HOLD FINE ENTERTAINMENT

The Lewiston Aid Society held a very pleasant as well as instructive entertainment at the church building east of Murray on last Thursday and at which there were some fifty-two present. The church interior has been repainted and decorated thru the efforts of the ladies and made a most attractive place for the delightful gathering. County Agent, L. R. Snipes and Miss Ida M. Wilkins, home county agent, were present and assisting in making the event a great success as the talks

and assistance of the two county agents gave the new domestic science department of the county work a finest art. Mrs. George Ray was selected as leader of the sewing class while Mrs. Pauline Young was placed in charge of the exhibits to be shown at the county fair at Weeping Water. The event was such a success in every way that the ladies are looking forward to another of these meetings soon.

DEADLOCK BETWEEN ENGLAND AND IRELAND

Some of the Things Each Side Insists on Having—Little Hope for Early Settlement.

THE BRITISH PROPOSAL. Dominion status for Ireland with complete autonomy in financial matters, but without tariff or trade restrictions between the islands. Ireland would maintain defense forces and police, but her territorial forces would be kept within "reasonable limits." Ireland would maintain her own postal system, but would grant England air defense and communication facilities. Ireland would have control of her own educational and industrial affairs, but the British navy would maintain its hold on the seas around the island. A share of the United Kingdom's debt would be assumed by Ireland, the exact amount to be fixed by arbitration.

SENN FEIN DEMANDS. Full independence for Ireland. Suggests a treaty of association with the British commonwealth group. Treaties regarding trade and limitation of armaments, together with mutual agreements as to air, railway and other communications. Ulster problem to be left to the Irish themselves for solution. "Employment of force was not contemplated."

ATTITUDE OF ULSTER. The attitude of the Ulster government was made plain by the making public at Belfast of a letter to Mr. Lloyd George from Sir James Craig, the Ulster premier. Sir James expressed the loyalty of his government to the empire and reiterated his readiness to confer with Mr. Lloyd George and the Sinn Fein as to some means of settling the Irish controversy, but declared he would not support the Sinn Fein in what he described was a "move to coerce the government to repudiate the Irish act" and "to press for wider powers."

HOME BREW IS NO LONGER UNLAWFUL

Interpretation placed on Amendment to Beer Bill that Any Householder can Have Beer

Washington, Aug. 16.—Any householder could have home brew under interpretations placed upon an amendment to the Willis-Campbell beer bill, approved today by the house. The amendment, adopted as a substitute for the senate provision, would require federal agents to have warrants before entering a home in search of liquor. It provides, however, that no warrant shall be issued for search of a home "unless there is reason to believe such dwelling is used as a place in which liquor is manufactured for sale, or sold."

Representative Fields, democrat, Kentucky, declaring the home amendment would virtually sanction "home brew" provided it was not made to be sold, attempted to have the words "for sale" stricken out, but his motion was rejected, 96 to 54. Representative Volstead, republican, Minnesota, author of the original prohibition act, favored the house substituted adopted. He declared later it would not change the policy of the prohibition enforcement bureau in reference to home brewing. No attempt was made on orders from Washington, he said, to prohibit the home manufacture of potent beverages for personal use.

"The section we put in the bill provides that the law is to be enforced as we intended when we passed the prohibition act," said Mr. Volstead. "While it expressly stipulates that no homes are to be searched without warrant, and then only if the liquor made is being sold, federal officers can get evidence in other ways as to whether the law is being violated. The section of the original act prohibiting the manufacture of liquor with alcoholic content of more than one-half of 1 per cent is still in force." Search of homes without warrants, Volstead said, usually had been conducted under the revenue act which authorizes such action under certain circumstances. Pleading for a tight ban on home brew, Mr. Fields declared that "if you say a man can rig up a distillery in his home, you kill the Volstead act."

John Lutz, wife and two daughters, Misses Helen and Marie, departed this morning for Oklahoma where they will spend a short time visiting at El Reno and Union City with relatives and friends and Mr. Lutz will enjoy his vacation from his duties in the shops here.

VERY SMALL TRICK

A few days ago Chris Gobelman, who is employed at the Hotel Wagner, lost a pocketbook that contained \$22 in money, with a number of valuable papers. Mr. Gobelman advertised for the return of the pocketbook and offered a reward but no response was made until today when the pocketbook minus the coin was found on the floor of the post-office lobby. The pocketbook was a note as follows: "\$31 found, \$31 reward. Be more careful the next time, Lucky." The party finding the pocketbook may consider themselves lucky but it was a very shabby trick to refuse to return the contents of the pocketbook to the owner as he is a hard working man and has to labor for all that he secures.

