PREPARED EXCLUSIVELY FOR THE JOURNAL.

## Strictly High Class Legitimate Banking!

This is the policy you will find among all the conservative, reliable city banks, and is also true of the high class banks of the smaller towns and villages, where such banks really have the interests of their friends and customers at heart.

It has always been the policy of the Bank of Murdock to conduct a first class high grade legitimate bank, and to confine its business strictly to commercial banking, never permitting its name, or allowing its officers to assist in the selling of any Stocks or Life Insurance, or like schemes.

We use our influence on our friends only where it may be of benefit to themselves and our community.

The large commissions paid for assisting in selling Stocks or Life Insurance do not tempt us to work a hardship on our friends, at their expense, just in order that we might make a bunch of "SIDE MONEY." We strive for the regular, legitimate, conservative, honest banking business, paying a decent rate of interest on time deposits, and loaning money to local farmers and business men at reasonable rates of interest.

We congratulate ourselves on having built up a REAL BANK with over FOUR HUNDRED AND FIFTY SATISFIED CUSTOMERS.

If a dependable, conservative, "Live and let Live" strictly banking institution appeals to you, and you are not already a customer of ours, we earnestly invite you to join the BANK OF MURDOCK family, and you will rest assured that we will take care of all your reasonable demands, and you will not find us trying to sell you something you don't want, against your better judgment.

## The Bank of Murdock

Murdock, Nebraska

"The Bank where You Feel at Home"

HENRY A. TOOL, President J. E. GUTHMANN, Vice-Pres.  
H. A. GUTHMANN, Cashier

John Miller was looking after some business matters in Lincoln last Thursday.

Edward Kelly was in attendance at the boxing match at Omaha last Monday evening.

J. E. McHugh, E. W. Thimman and H. W. Tool were over to Meadow on a fishing trip last Thursday evening.

Miss Mary Insh was a visitor in Lincoln for a few days last week, being the guest at the home of her sister, Mrs. Eldo Miller.

Miss Mildred Sorick of Lincoln, is visiting at the home of Mr. and Mrs. H. H. Lawton of Murdock, she being a sister of Mrs. Lawson.

Carl Schneider, who has been attending school in the east for some

time, arrived home a few days ago for the summer vacation.

Emil Stutnerger and son Harry, of South Bend, and J. C. Clifton and little daughter were visiting in Murdock last Thursday evening.

Richard Tool departed today for Burlington, Colo., where his father is interested in some land, and where he will visit and work for some time.

Wm. McNamara and wife, who have been visiting at the home of W. O. Gillespie for the past week departed for their home at Fairmont the first of last week.

J. Johansen, the market man, and Jess Landholm, the auto man, were looking after business in their respective lines in Lincoln last Thursday

making the trip in the truck of Mr. Johansen.

W. H. Rush was in Lincoln last Thursday, where he has some additional work on the eye which he had removed a few weeks ago. The wound made by the removal is now getting along nicely.

The R. N. A. which held their annual picnic at the school grounds last Saturday, June 18th, were rewarded by a large number of persons present and who enjoyed the occasion to the fullest extent.

About one of the busiest men we saw in Murdock at the last trip was Wm. Gehrts, the implement man. The harvest has particularly made him and Charles Schaefer rustle, and the harvest is going along nicely.

Mrs. Homer Hess and little son Edgar of Bern, Kansas, have been visiting in Murdock last week as the guests at the home of Mrs. Hess's parents, Mr. and Mrs. Chester Moomery and were visiting with many other friends.

Mr. and Mrs. Harry Craig, who are making their home near Valentine at this time, were callers on friends at Murdock last week, being called to Ashland on account of the death of the mother of Harry, who

The church on which Max Dusterhoff is working is beginning to look something like it, but the work has not gotten far enough along to show the beauty of the work in the way it should be, but during this week it is expected that it will take on a different appearance.

Some fans who accompanied the Murdock team to Union last week to witness the ball game say that the cause of the loss of the game was muchly due to the losing of the ball in the tall foliage which grows adjacent to the diamond on which they played.

Mr. and Mrs. Israel Isrealson and their two children, Miss Solvi and Bob, who have been visiting in Murdock for some time past as the guests of Mr. and Mrs. Jess Landholm, departed last Monday for their home in Omaha, after having enjoyed a very pleasant visit here.

Fred Zink, while adjusting his cultivator which he was using a few days ago, had the misfortune to have the plow beam slip, which caused the handle of the plow to take an upward motion, striking him in the side with the effect that one of his ribs was fractured. This has been very painful and has kept him from his work, but he reports that he is on the mend at this time.

Edward Dorr Able to Be Up.

