

Nehawka Department!

Prepared in the interests of the People of Nehawka and Surrounding Vicinity Especially for the Journal Readers.

The Nehawka Mills purchased a load of the wheat of Mr. Sturm, and will be in the market for more as soon as it is well through the sweat.

Mrs. A. F. Sturm who is at a health resort at Fairbury, having been taking treatment there for some time is reported as making very satisfactory progress towards health.

Mrs. Lucile Davis who was at the hospital at Omaha last week, where she was taking a clinic and treatment, returned home last Wednesday but is not feeling the best, though some better.

Eugene Hicks was a visitor in Plattsburgh last Saturday, having been sent out on an inquiry as to why the electric juice had been withheld, and did not find out the difficulty until he had gotten as far as Plattsburgh.

A safe place for your money a satisfactory place to do business, the Nehawka bank.

Frank McConnell has been selected as new pitcher for the Nehawka team and as Frank is one of the best of pitchers will no doubt make good in this capacity.

The foundation which is being placed in position for the new residence which Mr. and Mrs. A. F. Sturm are building has been completed and is now ready for the superstructure which is immediately to follow.

Nels Anderson is having a new porch placed on his residence in the south portion of Nehawka, and will have the same screened in to make it more pleasant in the summer. Mr. Henry M. Pollard is doing the work which is an assurance it will be the best.

A few dollars per week deposited in the Nehawka Bank will count in the year.

Better have a nest egg for a rainy day. Start an account in the Nehawka Bank.

Mrs. C. A. Rosencrans and little Billie have been visiting at the home of J. G. Wunderlich during the past week.

Wm. Hicke will dig wells for the Engelkemeier school, for Julius Engelkemeier and for Jack Palpot, in the future.

The home of Mr. John T. Dale which is being changed by Mr. Henry M. Pollard will be completed this week.

Mr. Henry Pollard is doing the work, and his crew of skilled artisans at work, and are getting the changes made rapidly.

Miss Gladys Rhoden has been assisting in the work at the Frans Cafe-restaurant and is making a very valuable assistant in the institution.

Mrs. Belle Frans was a visitor here and was looking after the business at the Frans restaurant a portion of last week while Mr. and Mrs. Frans were away.

Miss Edith Frans who has just returned to her work after a vacation, and Miss Verna Harris were both home at Union for their Fourth and also for the week end.

Wm. Eastwick and John Lawrence will engage in the well sinking business they having just purchased an equipment for sinking wells through the firm of Switzer brothers.

Do not let any panic catch you when you find you have a right to have money when times come hard, an account in the Nehawka Bank will enable you to do this.

Miss Belle Bouek the accomplished and efficient sales lady at the Sheldon Department Store was spending the Sunday and Fourth at the home of her parents, at Palmyra, making the trip via rail.

The work which is being done at the home of F. C. Schumaker, in the change which is being wrought to make the home modern is going on rapidly and will add much to the comfort and convenience of the home.

Much rain in the county, and especially did the vicinity of Avoca get it, it is claimed that two and a half inches fell at that place during Friday afternoon, and then all night rain making a large volume.

Mr. Truman Tessor and Miss Florence Wessel, were visiting at the home of the parents of Mr. Tessor, last Sunday and the fourth driving over to the home of Mr. Tessor's parents at Riverton, Iowa, last Sunday and returning Monday evening.

Mr. P. P. Sheldon and daughter Mrs. Tucker were visiting and looking after some business in Omaha last Friday driving up in their car. They visited with Mrs. Sheldon who is taking treatment for a short time in Omaha.

One of the best home institutions in the Nehawka bank, ever ready to look after the best interests of any citizen of Nehawka. This bank feels like when they have done something which has made money for a Nehawka person, they have served the best interests of the city.

FRANK P. SHELDON,

NEHAWKA -- NEBRASKA

Do you know why it's toasted?
To seal in the delicious Burley flavor.
It's toasted.

Clarence Tripper was spending the Fourth at home near Douglas.

Charles Schwab and son Frank were looking after some business matters in Plattsburgh last Friday.

Shirley Hodge is spending the summer at the home of some cousins on the Swell ranch near Grandby.

James Hildebrand and family were spending the Fourth at the home of friends near Pacific Junction Iowa.

Henry E. Kropp, is reported as getting along nicely now, which is very good news to his friends here and throughout the county.

Earl Webb was looking after some business matters at Omaha last Saturday afternoon making the trip via the Missouri Pacific.

