### PAVING IN THE METROPOLIS

#### CHAMBER OF COMMERCE AND CITY COUNCIL COMMITTEE VISIT OMAHA WORK

From Thursday's Daily.  
The paving of the main street of  
this city which has been the subject  
of more or less discussion for the last  
few months was given a greater inter-  
est yesterday when a delegation com-  
posed of Mayor C. A. Johnson, Coun-  
cilmen Bestor, Brittain, Knott and  
Maurer and members of the Cham-  
ber of Commerce consisting of Presi-  
dent J. P. Sattler, H. A. Schneider,  
E. H. Wescott, E. A. Wurl, W. C.  
Soennichsen, C. K. Bestor, J. V. Hatt  
and A. W. Cloldt, journeyed to O-  
maha where they looked over the met-  
ropolis which has been placed in the  
metropolis in recent years, and which  
would afford a comparison to the con-  
ditions here in Plattsmouth.

The committee made a very thor-  
ough inspection of all lines of paving work  
granite block, similar to that in use  
in this city and which might be re-  
inforced by concrete, straight brick  
paving, concrete, wood block, and  
other lines being carefully looked in-  
to by the members of the committee.

There was much interest taken and  
the matter will be placed before a  
public hearing in the near future when  
expressions from all of the citi-  
zens can be assured by the Chamber  
of Commerce and the council which  
can be used in finding a solution of  
the paving question for the city.

While there were many different  
kinds of paving looked into by the  
committee the general opinion seems  
to be that only solution of the mat-  
ter here is relaying of the present  
pavement at a lower depth and with  
a concrete base as the cost of new  
brick paving would be very heavy.

### OPENING DAY OF REUNION A SUCCESS

Larger Part of the Program is That  
Arranged by the American Le-  
gion for the Old Settlers

From Friday's Daily.  
The opening day of the Old Set-  
tlers' Reunion at Union drew quite  
a number from this city to the south-  
ern Cass county town to enjoy the  
day there and the excellent enter-  
tainment that had been provided for  
them by the American Legion and  
the Old Settlers' committee who had  
the program in charge.

The grounds which are most at-  
tractively situated southwest of the  
town, were well filled with specta-  
tors, among which a large number of  
former service men who were desir-  
ous of taking advantage of the oc-  
casion to meet their former army ac-  
quaintances and enjoy a reunion of their  
own.

The program was started in the  
afternoon at 2:30 with the invoca-  
tion offered by Rev. H. G. McClusky  
of Plattsmouth and followed by a  
planning array of interesting addresses  
as well as musical numbers. Attor-  
ney V. E. Tyler of Nebraska City was  
the first speaker and his remarks  
were along the lines of the patri-  
otic endeavors of the citizens and he  
particularly scored those who in the  
country's hour of trial of financial  
stringency took advantage of the oc-  
casion to attempt to wreck the fi-  
nancial credit of the nation. Attorney  
A. L. Tidd of this city also spoke  
along the lines of patriotism taking  
as his subject, "Patriotism in Peace  
and in War" and covered thoroughly  
the work of the service men in war  
time for their country as well as  
their endeavors in time of peace and  
quoted from the constitution of the  
American Legion to show the high  
standard of peace time patriotism  
that had been established and which  
should serve as an inspiration to the  
American people.

The Plattsmouth quartet composed  
of Messrs Smith, Metter, Field and  
Windham proved one of the pleasing  
features of the entertainment and  
with their harmonies and songs  
pleased everyone present. The Per-  
kins orchestra of Omaha, a crack  
colored organization, was also heard  
during the afternoon in a number of  
popular selections of the present day  
and which assisted in the entertain-  
ing.

In the sports line for the day, the  
Plattsmouth Colts opposed the Union  
ball team but suffered a defeat by  
the score of 21 to 1 as the Union  
boys developed a strong batting  
streak and the locals were unable  
to check the onslaught in time to  
prevent the defeat.

Taken as a whole the opening day  
was much more successful than is  
usual at the Reunion as the last day  
is generally the one that draws the  
greatest crowds.

for stomach trouble, biliousness and  
constipation off and on for the past

and had a mild pleasant action on  
my bowels. I take pleasure in recom-  
mending them," writes H. D. P. Par-  
menter, Cridersville, Ohio.

Because it's the evidence of a

Testimony easily investigated.  
The strongest endorsement of  
merit.

The best proof. Read it:  
Win Hassler, proprietor of black-  
smith shop, corner 5th and Oak  
streets, says: "I know the straining  
work I have had to do most of my  
life as a blacksmith is what caused  
my back to weaken several years ago.  
Many times I have been down shoe-  
ing a horse, when a sharp stitch  
would take me through my kidneys  
and hurt severely. My back was  
stiff and lame at times, too. I start-  
ed to use Doan's Kidney Pills and  
they soon corrected the trouble and  
made my back strong again. About  
two boxes of Doan's Kidney Pills  
from Weyrich & Hadraba's drug store  
was all I had to use. I can work  
every day now and give Doan's the  
credit for my good condition. I al-  
ways keep Doan's on hand and take  
them occasionally to keep my kidneys  
well and they never fail."
