehler and Dave Ebersole on the south side of Main street from Fifth to the Burlington freight house.

The department will have practice in the future for the members, but the time is kept a secret locked in the bosom of the chief who will have the members called out at unexpected times to see how fast the members can get on the job and get busy with the fire fighting apparatus.

The proposition of a siren whistle to be placed on some of the buildings on Main street for the purpose of an alarm was definitely abandoned by the department as it would entail an additional expense to the city that would not, in the opinion of the members of the department be justified, and as the telephone alarm system is working so nicely it was decided to let the other matter drop.

The interest shown by the members of the new department in forming the organization into one of the greatest efficiency and it is merely the matter of a short time until the city has one of the best volunteer departments in the state.

TRUCK LINE TO OMAHA STARTED

Ed Mason Proposes to Assist Shippers to Withstand the High Freight Rates Now in Force.

The automobile and auto truck as a means of combating the high freight and passenger rates on the railroads in gaining the popularity and Ed Mason of this city is now launching a regular truck line between this city and Omaha which will handle a part of the hurry up shipments of the merchants from the wholesale houses of the metropolis.

Mr. Mason will arrange to make two trips a day to and from Omaha and feels that the saving in hauling will more than repay the shippers as well as insuring safe and prompt service within a few hours after the orders are turned out from the wholesale houses.

Those who desire the use of the truck line can call phone 394 and Ed will be on the job.

County Judge.

CARL JOHNSON ELECTED BY A BIG MAJORITY

UNITED CITIZENS TICKET TRIUMPHS IN EVERY INSTANCE—VICTORY IN TWO CONTESTS

SEBATKA WINS IN THE FIFTH

Councilman Vroman is Defeated by Vote of 68 to 65 in South Side Ward After Warm Contest

From Wednesday's Daily.

One of the most quiet and uninteresting municipal elections in the history of Plattsmouth resulted yesterday in the complete triumph of the United Citizens ticket wherever contests were held. The vote was very light in almost all of the wards and only in the third was there anything like a normal vote and in that ward the total vote reached 325.

The number of ladies voting was quite small and it was only the voters who happened to be in the vicinity of the polling places that cast a ballot. In the afternoon the friends of John Cory, petition candidate for mayor, became quite active and in the third and fifth wards rolled up a good vote for their candidate, but not sufficient to carry either of the wards.

The fifth ward staged one of the liveliest contests of the entire election when Frank J. Sebatka, citizens candidate defeated Councilman L. E. Vroman, republican, by a vote of 68 to 65, and the last hours of the election there were quite exciting as the friends of the candidates were working very strenuously for their candidate.

The remainder of the citizens ticket was in the slightest danger as the only contests were that of mayor and the fifth ward councilman and the majority of Carl A. Johnson for mayor over John Cory reached 226.

The vote on mayor in the different wards was as follows:

First Ward—Johnson, 99; Cory, 41. Majority, 58.

Second Ward—Johnson, 115; Cory, 61. Majority, 54.

Third Ward—Johnson, 127; Cory, 98. Majority, 29.

Fourth Ward—Johnson, 106; Cory, 35. Majority, 71.

Fifth Ward—Johnson, 75; Cory, 58. Majority, 17.

Aubrey Duxbury for city clerk, Charles E. Hartford for treasurer, and J. B. McKee for city engineer, all of the citizens ticket, although they failed to reach the vote polled by the candidates for mayor as they merely voted for the head of the ticket letting the uncontested offices go.

The newly elected members of the city council chosen were as follows:

First Ward—Frank M. Bestor, E. Second Ward—James Plank, Third Ward—R. W. Knorr, Fourth Ward—John A. Schulhof, Fifth Ward—Frank J. Sebatka, Jr.

For members of the board of education Dr. C. Marshall and Mrs. Grace Chase were given a very handsome vote with a large scattering vote cast by parties writing in the names of candidates.

TWO ATTRACTIVE WINDOWS

The show windows at the Westcott's Sons store and that of Philip Thierolf have been attracting the attention of the public in the last few days, both by their beauty and novelty.