The Switzer brothers have just been installing a system of water service at the Sheldon brothers stock farm, a self regulating box waterer.

Lester Wunderlich and D. C. West were looking after some business matters at the county seat last Saturday afternoon making the trip in their auto.

There is happiness at the home of Mr. and Mrs. Joseph Chappel, on account of the arrival of a little girl at their home, and the daughter has awakened a very tender feeling on account of her arrival.

Vilas Sheldon has been waiting patiently for some time until the new Cadillac, which Grover Hoback was going to draw on the Bee contest, so he could ride to Omaha with his worthy postmaster, but he says now that he thinks he will have to take his own car, and take the postmaster instead.

Will Make Home in Missouri
Horace Griffin, who has been making his home in Nehawka for some past and who conducted a restaurant here for a time, last week with the family departed for Fairbury, Mo., his native place, where he will be settling in Nebraska, and will remain there for the present and will probably make their home there.

Some Threshing Returns
Last week just before the rain of Friday and Friday night, the threshing had been commenced, and the returns thus far show very good yields for all who threshed. R. B. Stone, whose wheat tested 62 pounds, to the struck bushel, also went about 22 bushels per acre. Henry Sturm who also threshed had a return of about twenty bushels.

Make Two Big Shipments
Lee Sheldon Manufacturing Company, last Saturday made two big shipments of their concrete mixers, in which they sent a half car load each to Omaha and St. Louis. The have established a new innovation in the working force giving them a half holiday Saturday.

Killed the Mites Anyway
Frank Sheldon was troubled with some swallows who made their nest in the vines which so beautifully draped his porch, and concluded he would rid himself of the mites which the swallows fostered, and had some one give them the once over with stock dip and when he had to have the porch painted.

Boosters Have Social
The Boosters Club of Nehawka, were gathered in a pleasant social at the home of B. Wolph, last Saturday evening and they all enjoyed the occasion very much.

An Excellent Milk Cow
I have for sale one pure bred 2 year old, registered Jersey cow, first calf fresh two weeks. Not a better cow in Cass county. If you want a cow you can do no better.
JULIUS RUEUMAN,
Nehawka, Neb.

HERE FROM COZAD
Carl Breuer, residing near Cozad, Neb., arrived in Plattsburgh last Thursday evening for an over night visit at the home of Mr. and Mrs. Hunter, the parents of Mrs. Breuer. Carl came down to Omaha with a car stack and took advantage of the opportunity for a brief visit at the Hunter home. He was also a pleasant caller at the Journal office Friday morning. He reports everything in his part of the country as looking fine, and Mrs. Breuer, who is a Plattsburgh girl, in the best of health.

MURRAY AID SOCIETY
The Ladies Aid society of the Christian church at Murray will be entertained at the home of Mrs. Georgia Creamer on Wednesday, July 6th. Hostesses will be Mrs. Creamer and Mrs. Walter Sans, and leader, Mrs. Frank Read.

ELMWOOD Leader-Echo

Miss Edna Gehlerking returned on Sunday from Taylor, Nebraska, where she had spent two weeks visiting her parents, Mr. and Mrs. George Gehlerking, who had returned to Lincoln to bring her home.

George Bogenrief finished cutting his 100 acres of wheat last Saturday noon. His mother and daughter, Fern, were out from town a couple of days helping with the house work while George and the three boys finished cutting the grain which is in pretty good shape.

The watermelon season is on and everyone who likes the luscious melon is endeavoring to get his fill. Gus Flanke received four large melons on Tuesday that weighed 125 pounds, and they were just as good as they looked. Fine, red, delicious and appetizing. Many melons are coming in now and most of the melons this season are good.

On Tuesday the report came that over north of us several farmers lost valuable horses due to overheat. Fred Zink lost a valuable horse. Frank Rosenow lost a five-year-old horse valued at something over \$200. The horse Frank was using, it is said belonged to Albert Thiel. It is reported a number quit the field at times because it was hard on their horses.

The friends of Sterling Rhoden were glad to see him in town on Tuesday morning. He had just gotten out of the hospital, where he has suffered severely from blood poisoning as a result of running a rusty nail in his foot. Sterling shows the effects of this strain, but nevertheless he is improving and while it will be some time before he can use his foot, he is feeling cheerful. Two of his toes and a portion of the bone of his foot had to be taken out.

