### VERY PRETTY HOME WEDDING HELD

Miss Loretta King and Mr. Victor Heisle of St. Louis, Married at Home of Sister of Bride

From Wednesday's Daily.  
 The pleasant home of Mr. and Mrs. A. H. Shindelbower on high school hill, was the scene of a very pleasant wedding on Sunday afternoon when Miss Loretta King, sister of Mrs. Shindelbower, was united in marriage to Mr. Victor Heisle of St. Louis, Missouri.

The rooms were very prettily arranged with decorations of the garden roses and made a very pleasing setting for the ceremony that was to join for life the hearts of the two estimable young people.

The marriage vows were read by the Rev. A. V. Hunter, pastor of the First Methodist church, the ring service being used in the ceremony.  
 The bridegroom was attended by Miss Elsie Tiekotter as bridesmaid and Mr. Harry King, brother of the bride as best man.  
 Following the wedding the guests were served with very dainty refreshments by Mrs. Shindelbower, who was assisted by Mrs. Edward Brubaker and Mrs. Alex Bisenz of Omaha.

The bride was gowned in white georgette over white satin and wore the bridal veil of white lace caught with roses.  
 The guests at the ceremony were Mr. and Mrs. C. C. Westcott and son.

### WAGE BOARD MAKES CUT OF 12 PER CENT

AFFECTS LARGELY MAINTENANCE OF WAYS AND CERCIAL WORKERS OF ROAD

Chicago, Ill., May 31.—An estimated \$400,000,000 will be slashed from the nation's railway wage bill when an order cutting wages an average of 12 per cent to be handed down tomorrow by the United States railroad labor board becomes effective July 1. The order affects members of thirty-one labor organizations, employed on 194 railroads.

While the decision is specifically applied only to the roads whose cases have been heard by the board, the decision says it may later be applied to any other road asking a hearing under provisions of the transportation act.

Percentages of reductions computed by members of the board gave the average of 12 per cent, and the source estimated the annual reduction in wages at approximately \$400,000,000.

The decision brought reductions varying from 5 to 13 cents an hour or from 5 to 18 per cent, and in the case of section laborers, wiped out the increase granted them by the \$600,000,000 wage award of July 20, 1920. For section men the reduction was approximately 18 per cent or from \$3.79 to \$3.02 per day.

**Detail of Reductions.**

### Union Attitude Not Stated.

The attitude of the railway unions toward the decreases ordered remains to be determined. The big brotherhoods are expected to meet here July 1, to consider the board's decision.

Claiming they were hard hit by the winter slump in business, railroad managements have been clamoring for lower wages, and the decision will mark the first relief granted.

ed by the board since it set the advanced wage scale more than ten months ago.

The decision tomorrow will say that since the 1920 wage award there has been a decrease in the cost of living and "the scale of wages for similar kinds of work in other industries has in general been decreased." These two points were the chief contention of the railroads. Testimony was offered in the hearing, which began April 18 and ended May 16, to show reductions of 20 to 50 per cent in the cost of living. Varying reductions in wages, mostly for common labor, were also cited by the carriers. "The board believes", the decision says, "that based on the elements shown the decreases fixed are justified and required."

"Whatever may be said as to the origin or contributing causes, there has been and is a marked depression in industry," the board says. "As a result heavy financial losses have been suffered, and many hundreds of thousands thrown out of employment and this loss of purchasing power by them has accelerated the general depression by producing the demand for the products they would otherwise have purchased. While it has been argued that the fall in prices has not reached to any large extent the consumer, it has without question most disastrously reached and affected the producers."

### BIG TENT SHOW IS COMING NEXT WEEK

Burk's Big "Uncle Tom's Cabin Co." to Exhibit at Plattsmouth on Wednesday Nite, June 8

This is the first time that the public has had an opportunity of seeing the "New Version" of "Uncle Tom's Cabin," the greatest dramatization of this popular play ever written. Mrs. Stowe's Historical play has ever been a favorite with the women and children, and they always come to see it. Burk's Big "Uncle Tom's Cabin Co." has the distinction of being the largest organization of its kind on the road. They carry a special train of their own cars to transport their people, horses, ponies, donkeys, dogs, chariots, and other paraphernalia necessary to present the only grand spectacular production of this, the most successful drama ever written. The characters of Uncle Tom, Eliza, Little Eva and Marks are all ably presented by a competent cast, and the large contingent of singers and dancers, blood hounds, etc., give a realistic and sensational naturalism to the performance. The scenic and mechanical effects are good, and the picturesque transformation scene forms a fitting finish to the whole. So carry the news and tell your neighbors. The
