THE PASSING OF A FINE YOUNG MAN

Death of Edward Egenberger Brings Much Regret Over City—Funeral Friday Afternoon at 1:30 From Wednesday's Daily.

The death of Edward E. Egenberger which occurred yesterday afternoon brought to his host of friends and acquaintances a deep regret and the friendships that had lasted for the lifetime of Mr. Egenberger, were rudely severed by the death messenger.

Edward Egenberger was a son of Mr. and Mrs. J. V. Egenberger and was born in Plattsmouth, Neb., August 8, 1877, and has spent his lifetime here being educated in the public schools of this city. He was in his earlier years engaged in working as clerk in the mercantile establishments of the city and later entered in business for himself and at the time of his death was so engaged.

Mr. Egenberger was on March 3, 1913, married in this city to Miss Mrs. C. L. Martin, and to this union the federal builder they found Charles Allen, the United States court bailiff, and induced him to open the federal court room in order to see what it looked like from the inside.

The funeral services will be held at 1:30 Friday afternoon from the St. Luke's Episcopal church, conducted by Father W. S. Leete. The friends who desire to take a last farewell may do so by calling at the home from 10 to 12 Friday morning.

THANKS CITIZENS

The occasion of the splendid success of the Eagles convention was the result of the thorough co-operation and assistance of the citizens of the community and in behalf of the Plattsmouth Aeris F. O. E., the city council and the business men of the community is expressed.

Personally, I desire to express to the business men and citizens my deepest appreciation of their kindly feeling and cordial good will in assisting in every way possible my election to the highest office in the gift of the state F. O. E. Their kindness will always be pleasantly remembered.

W. M. BARCLAY, State Worthy President, F. O. E.

OPEN SEASON FOR LAWYERS AT HAND

Twenty-Two Are Granted Applications to Practice in Federal Courts of Nebraska.

This is the open season for newly edged lawyers in Nebraska. Col. J. H. McClay, clerk of the United States district court Tuesday morning granted applications to twenty-two new attorneys to practice in the federal courts of the state. Most of the graduates were from Omaha. It costs one dollar to file an application. It is good until a United States judge admits the holders to practice in the courts. One federal judge in Europe and the other was unable to come to Lincoln to admit the recent graduates of law colleges. Creighton university and the Omaha university furnished most of the applicants Tuesday. Colonel McClay says that they come now from all parts of the state, particularly within the jurisdiction of the Lincoln division.

LEGION LOSES TO WOMEN'S CLUB

Fourth of July Week Will Not Be Celebrated According to Men's Ideas.

Hastings, Neb., June 21.—In a clash between a committee from the Hastings women's club and a committee from the American legion post, the city council and Mayor Moyer sided with the women and as a result the Hastings Fourth of July celebration will be minus carnival features. Russell Rohrer and John Lawlor, spokesmen for the legion, spoke in behalf of the legion's petition to the city council to allow a carnival here for the week July 4-9.

Mrs. A. H. Brooks, who has led the war against carnivals here for years and is chairman of the committee from the women's club in charge of the club's program for the Fourth, declared that if a carnival were held in the celebration the women's club would drop their plans and have nothing to do with the celebration.

Mrs. C. H. Dierlich and Mrs. E. C. Babcock also spoke against the carnival and the discussion grew heated. The council finally granted the legion's petition but made the date July 5-9. This change, the legion's representatives said, nullified the carnival proposition.

WON NINE STRAIGHT BUT LOSE YESTERDAY

Omaha Team Meets Defeat at Hands of Wichita—To Meet Sioux City Team Tomorrow.

Frank Isabel's Wichita "witches" halted Omaha yesterday in the latter's rapid climb toward top position in the Western league, when they defeated the Buffaloes by a score of 7 to 4. Prior to yesterday's game, Omaha had won nine straight and clung from a position near the end of the percentage column to within one point of Sioux City, which continues to hold second place. Owner Burch was in the box at the start of the game, but gave way to Glazier. The Omaha team's great handicap now is due to a lack of pitchers, and if they are able to fill this need, no reason exists why the old flag should not be unfurled at Rourke park next spring. Wichita winds up its stay in the metropolis today. Sioux City comes tomorrow for three games and St. Joseph opens a three day engagement there Sunday. After that the Burchrods take to the road, until July 22nd, with the exception of three days—July 5, 6, 7—when they play Des Moines at Omaha.

OFF FOR BOLIVIA ON NEW VENTURE

Mr. and Mrs. C. Dunbar Smith to Establish Colony in South America.

The biggest colonization proposition to be launched for years, under the personal guidance of Mr. and Mrs. C. Dunbar Smith of Otoe county, will take them in a short time to central Bolivia, South America, at the foot of the eastern slopes of the Andes mountains. Their four sons will accompany them. Regardless of nationality, colonists will be welcomed at once to the new grant, which consists of 17,000 square miles of land—an area twice the size of the larger New England states of Massachusetts and Connecticut. It has been estimated that an agricultural population of 250,000 persons be supported on the grant. One thousand families are to be established on the land the second year

and during the following half decade it is hoped that more than ten thousand people will make their home in the new colony.

No colonists will be accepted unless he shows a natural aptitude or thorough training in farming and its branches, and displays a true sportsmanship, manhood and knowledge of the essentials of right living. This will make the colony a sturdy one, composed of responsible and experienced American. It is thought.

It is said that the climate of central Bolivia resembles that of southern California. Grain of all kinds, cotton, cane sugar, grapes and other fruits, cattle and stock, including dairying, are only a few returns from the easily cultivated prairie lands, according to Mr. Smith. Rubber is one of the chief natural products of the country. Silver and other minerals are found nearby.

Mrs. Smith, with her four sons, are now at Dunbar before she sails for Bolivia. She is a daughter of J. Wilken Eden and spent her early life in Talmage. Mr. Smith is a grandson of the founder of the town of that name—John Dunbar.—Nebraska City News.