TO VISIT OLD HOME

Last evening Harry S. Barthold departed for Pennsylvania, where he will spend his two weeks' vacation among the scenes of his early days and with his brothers who still reside in that locality. Mr. Barthold has three brothers living in that state, Charles and Louis at the old home in Lancaster and Adolph, residing in Reading, and the occasion of the visit is one that has been looked forward to with the greatest of pleasure by all of the brothers, as it has been five years since Mr. Barthold was back in the old home.

DISTRICT COURT DOINGS

The hearing in the Dovey estate matter which was no trial yesterday before Judge Begley was continued until the session of the court in September.

This morning the case of the C. B. & Q. railroad company vs Ira Stull was on trial in which the plaintiff asked that the defendant be enjoined from trespassing on the land claimed by the plaintiff company.

A WELCOME VISITOR

Our old friend Chris Shoemaker, from Weeping Water, was a brief visitor at the Journal office last Saturday evening, where he is always welcome and we are mighty glad to meet him. He drove up from his home, and was accompanied by Mrs. Shoemaker, his daughter and son-in-law, Mr. and Mrs. John Wiles.

DEMAND FOR TANLAC BREAKS ALL RECORDS

Amazing Success Achieved by Celebrated Medicine Not Only Phenomenal, But Unprecedented—Over 20,000,000 Bottles Sold in Six Years—Foreign Countries Clamor for It.

Never before, perhaps, in the history of the drug trade, has the demand for a proprietary medicine ever approached the wonderful record that is now being made by Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout this country and Canada. As a matter of fact, the marvelous success achieved by this medicine is not only phenomenal, but unprecedented.

The first bottle of Tanlac to reach the public was sold just a little over six years ago. Its success was immediate and people everywhere were quick to recognize it as a medicine of extraordinary merit. Since that time there have been sold throughout this country and Canada something over Twenty Million (20,000,000) bottles, establishing a record which has probably never been equaled in the history of the drug trade in America.

Fame is International
The instant and phenomenal success which Tanlac won when it was first introduced has been extended to practically every large city, small town, village and hamlet in North America. Its fame has become international in its scope and England, Japan, Mexico, Cuba, Hawaii, Alaska, Porto Rico and many European countries are clamoring for it.

From coast to coast and from the Great Lakes, Tanlac is known and honored. Millions have taken it with

the most gratifying and astonishing results and have pronounced it the greatest medicine of all time. Tens of thousands of men and women of all ages in all walks of life, afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse, have testified that they have been fully restored to their normal weight, health and strength by its use.

Restored to Health
Still others, who seemed fairly well yet who suffered with indigestion, headaches, shortness of breath, dizzy spells, sour, gassy stomachs, coated tongues, fullness of breath, constipation, bad complexion, loss of appetite, sleeplessness at night and of terribly depressed, depressed feelings, state that they have been entirely relieved of these distressing symptoms and restored to health and happiness by the use of Tanlac.

Call us when you want

One Way to get Big Mileage Regularly

The importance of gasoline with a complete chain of boiling point fractions

You wouldn't expect to light a green stick with a match. Yet some gasolines are like green sticks. They neither ignite quickly nor burn up completely—because they lack sufficient low boiling-point fractions for kindling, and have too great a proportion of slow-burning elements.

Straight distilled gasoline possesses the complete chain of boiling points which assures quick ignition and practically instant, complete combustion. Every bit is converted into heat and power—gives bigger mileage per gallon than slow-burning mixtures, or less carefully refined gasoline.

Red Crown Gasoline has a complete chain of boiling point fractions

Red Crown Gasoline is straight distilled gasoline. It meets all specifications required by the United States Navy for motor gasoline. It has a complete chain of boiling-point fractions—low, medium and higher boiling-point fractions—which, in right proportion, assure big power and big mileage. It is uniform and dependable wherever you buy it.

How to get better results at less cost
The way to get mileage and power economically, to escape carbon troubles, to have a spry, quick-starting engine, is by perfect adjustment of the motor to the fuel used. This can only be secured by using gasoline that is UNIFORM—gasoline you can get wherever you are—gasoline that gives a lean, dry, powerful mixture under all weather conditions. Use Red Crown Gasoline.

Autorized Red Crown Dealers Everywhere
Wherever you go you can always get Red Crown Gasoline from reliable, competent and obliging dealers. The gasoline and motor oils they sell make motor operation more economical and more dependable. They are glad to render the little courtesies which make motoring pleasanter. Drive in where you see the Red Crown Sign.
