A CHARMING WEDDING AT NEHAWKA

Miss Ethel Rough United in Marriage to Harold John Dane of Janesville, Wis., Today.

This afternoon at 1:30 at the beautiful home of Mr. and Mrs. J. S. Rough at Nehawka, occurred the marriage of their eldest daughter, Miss Ethel to Mr. Harold John Dane, of Janesville, Wisconsin.

The wedding ceremony occurred on the large and handsomely arranged porch of the home, which for the occasion was transformed into a bower of floral beauty and made a charming scene as the young people were united in the ties of love to last until the end of time. The wedding occurred in front of the bridal bower of roses and greens and the service was celebrated by the Rev. E. C. Moore, pastor of the Methodist church at Nehawka, the impressive ring ceremony being used. The bridal couple were unattended.

The costume of the bride was of beautiful gray silk, being the wedding gown of the mother of the bride and was trimmed in lace. The bride carried a shower bouquet of Bride's roses.

Following the wedding ceremony the guests were served with very dainty refreshments and the happy young people showered with the well wishes of their host of friends.

The guests present at the wedding were Miss Gladys Dane, Miss Margaret Dane, sisters of the groom, of St. Paul, Minnesota; Mrs. B. J. Hull, Omaha; Mr. and Mrs. Guy Lake, of Wabash; Mr. and Mrs. John Boneman and family; Weeping Water; Miss Agnes Rough, Mr. and Mrs. Arthur Rough, Weeping Water; Mr. and Mrs. R. Deles Dernaier, Elmwood; Mr. and Mrs. Leonard Benson, sister of the bride, Oakland, Nebraska; B. Wolph and family; Mrs. Malcolm Pollard and family; Mrs. Charles Bates and family and Mr. B. W. Bates.

The bride is the eldest daughter of Mr. and Mrs. John Stewart Rough and was born and reared to womanhood in the community where her life's happiness was consummated this afternoon and during her years of life there has won many friends by her charming character and disposition. Mrs. Dane graduated from the Nehawka schools and later attended the University of Nebraska. For the past term she has been a teacher in the public schools at Whitewater, Wisconsin, and will complete the summer course there before taking up her duties as head of the new home.

The groom is a graduate of the University of Minnesota, and at the outbreak of the world war was cashier of a bank at St. Paul, but laid aside his civilian duties to enter the army as a first lieutenant and served for the duration of the emergency, being discharged at the close of the war as captain. During the past year he has been associated with the Brick & Tile Company, at Whitewater, Wisconsin, but is now manager of the yards of the Brittingham & Hixon Lumber Co., of Janesville, Wisconsin. The groom is the eldest son of George R. Dane, who has charge of the R. G. Dunn offices of the northwest.

WEEPING WATER IS WINNER OF GAME

Picked Up Team From This City Loses Fast Contest by Score of 5 to 3 at Weeping Water Yesterday

Yesterday afternoon a number of the base ball players of this city journeyed over to our neighboring city of Weeping Water to take on the team there and as a result of the encounter the Weeping Water aggregation were the winners by the score of 5 to 3 in a fast and exciting game. The team here had prepared to take on the regular Eagle team and the line up was a strong one so the spectators from this city report.

The visitors had, as their thrower, Buckmaster of Ashland, who nicked sixteen of the Platts players on strikeouts while the receiving was done by Martin, one of the old time ball players of the county.

For the Platts team Joe McCarthy did the tossing and played a good game throughout and left nine of the Weeping Water hitters to die on the bases while Plattsmouth lost two left on the sacks.

Burke at the first station for the Plattsmouth team is reported to have played a fast game as did Harmon, shortstop of the Weeping Water team.

The crowd was very large at the game, all of the business houses being closed and the greatest enthusiasm shown by the residents of the city in the success of their team.

Summer Gingham

It's a long time since anyone could buy Gingham as reasonable as they are offered in this selling. Beautiful pin check patterns; larger check designs that make such smart coat dresses, and any number of chic plaids and stripes make up this collection.

Though this selling embraces three different groups, every yard of material offered is of fine, even texture—a big value for the money asked.

VANDALS RAID LOTS AT THE CEMETERY

Flowers and Plants Placed There by Relatives and Friend Are Carried Away by Parties Unknown.

