W. C. T. U. HAS VERY PLEASANT SOCIAL

Ladies Meet at "Sunnyside" on Monday Afternoon With Delightful Program and Session.

The ladies of the W. C. T. U. were most charmingly entertained on Monday afternoon at "Sunnyside", the home of Mr. and Mrs. E. H. Westcott on high school hill and an exceptionally large number of the members and their friends were in attendance at the event.

The usual business session was enjoyed and during which Mrs. C. C. Westcott gave a very interesting paper on the progress of world prohibition, bringing out many facts and points of interest covering the work in making the world dry and which were much enjoyed by all of the party.

A very pleasant informal program was also given consisting of a delightful piano solo by Miss Helen Tritsch and daughter, Miss Estelle, as well as a piano solo by Miss Helen Westcott, which reflected much credit on this talented young musician. Miss Clara Mae Morgan also gave one of her always enjoyable vocal offerings which added greatly to the enjoyment of the occasion.

During the afternoon dainty and delicious refreshments were served that added in completing a thoroughly enjoyable occasion in every way.

WILL GIVE AWAY A "REAL LIVE BABY"

Feature of Legion Carnival That is Certain to Attract Attention and Arouse Warm Competition.

Among the numerous prizes that can be secured at the big American Legion indoor carnival on April 28, 29 and 30, the committee informs us that there will be a real live baby given away to the person fortunate enough to draw it in the last night of the big event.

This is to prove an unusual feature that will attract much attention and the committee in charge of the big show informs us that the mother of the little one has been unable to provide it a suitable home and accordingly it will be turned over to some one who can do it full justice in his respect and the person drawing the baby should give the assurance of being able to provide a good home for it.

It is expected to hold this on the closing night and with the giving away of the Ford touring car will make one big night in the three nights of pleasure and fun and with eager interest the residents of this locality will await the result of the drawing.

MISSOURI PACIFIC HAS SMALL WRECK

South Bound Passenger Train No. 104 Has Derailment Between Between Gilmore and LaPlatte

From Thursday's Daily.
The south bound passenger train, No. 104, due in this city at 9:02 a. m., was delayed today for more than an hour as the result of a small wreck between Gilmore Junction and LaPlatte. The train had left Omaha on scheduled time, but when a short way out of Gilmore the trucks of the baggage car became loosened and allowed the car to crash over on to the right of way and block the tracks for some little time.

A crew was sent out from Omaha with a wrecking outfit and succeeded in getting the damaged truck removed and the train was able to continue on to this city after an hour's delay.

No one was seriously injured on the train it is reported, but quite a number were shook up to a greater or less extent when the car slid off the trucks. The train was not going at a high rate of speed at the time and which saved a more serious wreck.

LOCAL HIGH SCHOOL WINS OPENING GAME

Weeping Water High School Falls Before Local Base Ball Artists by Score of 13 to 0 in 7 Innings

From Wednesday's Daily

Yesterday afternoon the local high school base ball team had their initial game of the season on the local lot and trimmed up the Weeping Water boys by the score of 13 to 0 in the seven innings and which for the visitors were hectic indeed as they were kept busy attempting to spear the drives that the local sand-lotters were busy slamming out over the landscape.

Joe McCarthy, who is rounding out his career in the high school this season won new glory for himself in the athletic field in his handling of the old apple yesterday and only one of the visitors, Molden, the colored short stop, was able to knock him for a hit and this was of the scratch variety. The catching of Hallas and the fielding of Frank Gradoville at short were features of the game.

Each inning saw the locals scoring from the opening stanza when McCarthy registered on the grounder of Louis Svoboda.

In the second John Svoboda hit safe over second, Hallas was walked, Schneider hit over third for a safety and McCarthy followed with a two sacker to left that registered all three of his team mates.

In the third Mullis was passed, Howard Dwyer sacrificed the runner to second and when Harry Dwyer slammed the pill to left Mullis scored. Louis Svoboda hit through short territory and brought Dwyer home; Hallas rapped a two sacker to center that tallied Svoboda and Schneider going out on a grounder third to first allowed Hallas to register. McCarthy was walked and Frank Gradoville with a two sacker registered Joe.

In the fourth the visitors by a change of pitchers injected some pep into a almost hopeless cause and the first two of the Plattsmouth batters, Mullis and Howard Dwyer, were sidetracked. Harry Dwyer broke the ice with a bingle through second and followed by John Svoboda who with a safe poke to short scored Wwyer. Hallas hit to the visiting slab artist who threw to first but the guardian of the keystone station was not on watch and dropped the ball, making Hallas safe and allowing Svoboda to tally another.

In the fifth there was a repetition of the onslaught of the locals with two more tallies registered to their credit. Schneider opened with a two sacker and was followed by McCarthy who whiffed. Gradoville hit over short and scored Schneider and later stole home on the visitors catcher.