The Westcott east window resembles a tropic scene as they have a large curtain sent them by William Baird from Miami, Florida, as well as two small alligators which were put on display by Herbert Sherwood who has just received them from his brother, Ralph, who is located in the southern state.

The Thierolf window displays the skill of B. A. Rosencrans, the decorator, as he has two windows that are the equal of any city show windows. One is devoted to Kuppenheimer clothes while the other is an interwoven sox display and both are very pleasing and artistic.

For earache, toothache, pains, burns, scalds, sore throat, try Dr. Thomas' Electric Oil, a splendid remedy for emergencies.

Best varieties, \$7 per thousand. Call phone 596-J. tf-d.

USE SLOAN'S TO WARD OFF PAIN

You can just tell by its healthy, stimulating odor, that it is going to do you good.

"I F I only had some Sloan's Liniment!" How often you've said that! And then when the rheumatic twinge subsided—after hours of suffering—you forgot it!

Don't do it again—get a bottle today and keep it handy for possible use tonight! A sudden attack may come—catarrhs, lameness, sore muscles, backache, stiff joints, neuralgia, the pains and aches resulting from exposure. You'll soon find warmth and relief in Sloan's, the liniment that penetrates without rubbing. Clean, economical. Three sizes—35c, 70c, \$1.40

Sloan's Liniment

Pain's enemy

But a good wheeze I'll leave it to you

I LOVE the ladies,
BUT LIKE most men,
I OFTEN guess wrong,
ON WHAT will win,
A SMILE from them,
I ALWAYS say,
IT'S BETTER to laugh,
THAN EVER to worry,
SO ONCE, when,
THE DAM broke, and,
A FLOOD hit town,
I THOUGHT I'd just,
CHEER UP my wife,
AND SO I said,
"IF THE worst comes,
YOU CAN float down,
THE RIVER on,
THE FAMILY music-box,
AND I'LL accompany you,

ON THE piano,"
WHICH WAS all wrong,
POOR HUMOR, she said,
WAS OUT of place,
IN TIME of danger,
SO KIPLING was right,
"A WOMAN is only,
A WOMAN, but a good cigar,
IS A smoke," only,
HE SHOULD have made it,
MY CIGARETTES because,
YOU'RE BOUND to get,
A SMILE from them,
THEY ALWAYS "satisfy."

TAKE the silky, tender leaves of choicest Turkish blend them with the best Domestic tobacco that money can buy—blend them in the exclusive, can't-be-copied Chesterfield way—and you get a "smoke." Yes, and something more—you get a cigarette that honestly "satisfies."

EXPORT RATES ON GRAIN SHIPMENTS

Readjustment Recommended by the Interstate Commerce Commission.

Washington, April 4.—Readjustment of export rates on grain and grain products carrying a reduction of 3 cents east of Chicago was recommended to the railroads today by the interstate commerce commission.

The commission recommendations covered a general readjustment of grain and grain products rates and were outlined in a letter sent representatives of the roads by W. V. Hardie, director of traffic.

After consideration of the situation and with the approval of Chairman Clark of the interstate commerce commission, Mr. Hardie stated there was no objection to a readjustment of rates as follows:

A reduction of 3 cents east of Chicago in the all rail export rates on grain and grain products.

A reduction of 1 cent on grain and grain products on export traffic only from Missouri river points, including Sioux City to Chicago and Chicago rate points.

A reduction of 4 cents in export rates east of St. Louis on grain and grain products.

Changes from Peoria and other related markets corresponding to those from St. Louis and Chicago to preserve existing equalization.

No reductions to be made west of St. Louis.

The existing "at and east" rates on export grain now scheduled to expire April 15, to be continued indefinitely but with no further reductions at present.

The "at and east" domestic rates on grain April 15 to revert to the rates in effect August 15, 1920, plus 40 per cent to be applied on the net rates.

Lake and rail rates on flour export