Edward Dorr, who suffered a stroke of paralysis some ten days ago, is reported as being much improved and was able to be up and about last week, with prospects of further improvement. The many friends of this estimable gentleman, are hoping that he will soon be able to be out again, and with his customary health.

Makes Purchase of Car.

Diller Utt, the mechanic with the Landholm Auto company, has purchased a Mitchell car from the company and as a trial as to what it would do, made a trip to Omaha last Thursday, taking his parents and family.

Picnic at Callihan Church.

The three churches known as the Murdock church, Louisville and Callihan churches, held a joint childrens day program and picnic at the church at Callihan last Wednesday, which was attended by a large number of people, the heads of families being in evidence as well as the younger ones, but not in as large numbers. During the morning a program was given which included readings, recitations, and songs which were greatly appreciated by all. In the afternoon a ball game was arranged between the married and single men, in which the latter received fourteen scores, while the Benedicts only were able to secure one. In the evening the children played games and in all the day was one of much pleasure.

O. E. S. Holds Lawn Meeting

The Order of Eastern Star, whose meeting place is at Elmwood, held a lawn picnic at the beautiful home of Dr. Douglas of Elmwood last Friday at which a large number of people from Murdock were in attendance. Those to go from here, to the entertainment were Messrs. and Mesdames, A. J. Tool and daughter and son, A. J. Pothast, H. W. Tool, H. A. Tool, Harry Gillespie, Mr. and Mrs. A. R. Hornbeck, Mrs. H. V. McDonald and daughter, Miss Irene. Mr. and Mrs. A. J. Tool and daughter, Margaret, furnished the musical numbers at the occasion which were greatly appreciated by the large crowd who were in attendance.

Kensington Will Meet.

The R. N. A. Kensington will meet at the home of Mr. and Mrs. O. E. McDonald. Mrs. McDonald and Mrs. Robert Troop will act as hostesses and a most enjoyable time is expected.

To Occupy New Location.

Henry Rhelder, who has been conducting the cream station near the Bank of Murdock for some time past, is moving his place of business to the Farmers Union building, where he will continue to conduct a cream and produce station and will have a line of soft drinks and ice cream as well.

Robbery Still Mystery.

The robbery which was committed when the store of G. Baur was rifled a week ago, still remains a mystery. The amount of goods which was secured was about \$250.

Enjoyed Family Picnic.

Last Sunday W. F. Moore and family, Art Hanson and family, Mrs. My-

ra McDonald of Murray, the latter being the mother of O. E. McDonald of Murdock. Mr. James O'Neil and family and Robert O'Neil and family of Council Bluffs, were the guests at the home of Mr. and Mrs. O. E. McDonald for the day last Sunday, and all enjoyed the occasion greatly.

Visited at Deaver Crossing

J. H. Buck and family of Murdock, his parents, W. A. Buck and wife of Greenwood, E. E. Buck and family of Ashland, were guests at the home of Mrs. R. W. Stall of Deaver Crossing last Sunday, they all making the trip in their autos, enjoying the day very much and returning home in the evening.

This is not only June, the most pleasant month in the year, but it is also fly time. Flies for horses are very cheap, compared to last year's prices. A. J. Tool, the harness man, carries a good assortment.

Wins Two Races.

The Rev. A. H. Schwab, former pastor of the church at Murdock, with his daughters, were in attendance at the picnic given at the Callihan church last Wednesday, and the Rev. Schwab was successful in winning two of the races and received for prizes a gold trimmed belt for the first and a pocket book for the second. The latter should have been well filled before presented.

Why That Headache

When you know the cause of a disease a cure may often be effected. This is particularly true of headache. Headache often results from constipation or a disordered condition of the stomach, which may be corrected by taking a dose or two of Chamberlain's Tablets. Try it. These tablets are easy to take and mild and gentle in effect.

SOLD 80 ACRE FARM FOR \$315 PER ACRE

A deal has just been completed whereby Richard Deles Derner has sold his 80 acre farm two miles east and one and a half miles south of Elmwood to Jim Tigner of near Murray, Nebraska, the consideration price being \$315,000 per acre or \$25,200. This would not seem to indicate that the price of good Cass county land is coming down very much at present. The deal was made by George Sterner of this place and he says that he has several other exceptionally good farms for sale. Dick has not said what he is intending to do, but we surmise that the family will move to Lincoln.—Elmwood Leader-Echo.

Now is the Time to Get Rid of Your Rheumatism

If you are troubled with chronic or muscular rheumatism buy a bottle of Chamberlain's Liniment and massage the affected parts twice a day with it. You are certain to be very much benefited by it if not actually cured. Try it.

Autos For Sale.

