"I heard how Tanlac was helping others who had been in a run-down condition and made up my mind to try it. I have gained back eleven pounds of my lost weight, and am still gaining. I have gained wonderfully in strength. I eat just anything I want and I am feeling fine and enjoy living more now than at any time in the last eight years."

YOU need less Certain-teed to cover a given area than you do ordinary paints and varnishes, because the ingredients in Certain-teed are highest quality, are properly proportioned, and are thoroughly ground and mixed by machinery that makes no mistakes.
