#### THE CIRCUS AND THEN THE DELUGE

Large Crowd at the Circus Last Night Gets Soaked in Drenching Rain that Visits the City.

From Saturday's Daily.

Last night the tents of the Campbell-Bailey-Hutchinson circus were well filled with the amusement seekers of the city and in the midst of the performance when the main tent had been well packed with people, one of the heaviest rain storms of the season broke and in a few seconds the tent resembled a sieve as the water poured in on the hapless spectators and men and women alike suffered from the effects of the storm.

The tent offered but little resistance to the driving rain and the spectators started out to attempt to reach the city or other shelter. The chaotic scenes that ensued were really laughable had not it been for the fact that no one had time to enjoy them, everyone being intent on trying to reach safety and a dry place. When the storm finally ceased, the

bedraggled crowd found that the streets and sidewalks were a mass of water and mud and this completed the discomfort of those who were unfortunate enough to be at the circus. Aside from the discomforts of the storm, the performance was a very credible one and the company proved much better than had been anticipated and especially in their acrobatic and tumbling acts.

The show people found the best business in this city of any they have played to for some time and were well pleased with the results of their visit here in every way.

#### Chronic Catarrh

Our manner of living makes us very susceptible to colds and a succession of colds causes chronic catarrh, a loathsome disease with which it is estimated that ninety-five per cent of our adult population are afflicted. If you would avoid chronic catarrh, you must avoid colds, or, having contracted a cold, get rid of it as quickly as possible. Chamberlain's Cough Remedy is highly recommended as a cure for colds and can be depended upon.

A very pretty and simple wedding that joined the lives of one of the prominent young men of this city and one of the most charming ladies of our neighboring state of Iowa, occurred on Thursday, September 15th, at Marion, Iowa, when Mr. G. M. Holcomb, of Plattsmouth and Miss Lillian Lawson of Marion were married.

The ceremony occurred at the home of the bride's parents, Mr. and Mrs. S. C. Lawson and was very quiet, only the immediate family being present to witness the ceremony. The bridal couple were attended by Mr. Fred Lawson, brother of the bride and Miss Nadine Burke of Cedar Rapids, Iowa.

### DISMAL DAYS AHEAD OF FAT COMEDIAN

Prosecutor Elects to Try Arbuckle On Charge of Murder—Trial Within Three Weeks

San Francisco, Sept. 16.—The way was cleared today for the trial of Roscoe (Fatty) Arbuckle, motion picture comedian, on a charge of murder resulting from the death of Miss Virginia Rappe, motion picture actress, in a sanitarium here Friday September 9, after she is alleged to have been attacked at a party given by Arbuckle at his rooms in the St. Francis Hotel, Monday, Sept. 5. The charges against Arbuckle, two for murder and two for manslaughter necessitated conferences during the week between District Attorney Brady and police officials as to the exact charge on which he shall be tried. It was decided today that the charge should be murder, and the police court in which Arbuckle's case is pending was so advised.

The undertaking establishment having the body of Miss Rappe announced that it would be sent to Los Angeles tonight for interment in the Hollywood cemetery.

#### House Physician is Sought

A new development today was the announcement that Dr. Arthur Beardslee, house physician at the St. Francis, and the physician who first attended Miss Rappe, is being sought by the authorities. Milton T. U'ren, assistant United States district attorney, announced today that the police have been unable to locate him and asked the newspapers to assist in the search. Dr. Beardslee is wanted for giving testimony before the grand jury regarding certain phases of the medical attention given Miss Rappe, U'ren said.

Bigger crowds than usual greeted Arbuckle's public appearance today. A few moments before his case was called in Police Judge Sylvain J. Lazarus' court for a preliminary hearing bearing on one of the murder charges. The crowd, mostly men, attempted to rush thru the doors. They were held back by police. Members of the women's vigilante committee, formed for the purpose of assisting the police and prosecuting officials of the city in maintaining law and order, were present at the court hearing.

Following the court session, District Attorney Brady gave out a statement in which he explained the reasons for his determination to press the murder charge. Later in the day he appeared before the finance committee of the county board of supervisors and asked that a special fund be provided for him with which to prosecute the Arbuckle case.

#### Prosecution to Spend Money

"This defendant is reputed to be wealthy," he said. "He has influential friends. We must spend money if we want to prosecute this case successfully, otherwise we may meet with disaster. We may have to go to all parts of the United States for evidence." The committee voted him an immediate \$1,000 for this fund and told him that more would be forthcoming when it is needed.

#### A Grateful Letter

It is in trying conditions like that related below by Mrs. Geo. L. North of Naples, N. Y., that proves the worth of Chamberlain's Colic and Diarrhoea Remedy. "Two years ago last summer," she says, "our little boy had dysentery. At that time we were living in the country eight miles from a doctor. Our son was taken ill suddenly and was about the sickest child I ever saw. He was in terrible pain all the time and passed from one convulsion into another. I sent my husband for a doctor, and after he was gone I thought of a bottle of Chamberlain's Colic and Diarrhoea Remedy in the cupboard. I gave him some of it and he began to improve at once. By the time the doctor arrived, he was out of danger."

### Veteran of Civil War Still Hale and Hearty

GEORGE D. SHAW, Springfield, Mass.

"To say that I feel twenty-five years younger, twenty-five years healthier and twenty-five years stronger expresses what Tanlac has done for me better than any other way I can put it," said George D. Shaw, veteran of the civil war, who now lives at 321 Walnut street, Springfield, Mass.

"I am now seventy-eight years old and I don't hesitate to say I have never known a medicine to equal Tanlac. For fifteen years I was subject to attacks of indigestion that were so bad at times I would have to lay up for a week or two. For a long time I lived on crackers and milk alone as nothing else agreed with me.

"When I started on Tanlac I weighed only one hundred and seventeen pounds and my days were

thought to be numbered. I've been so wonderfully built up, I now weigh one hundred and forty-three pounds and my stomach is as sound as a dollar. In fact, I believe I could eat the old army rations without it hurting me in the least.

"I never miss a chance of saying a good word for Tanlac and I would like to urge the boys of the 'Sixties' who are not feeling right to give it a trial, for I am sure it would put them in line again just as it has me. For a man of my age to have no physical ailment, to be well and strong and enjoy life as he did twenty-five years ago, is certainly something to be thankful for and there is nothing too good I can say for Tanlac."

Tanlac is sold in Plattsmouth by F. G. Fricke & Co., and by leading druggists everywhere.
