## CONCERT PLEASES CROWD AT PARK

#### Well Arranged Program is Given and his honor. Judge Allen J. Beeson. Unusually Large Crowd Present to Enjoy It.

From Phursday's Dally.

Last evening the Elks band held their regular weekly concert at the city park and the occasion was attended by an unusually large numher who in the coolness of the park enjoyed very much the program that had been arranged for the occasion.

The program embraced a number of the popular selections of the day as well as the high class standard numbers, among which the "Poet and URGING POLLARD TO Peasant" overture and the descriptive selection, "A Summer Evening in Hawaii" proved very pleasing to the music lovers.

Mr. Schulhof and the members of the band had arranged a special number in honor of the memory of Edward C. Riple, Jr., taking the beautiful funeral dirge of Handel, "The Dead March in Saul" as the selection and this very beautiful and hoys.

The previous visit of the local team to Manley on July 4th, when they played the Weeping Water team there has created a very favorable impression on the boys and they are pleased to have the chance to go back and have a try at the Manley team. Manager Barclay feels that this will be a real game in every sense of the word and that the fans will be well repaid in going to Manley, as both teams are in good form and can be depended upon to give a good account of themselves.
