USUAL ADMISSION

YOUNG MEN CHARGED WITH AUTO THEFT

Chief of Police Jones and Sheriff Quinton Place Two Local Boys Under Arrest Last Evening

From Saturday's Daily

As the outcome of the stealing of a Ford touring car from the streets of Nebraska City on last Saturday evening, Sheriff C. D. Quinton and Chief of Police Alvin Jones, last evening placed under arrest George Fries and James Smebeck of this city, who were charged with having committed the offense.

The officers have had the parties under suspicion for the past week, but the young men had not been in the city and their return was the signal for their being placed under arrest.

This car was stolen early last Saturday evening and the information of the theft telephoned to this city, but the wrong number was first given and this caused some confusion as the police would have been able to arrest the parties at that time had they received the correct number, but later when the right number was sent them, the car had apparently disappeared off the streets. Early Sunday morning, Chief of Police Jones, who with Officer Chandler had been in search of

the car, discovered the Ford abandoned on the highway west of the site of the old U. B. church and brought the car into the city and notified the owners at Nebraska City who came up and secured the car Sunday.

The two young men who were arrested are reported to have been at Chicago for the last few days and after being arrested last evening and being held here for the arrival of Sheriff Ed Fischer of Otoe county, who will take them to Nebraska City to take the consequence of their offense.

Chamberlain's Colic and Diarrhoea Remedy

Every family should keep this preparation at hand ready for instant use when needed. Severe attacks of colic and cholera morbus often prove fatal before medicine can be procured or a physician summoned. The uniform success that has attended the use of this remedy and the prompt cures which it has effected have made it a staple article of trade.

Miss Helen Foster arrived in this city for a brief visit at the home of her parents, Mr. and Mrs. W. C. Foster. Miss Helen is in a training school of nurses at the Fenner hospital at Omaha and will complete her three year course in October, 1921. Mable Le departed with her sister Helen for a few days visit.

BURLINGTON IS TO HANDLE THE SPECIAL

Bringing Nebraska Grand Lodge to Plattsmouth Next Tuesday Instead of the Mop

The city of Plattsmouth will on Tuesday afternoon, June 7th, be the host to the grand lodge of Masons of Nebraska, according to the announcement made from the Omaha offices of the Burlington over which road the special train carrying the lodge will be sent.

The train is scheduled to leave Omaha at 2 o'clock in the afternoon and should arrive in the city about 2:45 and will remain here until 4:45 when it will return to Omaha.

The occasion of the visit of the grand lodge here will be to inspect the Nebraska Masonic home, one of the greatest fraternal institutions in the state and one in which every member of the Masonic order can take a great pride and in which the citizens of Plattsmouth feel the deepest interest.

This Masonic home has in the last year grown to be one of the greatest institutions of its kind in the state of Nebraska and under the able supervision of William F. Evers and the careful guidance of the board of control, of which J. M. Robertson of this city is president, has reached a high standard of efficiency and is now a splendid home for the aged members of the order who are spending their declining years there.

On the occasion of the visit of the grand lodge here the citizens of the community should make every effort to show the Masons a royal welcome and the business houses of the city close during the time that the distinguished party are here and join in the reception to the members of the grand lodge.

The business houses should be decorated and the city show its appreciation of the fraternity that has entrusted to this city one of its largest institutions.

The delegation of Masons here on this occasion will number between 400 and 500 depending upon how many of the 900 grand lodge delegates run down from Omaha for the tour of inspection.

BRACE UP!

Do you feel old before your time? Is your back bent and stiff? Do you suffer urinary disorders? Don't despair—profit by Plattsmouth experiences. Plattsmouth people recommend Doan's Kidney Pills. Here's a Plattsmouth resident's statement.

Louis Kroehler, proprietor hardware store, 521 Main street, says: "Some time ago I had pains in my back. I was so lame I could hardly stoop and my kidneys were weak. I had a tired, languid feeling all the time and headaches were common. I got a supply of Doan's Kidney Pills from Rynott & Co's. drug store and began taking them. They soon relieved me of my troubles. I am pleased to recommend such a valuable remedy."

The above statement was given on April 10, 1912, and on May 12, 1920, Mr. Kroehler added: "I am of the opinion that Doan's Kidney Pills are a splendid remedy for kidney ailments. I haven't needed them in a number of years and would certainly use them again should I ever have kidney disorder. I have great faith in Doan's."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kroehler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

R. F. Erwin Regarding His Troubles

"A year ago last winter I had an attack of indigestion followed by biliousness and constipation. Seeing Chamberlain's Tablets so highly recommended for stomach troubles, I bought a bottle of them and they helped me right away," writes R. F. Erwin, Peru, Ind. "If you have any trouble with your digestion give these tablets a trial. They will do you good."

CLASS HAS FINE TIME.

From Saturday's Daily. The members of the Philathea class of the Methodist Sunday school, composed of the young married ladies of the church, last evening enjoyed a most delightful picnic supper at the city park and which was attended by some thirty members of the class. The earlier part of the evening was spent in playing games and in the delights of volley ball, which served to pass the time very delightfully until ten o'clock when the supper was spread on the spacious table and around which the members of the party gathered for their feast and everything that the most discriminating could demand was embraced in the menu. Mrs. J. E. Wilks, president of the class, presided at the feast and many very interesting informal talks were given by the members of the party.