RAIL WAGE BALLOT TO GO OUT AT ONCE

"Big Four" and Switchmen Must Start Referendum Before September 1 on Wage Cut

Cleveland, O., Aug. 15.—The call for the referendum of all the members of the "big four" railroad brotherhoods and the Switchmen's Union of North America, determining their attitude on wage reductions ordered by the United States railway labor board, under which they have been working since July 1, may be issued before the end of the week, according to officials of the railroad brotherhoods here tonight.

The ballots for the referendum must be sent out to the membership before September 1, James Murdock, vice-president and acting head of the Brotherhood of Railroad Trainmen during the illness of President W. G. Lee, said tonight. It will take a month to compile the balloting and know the verdict of the train service employees of the nation's railways, Mr. Murdock said. Action is forecast.

A statement outlining the attitude of the chief executives of the five organizations may be issued before the end of the week. The situation hinges not so much on the average 12 per cent reduction already ordered, but on rumors that the roads would seek further wage reductions, the elimination of overtime pay and pay for overtime and the revision of schedules and working rules.

"If the railroads propose to go ahead and upset all we have gained through years of negotiation, and eliminate time and one-half pay and other working rules and conditions, the only way we can hold the railroad men of the country," President Lee of the trainmen said in a recent interview.

Acting on the instructions of the conference of general chairmen in Chicago on July 1, the brotherhood chiefs are holding conferences with railway executives in each of the four regions established by the interstate commerce commissioner. They are putting up to them these four propositions:

- What They Want.** That the wage reduction already ordered be recalled and the old rates of pay restored. That no reduction be required or sought. That no effort shall be made to take time and one-half pay away from their members. That for a fixed period no attempt be made to cancel or change present schedules or working rules. Executives of the eastern railways, after a conference between their committee and the brotherhood chiefs, rejected all these propositions last Thursday. Heads of several of the brotherhoods, who held a conference in Washington today, are enroute to Chicago to meet other railway union leaders in that city for further conference on the labor situation, as it concerns their members.

ENJOIN SELLING OF PAIGE BOOZE CAR

Harry Lincoln, Holder of Mortgage on Car Secures Restraining Order Holding up Sale

The sale of the Paige touring car which was seized here two weeks ago by the authorities while it was being used by Frank Mastrarrigo and Jasper Urco for the transportation of liquor, was today checked by the restraining injunction secured in the district court, and the hearing on the matter will be had on Thursday August 25th. Harry Lincoln, doing business in Omaha as the Lincoln Motor Co. thru his attorneys, Monsky, Kallman & Grodinsky, secured a temporary order restraining the holding of the sale of the car which was scheduled for tomorrow morning. In his petition and application for the order the plaintiff states that on July 19, 1921 the Paige touring car was sold by the plaintiff to Angelo Nigro, of Omaha, for the sum of \$335, and that \$200 was paid down by the purchaser and the rest to be scattered over several payments and as security the plaintiff was given a mortgage on the car. It is claimed that Mastrarrigo and Urco secured possession of the car through the knowledge and consent of Nigro and used it for the illegal transportation of liquor and therefore that the owner and mortgagee are entitled to the possession of the car which had been ordered sold at public auction.

William Puhlmann, who is now located at Denver, was in the city today for a short time visiting relatives and friends, returning this afternoon to Omaha from where he will go to the coast.

CANTONMENT WAS VERY SUCCESSFUL

Annual Gathering of Patriarchs Militant of I. O. O. F. at West Point Very Pleading

The annual cantonment of the Patriarchs Militant of the I. O. O. F. of Nebraska, which has just closed at West Point was one of the most successful gatherings of its kind ever held in the state and also one of the best attended that has so far been staged. The grounds at West Point have been secured as a permanent location for the gathering place of the Militant branch of Oddfellowship, and while not fully completed as far as the arrangements are concerned proved a very attractive spot for the tented city.

At the cantonment strict military discipline prevailed and the camp was conducted along the lines similar to the army camps with the drills and inspections that are the chief characteristics of the regular military establishment. Col. J. H. Short of this city, commander of the First regiment, was the ranking officer of the camp and in command up to Friday of the last week when Hon. W. V. Hoagland of North Platte, department commander, arrived and took over the command of the camp and made his inspection of the camp and its members.

However this cantonment was not devoid of its social features and pleasures and a large number of the members of the camp had brought with them their wives or ladies of their families who lent a pleasing social feature to the gathering. Col. Short reports that a number of his close friends made desperate attempts to "get something on him" at the inspections but the camp commander was too clever and came through without being caught with an untidy tent or any of his equipment in bad shape.

The attendance at the cantonment this year numbered 300 and was most pleasing to those who have worked to make the event a big success in every way and the next one will be even larger as the members are learning to realize what a fine opportunity for an outing this cantonment furnishes.