One Berg and one Metz auto for sale cheap, or will trade. What have you to offer. Also one spring "Pump" wagon. James P. Latta Murray phone. 4w.

An extensive line of high class stationery on hand at all times at the Journal office.

AMERICAN LEGION DANCE

The dance Wednesday evening at the K. S. park will be one of the pleasant events of the season and will be given by the American Legion. The park is cool and pleasant and the platform is excellent and a good time is assured to all.

## P. E. O. SOCIETY HAS PICNIC PARTY

Members of Chapter F of This City Motor to Camp Brewster and Spent the Day.

Yesterday the members of Chapter F, P. E. O. of this city enjoyed a most delightful picnic party and outing at the beautiful summer camp, Camp Brewster, near Omaha. This camp is an ideal location for a gathering of this kind, situated as it is on the commanding hills south of the metropolis and having a wonderful view of the great Missouri valley and arranged with all the comforts that add to the charm of outdoor life at this season of the year.

The ladies were conveyed to the camp by auto, the cars of T. H. Pollock, H. F. Goos, Rev. H. G. McClusky, J. W. Crabill, W. J. Stireight and J. E. Wiles, being used to convey the party of thirty ladies to the pleasant site of the picnic party.

On reaching Camp Brewster the ladies were escorted to the charming natural breakfast room located in one of the pleasant dells near the river bank and where they found a delicious breakfast repast of bacon, eggs, potatoes, sandwiches, cantaloupe and coffee awaiting them and to which they did ample justice.

The business session was held at the breakfast room and the reports from the state convention given by the new delegates, Mrs. Frank B. Shopp and Mrs. George O. Dovey, who had been in attendance at the state convention at Lexington and were of the greatest interest to the members of the party.

The ladies had their session interrupted with to some extent by the sudden rain furies but hastened to the headquarters building where they spent the remainder of the time on the pleasant rustic porches in visiting and discussing the plans of the society.

On their return home the ladies joined in expressing the feeling that it had been truly a very pleasant event and that Camp Brewster was certainly an ideal place for a gathering of this kind.

## NEBRASKA WHEAT HARVEST NOW ON

Considerable Black Rust Found in Late Turkey Red in That Vicinity.

Clay Center, Neb., June 24.—Wheat harvesting began in Clay county Saturday, June 18th. By the middle of the week the harvest was in full swing in all parts of the county. The straw is short and thin but the heads are well filled and a good quality of grain is expected. The yields are being guessed from five to thirty bushels per acre with an average for the county from 10 to 16 bushels.

The county agents with the help of Messrs. Harry Gould, and D. L. Gross finished inspecting 200 fields of Kanred wheat, Nebraska 21 white Kherron oats, Rosen Rye, and Minnesota 184 Barley, Wednesday evening. A report of what these agronomists found will be published by the county farm bureau soon.

Considerable black stem rust has been found in the late Turkey red wheat. But very little leaf rust and practically no stem rust was found in the fields of the Kanred wheat. Clay county farmers shipped in several loads of this new rust resisting wheat last year and with what was grown in 1920, now have 11,000 acres of Kanred wheat that is expected to out yield the Turkey Red from five to six bushels per acre.

Farmers are beginning to call for harvest hands although the labor demands are not equal to the usual number. Each of the principal towns of the county will be able to absorb from eight to ten men each day during the next week.

Friend, Neb., June 24.—The farmers in this part of Saline county are in the midst of their wheat harvest. The wheat is excellent, the straw being a bright golden yellow and stands as straight as a plumb line. The heads are a good size and the kernel is plumb. We have witnessed the cutting on several farms where two binders are being drawn by a tractor. Just northwest of town one mile is a field of wheat containing 320 acres and it is as pretty a sight as one ever saw. With favorable weather the harvest will be over in this county by the end of the week.

Ord, Neb., June 24.—A recent survey of the county shows that the crops in this part of the Loup Valley are in good shape. The wheat will be ready to cut in just a few days and most of the corn will be laid by in the first part of July. It seems that with no unlooked for weather conditions, this year's crop will be a bumper one.

Beatrice, Neb., June 24.—Gage county's threshing season is now under way the first job being reported at the Jerry Mangus farm, northeast of Beatrice. The wheat from a ten acre tract threshed yesterday yielded an average of twelve bushels per acre. The grain was of good quality and it is expected to test sixty pounds. Mr. Mangus delivered his grain to a Beatrice elevator receiving \$1.19 per bushel. County agent Bord Rist is of the opinion that some of the wheat over the county will go as high as thirty bushels per acre, one field in particular being on the Merrick farm near Adams.

FANCY CALIFORNIA APRICOTS