RACE RIOT AT TULSA CAUSES MANY DEATHS

NEGRO DISTRICT RAZED BY FIRE AND PROPERTY DAMAGE EXCEEDS \$1,500,000

Tulsa, Okla., June 1.—One hundred persons dead, according to estimates, hundreds wounded and property damage estimated at \$1,500,000 were outstanding results tonight of race disorders which broke out here last night following the arrest of a negro accused of attacking a white girl and which continued sporadically today.

This evening saw the city under martial law and its streets paroled by troops of the Oklahoma national guard, sent here at the direction of Governor J. B. Robertson.

Officials were hopeful that the worst of the trouble had passed and that the coming of dawn would find normal conditions restored.

However, they did not relax their vigilance and it was stated that all preparations were made for any situation which might arise. Civil officials were co-operating with Adjutant General C. F. Barrett, who came this morning with additional troops.

No accurate check of the dead had been made late tonight and unofficial estimates ran from the known list of ten whites and seventy negroes dead, in an opinion of Police Inspector Charles Daley, second in command of the police force, that the list would reach 175.

Many Die in Flames

The exact total, officials said, would probably never be known, as a number of negroes perished in the flames, which consumed the entire negro district, which formerly housed about 13,000 negroes.

The razed area begins near a station of the St. Louis & San Francisco railroad at Boston avenue, scene of the heaviest of the fighting today. Continuing east along the railroad, the district extends to Pearl avenue, north along Pearl to a point half a mile outside the city limits, west to Cincinnati avenue south on Cincinnati to Lowell, a short distance west on Lowell to Boston and then south on Boston. The area covers a space in the shape of an L.

A few feeble flames lighted sections of the burned waste tonight, while a few walls rise against a background of smoldering debris.

Thousands of the negroes and their families, however, fled the city and it is reported some have taken refuge in Bartlesville, Okla.

"We have not been well under control," Adjutant General Barrett said tonight. "We don't anticipate further rioting, although nothing has been overlooked as a precaution against its recurrence. With Tulsa under martial law we expect to see a readjustment of conditions."

"We have 5,000 negroes who herded tonight in the fair grounds east of the city, under protection of national guardsmen. They were gathered there from all points in the city, where they sought refuge."

Negroes Drifting Back

Hundreds of homeless negroes who fled to the country were drifting back tonight. They came afoot and in wagons carrying their household possessions they could escape with. Crowds of several hundreds, resembling refugees in the war zone in France, could be seen trudging back toward Tulsa.

The negroes at the fair grounds were being cared for and fed under the direction of a committee composed of prominent citizens. The body was also charged with investigating the riots and fixing responsibility. At a meeting today several members voiced criticism of the action of white men who willfully destroyed property owned by negroes and rendered thousands homeless.

From shortly before 10 o'clock last night, when the first firing began near the court house until late this morning, the city presented a scene of wild disorder. Hundreds of automobiles bearing armed white men raced about the business district.

The heaviest fighting occurred between midnight and 6 a. m., when several pitched battles with hundreds on each side were waged about negro quarters.

One of the hottest engagements occurred in a negro church where about fifty negroes had barricaded themselves.

Several massed attacks were launched against the church, but each time the attackers had to fall back under the fire of the negroes. Finally a torch was applied to the building, forcing out the occupants who fled as they ran. Several negroes were killed.

Large white crowds invaded the negro district shooting their way through. Some time after midnight the negro district was fired and at dawn it lay a seething mass of ruins. Officials estimate that more than twenty-five separate fires were set.

Why That Headache

When you know the cause of a disease a cure may often be effected. This is particularly true of headache. Headache often results from constipation or a disordered condition of the stomach, which may be corrected by taking a dose or two of Chamberlain's Tablets. Try it. These tablets are easy to take and mild and gentle in effect.

GRADUATES FROM WESLEYAN

The commencement of the Wesleyan university was held on Wednesday morning at the college auditorium and witnessed the graduation of one of the largest classes in the history of the Methodist educational institution.

delivered by Bishop Charles L. Meade, D. D., and was a very forceful and inspiring address to the young people of the class.

Among those graduating this year is Miss Ethel Ann Babbitt, daughter of Mrs. Maude Babbitt of this city, who was graduated from the normal training department and received her certificate as first grade

and kindergarten instructor. In the college of science and arts were several from Cass county, Everett Eugene Jackman of Elmwood, Paul V. Schlichtemeier and Pearl V. Schlichtemeier of Nehawka.

One method of cutting motoring costs

Low grade oil, or oil of unsuitable body, is the direct cause of fully ninety per cent of all overhauling, repair and replacement costs. It is also frequently responsible for the low mileage many an automobilist complains of and blames on his gasoline.

Finding just the correct lubricating oil for your engine will save you a lot of expense and bother.

Polarine is the highest quality motor oil you can buy. Its stability under high engine heat provides a fuel-tight and gas-tight seal in the cylinders which insures maximum power and mileage from gasoline. Its smooth, continuous film protects bearings and engaging parts against wear, vibration and breakage.

Polarine is made in four grades—light, medium heavy, heavy and extra heavy—but only one quality. Get the proper grade for your car next time you buy clean-burning Red Crown Gasoline—and you will start cutting down motoring costs.
