RETURNS FROM AN OUTING IN CANADA

Plattsmouth Lady Writes of Sights Enjoyed in the Great Wheat Country of Canada

After a period of several weeks Miss Stones and myself have returned from Winnipeg, Canada, where we visited with relatives and friends. We also spent a part of our time at Winnipeg and Manitoba beaches, also visited relatives and friends at Silver Ridge some one hundred and fifty miles northwest of Winnipeg and with friends at Portage La Prairie sixty miles west of Winnipeg. I had but one good time while in Canada and that was all the time. That part of Canada is a most beautiful country level for many miles in all directions from Winnipeg. Winnipeg is a very pretty place, has beautiful churches, fine schools and lovely residential districts. A number of beautiful parks, boulevards and well-kept streets, Winnipeg is the second largest grain market in the world, the greatest transportation center in Canada and one of the greatest on the American continent. I saw more wheat while in Canada than we see in Nebraska in a lifetime. There had been two million bushels of wheat shipped from Winnipeg and it looked as tho the threshing had only begun. The farmers have railroads built right into the large fields and where there are no tracks in the field, the field is dotted plentiful with grain bins, some made of lumber and a great many of the round steel bins. They raise very little corn as the growing season is so short for the corn to mature, however, they grow fine vegetables and the finest potatoes in the world. Small fruits grow plentifully, while the growing season is too short for large fruit, cranberries grow in abundance near Lake Manitoba. I helped my friend gather some of them. She made jelly, butter and catsup of them which proved to be very good indeed. A great many fish are taken from the lakes every season, yes train loads of them. Just one man shipped eighteen car loads, I do not know how many loads the balance of the men got. Small game is plentiful, jackrabbits, prairie chickens, ducks etc. I enjoyed every minute of the time while there, and am started saving pennies so I can go again. MARY PROPST

EXEMPLARY ACTIONS OF YOUTH EXPLAINED

Little Willie Has Seen the Flaring Posters—The Circus is Coming to Plattsmouth. The circus is coming! This mere announcement holds many interests for every member of the family. For example, little Willie's behavior is always beyond reproach from the time the lithographs are first posted until the great day arrives. He has seen the flaring posters announcing the coming of the circus and nightly chores are done with a precision that causes mothers to take particular notice. Willie has felt the thrill. The circus is an American institution—it is a recreation for all classes. Seated side by side, the youngsters of the rich are just as delighted and can gain no more enjoyment than the poorest orphan, and the daring feats of the bareback riders, thrilling aerial acts and the wholesome comedy of the clowns fall alike upon eyes and ears. The special train bearing the Campbell-Bailey-Hutchison combined circus and Wild West show will arrive in Plattsmouth at daybreak on Friday morning, September 16th. This is the first really big circus to visit Plattsmouth in a good many years and its coming will be heralded by young and old alike. The arrival of the trains, even at this early hour, will be greeted with a no small gathering of juveniles, bent on catching a first glimpse of the animals, clowns, etc., that go to make up the big show. The glittering mile-long free street parade will take place at noonday, and there will be two complete performances, at 2 and 8 p. m. Doors will open one hour earlier.

YOUNG MEN GET IN SERIOUS TROUBLE

Four Omaha Boys, Including Former Plattsmouth Boy, are Charged With Taking Silk. The Omaha papers of this morning contain the account of four arrests made in that city last night and which seems to have uncovered the theft of hundreds of dollars worth of silk from the Burgess-Nash store. The parties arrested are William Chambers, Elms hotel; C. M. Beard, 514 So. 16th street, barbers; Victor Krivanek, 2122 Spencer street and Russell Masher, 20th and Dodge street. The last two young men have been employed as window dressers at the Burgess-Nash store and according to the Omaha police did the stealing of the silk and sold it to Beard and Chambers. MORE AUTO MISHAPS OVER COUNTY Avoca Parties Get into Ditch Short Distance South of Nelawka and are Shaken up Some Last evening when George Trook and Cesar Walker, both living in the vicinity of Avoca, were returning home from Omaha they were unfortunate enough to have their car overturned in a ditch and badly shaken up. The ditch where the Ford ran into is a short distance south of Nelawka and the place where a young man was killed two years ago. Fortunately the two occupants of the car were not seriously injured and were able to reach home without difficulty. Another mishap was at one of the bridges west of Union when a car driven by a gentleman from Omaha got crossways on the bridge and badly jammed up the car but did not injure the occupant to any extent. DON'T EXCEED ANY LIMIT. If you have exceeded the speed limit the judge will fine you. If you have exceeded the feed limit, your stomach will fine you. The symptoms are a feeling of fullness, lassitude, a general disinclination to do anything. The stomach is unable to do its full duty, and you must help to remove the effects of your excess. The best help is Triner's Bitter Wine. This remedy will evacuate your bowels without weakening your body, will aid digestion and promote appetite. As a tonic to nervous system it will remove the feeling of uneasiness, lassitude and depression which is produced by the toxins generated in the intestines. Ask your druggist or dealer in medicines, also about other Triner's preparations. For rheumatism which usually does not fail to respond to the change of season for neuralgia, sprains, tired muscles, etc., Triner's Liniment is the best remedy. Mr. B. Vietti wrote us from Redding, Calif., Aug. 4th, 1921: "I have tried Triner's Liniment and I found it to be the best I ever used."
