

THAT SATISFIED SMILE

It's Broadest at Harvest Time

Poets rhyme about the "smiling country in the month of May." But we'd rather see that same country at harvest time, when the smiles are on the faces of the farmers after their well-earned crops have come in.

It's the same in every business at "harvest"—the time when a man gathers in the returns on his hard work.

Our patrons, using to the full our many facilities and personal service, reap better returns on their investments of time, work and money.

Chamberlain's Colic and Diarrhoea Remedy

This is unquestionably one of the most successful medicines in use for bowel complaints. A few doses of it will cure an ordinary attack of diarrhoea. It has been used in nine epidemics of dysentery with perfect success. It can always be depended upon to give prompt relief in cases of colic and cholera morbus. When reduced with water and sweetened it is pleasant to take. Every family should keep this remedy at hand.

ANNOUNCES ENGAGEMENT FRIDAY

Mrs. G. M. Minford, of Murray, Entertains with Luncheon in Honor of Daughter.

The charming home of Mr. and Mrs. G. M. Minford at Murray was the scene of a very pleasing luncheon yesterday afternoon when Mrs. Minford entertained a number of lady friends and at which time the engagement of her daughter, Miss Olga to Mr. Elbert Wilkes was announced. The color appointments of the dining room and the tables were in pink and white and most artistically arranged for the pleasant event. The announcement cards were arranged with the tiny blue birds of happiness and also served as place cards for the sixteen guests.

A four course luncheon was served and the center pieces of the tables were crystal baskets of pink sweet peas with large bows of pink tulle gracing the handles of the baskets and the tiny nut cups were also pink and heart shaped in keeping with the spirit of the occasion.

The following were the invited guests: Misses Marie Walker, Ann Brown, Catherine Brown, Beulah Sans, Lydia Todd, Helen Todd, Iva Deleschener, Opal Cole, Clara Lee Young and Neva Latta and Mesdames E. S. Tutt, S. S. Davis, Charles Nutz, George Nickels, Glen Todd, Ernest Melbern, Cameron Cathey, Dick Pittman and A. A. Young.

RETURN FROM A WESTERN TRIP

Mr. and Mrs. M. C. Whelan and Daughter Home from Visit at Points Along the Coast

Last evening Mr. and Mrs. Mike Whelan and daughter, Miss Genevieve, returned home from a very delightful trip of several weeks duration at points along the Pacific coast and which included the larger cities of that portion of the country. They first visited at Seattle and from there enjoyed a sightseeing tour over the greater part of southern California, with visits at Los Angeles, Long Beach, San Diego, Coronado Beach and later at Reno, Nevada.

While at Los Angeles they enjoyed a very pleasant visit with Mr. and Mrs. Asher Clark, old residents of this city and found Mr. Clark engaged once more in the grocery business and regret to report that Mrs. Clark has not been as well as formerly in the last few months. While at Los Angeles the Whelan family enjoyed the Elks convention and their son, Francis Whelan and family were among the Omaha members of the Elks who attended the big convention.

While they were at Long Beach they were guests of Mr. and Mrs. Walter Thomas and found that this old pioneer family were on the alert to give the right hand of good fellowship to anyone from the old home.

Mrs. S. L. Thomas, widow of the late Senator Thomas, is now making her home with her son, W. L.

From southern California the Whelan family journeyed to San Francisco and Oakland as well as Berkeley, California, and spent a short time at Reno, Nevada, where Mr. Whelan has relatives and friends.

On their return they stopped for a short time at Salt Lake and also at Denver and Colorado Springs, and in the latter city were guests of John Hardy, a former Plattsmouth resident.

The trip as a whole was one that will long be most delightfully remembered by all of the party.

VISITING PARENTS HERE.

From Saturday's Daily. H. E. Baughman and family, of Saco City, Iowa, are visiting at the home of his parents, Mr. and Mrs. H. W. Baughman for a week or ten days and renewing the acquaintanceship of the friends here. Mr. Baughman is in the employ of the Crown Co. of Omaha, who are now doing some dredging work near Saco City in the reclamation of swamp land near that place and which has taken some time to get under way and as a result of which many acres of heretofore waste land can be made into profitable farms.

