## BARGAIN WEDNESDAY TO BE BIG DAY

Forty Merchants of City Unite in Unusual Value-Giving Event—Genuine Bargains.

Plattsmouth's first big Bargain Wednesday is scheduled for next week—June 15th—as will be noted from the large two-page advertisement appearing elsewhere in this issue of the Journal.

The centralized idea of Bargain Wednesday is genuine bargains—values that will stand favorable comparison with any market in the world, and give the buyer a chance to inspect the goods before he purchases which he cannot do when sending his money away for the so-called mail order bargains. On this basis, Bargain Wednesday is to be made a community event in Plattsmouth on the third Wednesday of each month. Forty of the live-wire merchants join in this initial offering and an even greater number are expected to participate in the next.

And such bargains as they are offering. New staple merchandise—the goods you buy and use in everyday life—going at bed-rock prices. The offerings on the bill are almost unnumberable. Yet these same forty merchants of Plattsmouth stand ready to back them up for this one day only—Wednesday, June 15th.

Another appealing feature is the fact that each merchant advertises he has endeavored to secure enough of the merchandise he offers to supply all comers. In the language of the bill, "This is not a catch sale with bargains for only the early birds." Plattsmouth stores will be open until 9 o'clock p. m. on this eventful day in merchandising analysts and the late comers may be assured of getting the same bargain as he who comes while the deal is yet upon the greenward.

Taken as a whole this is the most representative offering of merchandise made in Plattsmouth in years, and the fine co-operation between the merchants comes large as a result of the efforts of the Plattsmouth club, which is always on the alert to advance the best interests of the town.

A committee of Chamber of Commerce members, consisting of H. A. Schneider, D. C. Morgan and A. G. Cole, has gone over the buyovers of the different goods advertised and issued a public statement that they find the bargains both genuine and exceptional. Without this statement, however, anyone could readily recognize this fact, as the values speak for themselves.

**HOME CHAPTER O. E. S. LIVE ORGANIZATION**  
Organized in 1905, and Now Claims Large Membership—Frequent Social Activities Held.

The O. E. S. auxiliary of the Masonic Fraternity has had a very successful year in the city of Plattsmouth and Home chapter was organized here on May 2, 1905, and has since that time enjoyed the most unbounded success in the advancing of its work. The membership embraces the wives, daughters, sisters and mothers of the Masons of the city and today they have one of the most active chapters in the state with a large field of social activities as well as their lodge work to occupy their attention.

The present officers of the Home Chapter No. 139 are as follows: Mrs. Clara Wehrlein, worthy matron; Mrs. Glen Perry, worthy patron; Mrs. Ona Baird, associate matron; Mrs. Adda Perry, conductress; Mrs. Eva Busch, associate conductress; Miss Clara Weydt, secretary; Mrs. Della Lyon, treasurer; Mrs. Mary Frann, marshal; Mrs. Martha Peterson, chaplain; Mrs. Lena Tippens, organist; Mrs. Tille Hinz, Adah; Mrs. Margaret Mauzy, Ruth; Mrs. Grace Chase, Esther; Mrs. Nettie Bosson, Martha; Mrs. Mattie Wiles, Electa; Mrs. Mary Schneider, warder; Mrs. Fred Busch, sentinel.

Home chapter's regular meetings are held on the first Tuesday of the month.

There were about thirty of the friends and neighbors of Mr. and Mrs. J. R. C. Gregory, residing near Cedar Creek assembled at their home last Friday evening for a real good time and from the accounts of the gathering it was all that the guests had anticipated.

The ladies of the party had come provided with ice cream and other dainties which, with the loads of luscious strawberries that the Gregory family have at their home made a feast fit for a king. One of the guests, Dan Terryberry, it is stated remarked that if he was sick the next day from overeating "no one would find it out."

The evening was spent in games and music of all kinds that entertained the party until a late hour, when they all returned home feeling that it had been an event that they would long remember.