Col. Matters, commander of the W. O. W. cantonment, Grand Master Naylor of Chadron, head of the I. O. O. F. of Nebraska, Grand Patriarch Knight of Falls City and Mrs. Trainor of Fremont, head of the Rebekahs of the state, were among the distinguished visitors present at the cantonment during its sessions.

FORDNEY REPORTS A REDUCTION IN TAXES

Cut of \$948,000,000 For the Coming Year—Delay in Repeal of the Excess Profits Levy

Washington, Aug. 16.—Federal taxes are reduced \$248,000,000 for 1922 and \$700,000,000 for 1923, Chairman Fordney of the house ways and means committee declared today in formally reporting the revenue bill to the house. The insurgent republican movement in the house was strong enough to force a delay in the repeal of the excess profits levy and the reduction of the surtaxes on high incomes until January 1, 1922.

Consideration of the tax bill will be started in the house tomorrow and completed Saturday afternoon.

Explaining the principle on which the bill is based, the representative said: "In framing the tax legislation herein recommended the committee has sought out methods of reducing rather than shifting tax burdens. The exacting of the present excessive sums of taxes from the country contributes in no small degree to the depressing influences under which business and industry in general are staggering as a aftermath of the world war.

"The reduction of the tax burden is essential to business recovery and such reduction can only be based on a rigid enforcement of a policy of the strictest economy in the running expenses of the government."

VISITING IN WISCONSIN

Mrs. Eliza Kaufmann and sister, Mrs. Justus Lillie departed Sunday for a few weeks visit at their old home in Wisconsin and other places in that state where they have friends and relatives. They will first visit at Chicago and from there go to the old home of the two ladies which Mrs. Kaufmann has not visited for eighteen years and Mrs. Lillie has not seen for the past thirty years. They will also spend a short time at La Crosse, before returning to their home in Nebraska. Ed Scutt and wife of Holyoke, Colorado, are here enjoying a short visit at the home of County Attorney A. G. Cole and family.

Mr. and Mrs. Charles Herren and Mr. and Mrs. Fred Lutz from near Murray were among those coming in yesterday afternoon to attend the funeral of the late Martin Friederich.

ENJOYING LABOR MEET

Joseph Hadraba and James Placek of this city, who are delegates to the labor convention now being held at Toronto, Ontario, Canada, have written back to the friends here that they are enjoying very much the proceedings of the great labor meeting. The sessions of the convention are being held daily and the whole question being thoroughly canvassed by the delegates who represent all lines of the union labor in the country. The many interesting sights of the Canadian city are also a source of great interest to those attending the convention.

FUNERAL OF MARTIN FRIEDERICH IS HELD

Yesterday afternoon the funeral services of Martin L. Friederich was held at the family home on north Eighth street and very largely attended by the old friends of many years standing who gathered to share with the bereaved family the loss that had come to them in the taking away of the husband and father. Rev. H. Kottish, pastor of the St. Paul's Evangelical church conducted the services to the community in which he had so long made his home and to the family and friends gave words of comfort in their hour of bereavement with hope of the future meeting where separations would be no more. The choir of the church gave a number of the well beloved songs of faith which had been favorites of the deceased during his lifetime.

At the Glendale cemetery near Louisville a large number of the neighbors of the family from the vicinity of the old home in Eight Mile Grove had gathered and here the pastor gave a short prayer as the body was consigned to the last resting place. The pall bearers were selected from the former friends and associates being H. A. Schneider, Wm Starkjohn, John Kaffenberger, John H. Albert, F. J. Hennings and John Gauer.

Louis Friederich and wife of Chicago, Mrs. George Friederich and son, Adam and daughter, Miss Tillie of McLean, Nebraska, were here to attend the funeral service.

CARD OF THANKS

We desire to return our most sincere thanks and appreciation to the kind friends and neighbors who have been so tender in their assistance to us during the last illness of our beloved one for their sympathy at the time of the death of our husband and father. Especially do we desire to thank the M. W. A., the pastor and members of the church choir and all those who gave the beautiful floral remembrances.—Mrs. M. L. Friederich, Louis Friederich, Nicholas Friederich, W. N. Friederich, Amelia Friederich.

VERY PLEASANT EVENT

Last evening "Sunnyside" the E. H. Westcott home on high school hill was the scene of a very delightful informal dinner party when Mr. and Mrs. Westcott entertained a number of the close friends at a 6:30 dinner.

The appointments of the dinner were very attractive, the decorations being the garden flowers and furnished a pleasant setting for the dainty three-course dinner that followed. The guests of the occasion were: Mr. and Mrs. William Baird, Mr. and Mrs. T. H. Pollock, Mr. and Mrs. J. E. Wiles, Mr. and Mrs. L. A. Wiles and Mr. and Mrs. C. A. Rawls.