WRITES OF CHURCH WORK IN URUGUAY

Rev. T. A. Truscott, Former Pastor of the Methodist Church Now at Montevideo in the Work

The following letter has been received here by E. H. Wescott from Rev. T. A. Truscott, former pastor of the Methodist church in this city and in which the well beloved pastor reviews his church work and the opportunities of the new country:

Calle Colonia 1834 Montevideo, Uruguay South America July 1, 1921

Mr. H. H. Wescott Plattsmouth, Nebraska, U. S. A. My Dear Brother Wescott:

When I last wrote to you I think I told you that my son Basil and his wife and three boys are here. My son is now pastor of the English-speaking work in Lomas de Zamora P. C. S. Buenos Aires, Argentina. Besides being Pastor he is the Superintendent of a day school with over 200 pupils, and has to teach three hours each day. So with his Pastoral work on Sundays, his interviewing parents, the correction of wayward children, controlling or advising or being advised by teachers, the preparing of annual taking classes, the making out and the collection of schools accounts and being treasurer for same, he has enough to keep him awake all seven days of the week when he is away from home; and when he gets to the parsonage he has three healthy boys to prevent him from feeling dull. To reach Buenos Aires from Montevideo one travels all night in a palatial river steamer that sometimes carries hundreds of people in well appointed cabins fitted with the latest things in luxury. The cost goes is \$17.00. Leave here 10:00 P. M. and get to B. A. at 7:00 next morning, or from B. A. here the same hour and fare.

Our work here has made wonderful progress. God seems to have blessed every step we have taken. Mrs. Truscott and I are overwhelmed with the goodness and grace of God in regard to this work. People are wondering out loud if the facts are really so. The Bishop, and we ourselves are quite sure, that our coming to Montevideo was the appointment of God. For hindrances have been swept away. God laid us a free hand to build His Kingdom. Never since this church was first established, 51 years ago, has there been such interest and such aggregations, such church membership, such finances.

When the Bishop told Mrs. Truscott and I he wanted us to go to the English-speaking work in Montevideo we felt keenly disappointed. We had requested to be sent into the Spanish work, indeed had picked out our own place. But the Bishop said it was laid on his heart to send us to Montevideo, to the English work, and he hoped we would go. This was about a month before the Conference. Well, we were appointed. That is, new eighteen months ago. We came here and the retiring Pastor told us that if we wanted a congregation we had to get the choir down, and there were only three in the choir. And I went about as heartily as you can imagine what that "little handful" as the Bishop called it, looked like in a great church that can seat between 700 and 800 people, a place that looks like a great cathedral. But thank God all that is changed now. In the past the Missionary Board felt that it was well to keep this charge going for it ministered to a very choice spirits that have figured in the politics, the commerce and the social life of this city, and too they have been faithful to our church and cause and have represented South America in the General Conference. So the church has had some big men as Pastors of this charge, with the Missionary Board, the choir, the choir and the house rent for the Pastor. For 51 years this has been going on and now it is all changed!

Everyone here acknowledges that it is a hard proposition to get hold of the English and the Americans. They golf, tennis, go rowing, go hunting, go swimming or go to picture shows on Sundays but show little interest in religion and yet most of them admit they were brought up in the Sunday school. The children that are turned out into the street or sent home, or called home by unthinking parents (instead of being taught the church service; and that Sunday school is not church) generally have no church habit. Some parents that expect their children from church can whip or coax them into it when they are older, but the cases are rare. Now with such a condition here it is the surprise of all and of those affected in particular that there are English and American families that have turned from darkness to light, from their idols to God, from the way of the Sabbath breaker to the ways of the saints. Some who had not crossed the threshold of a church for years are now active members. Oh my, what God can do!