Some person or persons are reported to have visited Oak Hill cemetery a few evenings ago and carried away whole armloads of flowers and plants which had been planted on the lots and graves in that city of the silent by the friends and relatives of those who are buried there. The matter was reported to Councilman John C. Brittain, chairman of the cemetery committee of the council and he at once started the machinery of the law in motion to attempt to discover the identity of the parties who would stoop to such a low and debasing act and if they are discovered they will be prosecuted to the fullest extent of the law and an example made of them by the city authorities.

There is no crime that is quite as mean as this act of taking from the last resting places of the dead the flowers that loving hands have planted there with care that their fresh beauty might make more attractive the spot where the loved ones sleep and anyone who would thus boldly enter the cemetery and carry away the plants and flowers is not deserving of very much sympathy.

The motive that would cause the committing of an act of this kind is hard to find as the plants are of no great financial value to anyone and could easily be secured by anyone without the necessity of robbing the lots of the cemetery of their floral adornments.

LOUISVILLE

Courier

The Plattsmouth and Louisville kid ball teams, mixed on the Louisville diamond Sunday and the Louisville boys gave the visitors a real drubbing, the score at the close of the game being 14 to 7 in favor of the Louisville boys.

M. D. Ruby, who has been seriously ill at the Nicholas Senn hospital in Omaha was brought home the latter part of last week and is now at the home of his foster daughter, Mrs. William Ossenkop and is slowly recovering.

Mrs. C. W. Merriam, who recently was seriously ill, but is recovering slowly, was taken to the Clarkson hospital at Omaha Tuesday for treatment and diagnosis of her case, which has been somewhat baffling to her local physician, who advised that she have x-ray photographs taken to determine the cause of her ailment.

County Commissioners Harris and Farley and County Surveyor Patterson were here last Friday establishing lines for the state road from Plattsmouth to Louisville. They experienced a great deal of trouble in locating corner stones east of town. Work is being pushed on this road and the graders are making good progress on the east end of the road.

Mr. and Mrs. Jared Core arrived from their home in the province of Alberta, Canada, last week to attend the funeral of Mrs. Core's mother, Mrs. Nancy McNurlin, which was held last Saturday at Nehawka. Mr. and Mrs. Core formerly lived in Eight Mile Grove precinct and moved from here to Cedar county, later taking up a homestead in Canada. Mrs. Core was Miss Olive McNurlin before her marriage. Mr. Core is a brother of Mrs. Mary Ann Tennant and of Clark Core, of Louisville. They remained for a short visit with relatives before returning to their home in the north.

LEAVE FOR THE M. W. A. CAMP

Head Consul and Supreme Organizer Go to St. Louis—Nebraska to Send Seven Teams.

A. R. Talbut, head consul of the Modern Woodmen of America, and Ralph E. Johnson, supreme organizer, left Thursday evening for the meeting of the M. W. A. camp at the association and the nineteenth head camp to be held in St. Louis, June 18 to 25 inclusive. Bert Oakman, who has been in Lincoln for the past month conducting special drives for new members, together with E. E. Keefer, state deputy head consul, will leave for St. Louis Friday. W. E. Jackson, W. E. Clark and C. R. Hasskari, members of the head consul's office force will leave for the head camp Saturday. Brigadier-General A. C. Herrick, who will have charge of the inspection department of the foresters, accompanied by an adjutant T. Lum, of the first brigade staff will leave at the same time.

The head camp of the M. W. A. which meets every four years, is composed of the head officers and delegates elected from camps within the society's jurisdiction, such delegates and officers numbering about five hundred. This year's encampment will be at Forest park, St. Louis. Each camp in the jurisdiction which cares to send a team and pay its expenses is allowed to do so. The teams are formed and it is estimated that between four and five thousand foresters will attend. The camp is held under canvas and under military rule, and has its own quartermaster and medical departments. Individual, battalion and brigade drills are held and prizes are awarded to the winning teams and members. General camp inspection is held every morning and the camp teams having the best appearing streets are also awarded prizes. For the past sixteen years the street of the Nebraska teams has always carried away the honors in this particular part of the camp life. Great interest is taken in this camp and this is evidenced by the fact that the state of Washington is sending two teams to the encampment. Nebraska will be represented by seven teams, three from Lincoln, three from Omaha and one from Fremont. There will be twenty men in each of the Lincoln teams.
