Troop north of Nehawka and turning the suitable wood into fence posts, while the remainder is to be burned to get it out of the way. operates the car without the license is simply piling himself on and riding free, as those who do pay their auto tax, are keeping up the road that the others may ride. Do not wait for an officer to come round and get your car and take it to the county seat, before you come across with your share of the coin which is to keep the roads in condition.

Makes Attempt at Burglary
Last Tuesday night or near Wednesday morning an attempt was made to enter the pool hall and Billiard parlor of Neils Anderson, after he had closed the place for the night. Geo. Tate, who has been at Weeping Water and had returned on the midnight train, turned on the light in front to get to his room above, where he resides, and evidently frightened the rascals away. The screen was torn from the rear window and the glass broken, portions of which were thrown nearly across the room. During the day three strangers driving a Buick car, had been lingering around Nehawka, and it was thought Mr. Anderson in a game of pool, while the third looked about frown and probably took bearings from the attempted entrance in the night. However, they were not successful in securing an entrance nor getting any goods.

The School Year is Closing.
With this week the school year of the Nehawka consolidated school will close. Last Saturday the Junior-Senior banquet was held at the auditorium and was enjoyed by the young folks to the limit. On Sunday at the same place was held the banquets address by the Rev. G. C. McKinstry, pastor of the First Presbyterian church of Plattsmouth and which was a most masterly address and was well received by both the students graduating and the citizens in and about Nehawka, who recognized in this address one of much worth. On Wednesday of this week will be held the commencement at which the principal address will be delivered by the Rev. Harry Huntington, pastor of one of the large churches of Lincoln. The subject which Mr. Huntington has chosen is "The Power of Optimism". Tickets will be an excellent address.

Those to graduate and receive diplomas for their excellent work will be Misses Alpha Christweller, Hope St. John, Velma Cramer, One Fleaming, Messrs. Everett Rutledge, Clyde Moore, and LeRoy Holte. Ernest Narris, who has the honor of obtaining his diploma in the next week. Thirty credits necessary, had only taken two of them in Latin, where as it is required to have four in that branch and will not be among those to receive diplomas, but can enter the same university just as the others without an examination, as they have the distinctive honor of having done a four course in three years. The past year has been one of good work on the part of the teachers and students and should by a source of gratification to the patrons of the school.

Attend in Body.
The post of the American Legion of Nebraska having selected the Methodist church of Nehawka as the one where they listened to the Memorial service, met at their lodge room and went in a body to the Methodist church where they listened to an excellent address and then went to the cemetery where they decorated the last resting places of all that is mortal of the comrades who gave their lives that this nation might live. The addresses by the Rev. Moore and the ceremonies at the cemetery were both very impressive.

Will Hold Election June 13
There will be held the annual school meeting of the district which will be held on June 13, at which there is to be chosen three members of the board, whose terms expire with this year. There will be other matters to look after as well.

A MERCILESS JUDGE
One Who Shows No Favor
A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Plattsmouth resident has withstood the sternest of all tests.

Theo. Starkjohan, retired farmer, Locust and 9th streets, Plattsmouth, says: "For several years Doan's Kidney Pills have been used in our family for kidney troubles and backache and they have proven to be all that is claimed for them. Whenever my back feels a little lame and my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to do me good. Doan's can't be equalled and anyone having kidney trouble should take them for they are reliable."

Statement given February 23, 1916. **OVER FORTY YEARS WATER,** on May 12, 1920. Mr. Starkjohan added: "The cure I had from Doan's Kidney Pills several years ago has been a lasting one. It has been a couple of years since I used or had need of a kidney medicine and my

EAGLE Beacon

Irvin Wetenkamp of Chicago, who was visiting his brother, Henry Wetenkamp, in Eagle last week, went to Lincoln for a brief stay before returning to his home.

Dan Muenchau has been laid up the past week with pneumonia and the neighbors got up a "corn-planting bee" and planted his corn for him.

The Methodist church is being treated to a new shingle roof this week, 10,000 shingles and the work being done by members and friends of the church.

J. A. Worrall, an old-time newspaper man, was in Eagle Saturday shaking hands with some of the old-timers he formerly knew. Mr. Worrall came to Nebraska City 64 years ago as a boy and has known Judge Peterson, Anson Burdick and several others for many years.

Mrs. Jay Adams came last Saturday from Glendo, Wyo., and will spend a couple of weeks with her parents, Mr. and Mrs. Geo. Reitter and other relatives. Jay is pretty well tied up in business and will hardly be able to get back this spring for a visit.

A big bunch of Eagle folks motored to Plattsmouth, Monday. Among them were George and Fred Trunkholz, R. C. Wenzel, Wm. Paul, D. Wilin, F. W. Bloomenkamp, H. K. Prantz, M. Spahnke, Geo. Reitter, Fred Wolf, Jr., Billy Wolf, W. E. Ewerth, Wm. Oelchinger and Fred Leidig. Bill Bloomenkamp says that Sheriff Quisenberry told him that as the jail was full he would let him out on ten thousand bail, but he does not know how the other fellows got by. As they came home smiling, however, we judge they were well pleased with the trip.

WILL HAVE EXHIBIT OF SCHOOL WORK
Manual Training Department of the High School will Give Public Opportunity to See Work

The manual training department of the Plattsmouth high school will hold an exhibit of their work at the barber shop room in the Hotel Wagner building tomorrow from 10 a. m. to 6 p. m., which will give the public an opportunity of seeing what the schools have accomplished in the past year. The new department of the school has been in operation.

Mr. A. D. Bell, who has had charge of this department of the school work as well as supervising the athletic department has been very successful in his work with the boys of the school and the result of the course can best be judged by looking over the finished products that the boys have turned out as the result of their training. Many very neat and attractive pieces of furniture have been prepared by the young men of the high school that speak well for the excellence of the course.

Incidentally this exhibit will be the means of giving recognition to the efforts of Mr. Bell, who is to retire from the schools here at the close of the present term. During his stay here Mr. Bell has proven himself a very able instructor and withal one of the most genial and clever men who have been connected with the school in recent years and it is with regret that the public and the many friends he has made during his stay here, part with him.

WHEAT PRICES NEAR COLLAPSE
Chicago, May 26.—May wheat appeared on the verge of a collapse today, the price declining 12 cents under pressure to sell. Reports of wheat shipments from many places served to relieve anxiety of the shorts remaining out while bulls readily accepted prices obtainable. The close was at \$1.65 in comparison with the previous close of \$1.79 3/4 and yesterday's high of \$1.85, after several days of spectacular rise.

During most of the session there was considerable support evident in July wheat. Toward the end however, the pressure increased and prices receded materially, the close being at \$1.27 3/4 which was 5 1/4 cents less than yesterday's close.

HAVE ENJOYABLE MEETING
The ladies aid society of the First Methodist church was very pleasantly entertained on Thursday afternoon at the church parlors with Mesdames Henry Mauzy, G. W. Schwinniker and Perry as the hostesses of the occasion.

The ladies enjoyed during the afternoon a very interesting talk from Mrs. William Baird covering her recent visit to the southland and in which she told of the conditions and general characteristics of the portion of Florida in which she had visited and which included the cities of Miami and Palm Beach, two of the greatest winter resorts in the country. The talk of Mrs. Baird was very much enjoyed by the ladies and proved very interesting to all of the party and gave them an insight into a portion of the country that was comparatively unknown to them.

At a suitable hour refreshments were served.