The facts stated in a few words and in definite form are just these. Our church in all the years never seemed to get any bigger or smaller, the membership always about the same, the attendance about the same, except on some "high" day. The income was about the same so that everybody just knew the Missionary Board had to make good. Within 18 months the membership has increased 500 per cent! unbelievable! The income has increased more than 600 per cent. We used to have an income of \$750 per annum by subscription, now our income is over \$4,000. We used to take up in the Sunday collection \$4 or \$5, now we take up not less than \$20 or \$30 and sometimes over \$40. On a recent Sunday we had \$84.25 in the collection. All of this of course has had a converting effect upon my official board. We wrote to the Mission Board and

C. E. Wescott's Sons

"EVERYBODY'S STORE"

told them we did not need any more help, "thank you," that we would pay our pastor and pay his house rent, and that we would increase the Pastor's salary \$500. This saving to the Board was further augmented by the Benevolences that being paid in. The Pastor will take to Conference next year four times more than this charge could ever pay towards saving the world from sin and lifting it up to God.

If you have been watching the money market you will be surprised at the foregoing for you must know that Uruguayan merchants never suffered more keenly the reverse in business than they are doing just now. The difference in exchange is so great that it is quite a question if some of the importers can keep their feet. Big business men find their import business reduced to nil. The people cannot buy at the prices and if the people cannot buy the merchants cannot import. There are deep lines on the faces of the honest merchants as a result of a great commercial crisis.

Yet another result of the life in the dry bones, the shaking of the ruts, is the demand for a new church. You ask how that is since we have such a beautiful well appointed building. Well these are the reasons: The two city congregations of Methodists, the English-speaking and the Spanish-speaking built this church as a joint property, but now the Spanish people feel that we are taking up too much room and we feel they and ourselves need more, so our English-speaking people have resolved to draw out and build a church. It was the wish of the Bishop that we should do this. Twelve months ago it looked impossible. But on the 8th of April we bought a property next to the University of Montevideo, for \$30,000, seems like a fairy tale, so wonderfully did the Lord help us. On the day that we had to pay for the deeds we gathered in cash \$20,000 and I had to borrow \$10,000 to meet the rest. How God sent a man along to lend us that \$10,000 is still another story of wonderful providence. Last Sunday morning after the service, a lady put \$500 into my hand and a note saying: "A thank offering to our Heavenly Father for His blessings to us in the past 12 months." And another lady is going to give us \$500 today, so \$9,000 will be left instead of \$10,000, and this by the

goodness of God we hope to lift by Christmas. Love to all the Plattsmouth folk. We rejoice in your success also. T. A. Truscott

FUNERAL OF MRS. NANCY GOODMAN

Held at Mynard and the Body of This Splendid Lady is Laid to Rest in Glendale Cemetery

The funeral services of the late Mrs. Nancy Goodman was held on Wednesday afternoon at the home of her son, Samuel Goodman, near Mynard, where she has made her home for the last few years. The service was conducted by the Rev. E. H. Pontius, pastor of the United Brethren church of Mynard and was very impressive as the minister spoke to the sorrowing family and friends of the beautiful christian life of the departed. The choir of the congregation of the church composed of Rev. Pontius, Will T. Richardson, Helen Pontius and Mary Wetenkamp sang two of the old and well loved hymns, "Jesus Savior Pilot Me" and "Jesus Lover of My Soul." Mrs. H. J. Livingston also sang very sweetly "Does Jesus Care." Following the services at the home the body was taken to the Glendale cemetery near Mynard where the interment was made.

Mrs. Goodman was born in Columbus Grove, Ohio, May 4, 1844 and was reared to womanhood in that state, and there she married Kinney Goodman, December 11, 1860, and in 1885 the family came to Nebraska and have since made their home in this state.

To mourn the death of this good woman there remain the aged husband who has been making his home with a daughter at Budwell and the following children: Samuel Goodman of Mynard, Mrs. Ellen DeFresse, Lincoln, Mrs. Cora Buskirk, North Platte, Mrs. Elizabeth Steinkamp of Manley, Frank B. Goodman of Weeping Water and Will Goodman of Giltner. There are also twenty-two grand children and twelve great grandchildren to mourn the passing of their beloved one.
