**Merry-Go-Round Have Meeting**

The ladies society of north Nehawka met last Wednesday at the home of Mr. and Mrs. J. G. Wunderlich where they enjoyed a most pleasant afternoon with their work. They were given a worthwhile program which was followed by a delightful luncheon and arrangements were made for the celebration of Armistice day November 12th, as the regular day, November 11th will be celebrated in town at the home of Frank Cox.

**Interesting Letter From Texas**

Mrs. E. A. Kirkpatrick, who is visiting with relatives in Dallas Texas, writes very interestingly from there giving vivid descriptions of the city and its people. Mrs. Kirkpatrick visited at the home of Mrs. Gracie Rhoden, daughter of Mr. and Mrs. Z. W. Shrader of Nehawka and found Grace and the children feeling fine. Mrs. Rhoden is conducting a rooming house. Mrs. Kirkpatrick also spoke of visiting with her relatives and particularly of the little grandson, a new babe.

**School Notes**

The first grade are learning the poem "Bed in Summer" by Robert Louis Stevenson.

The second grade are getting stars for 100 in number. This helps to keep up interest.

The report cards of the grades were sent out Wednesday of the first of the month.

The English class has started to label and catalogue the books in the high school library.

Paul Johnson entertained the fifth grade Monday. The pupils were glad to welcome him.

The high school students were glad to welcome Irene Johnson and Leona Simpkins to the school.

Basketball practice has started enthusiastically, both the boys and girls having two practices this week. Harriet Stone gave a party for her schoolmates on her seventh birthday, Oct. 22. All had a good time.

Quintain Palmer was absent Wednesday part of the day due to his attending his grandmother's funeral at Union.

Mr. L. W. Burby took his fath-in-law, Dr. G. P. Bell to Lincoln to catch a train for Kansas where he is practicing.

The Domestic Science girls are making over old clothes and in this way obtaining real experience on material that is not as valuable as new.

The eighth grade is studying "The planning of Communities" according to their text and are working on topics relating to their own community.

The desks in the third and fourth grade rooms were covered with plaster board in order that the children should have a smooth surface to write on.

We have had a number of absent people this week. The little people learn so rapidly that they should

be here every day or they will get far behind.

Harold Smith, one of the former pupils of Prof. Burby, spent Sunday with him coming down from Lincoln where he is attending the university school of engineering.

The class in agriculture took a trip to the quarry to look at the way in which the rock had been deposited and to note weathering and other soil forming agencies. They returned with numerous samples of the early animals that lived in an early age.

The senior class is planning a box supper and Halloween party this month the proceeds of which are to be used towards graduation expenses. It is hoped that large attendance will be had as a play is being given in addition to the supper. Posters will soon be out.

The members of the high school and the seventh and eighth grades were disappointed at the failure of the speaker for the Narcotics Abstinence League to make his appearance last Friday. However, all received their money back which part-compensated for his non-appearance.

In drawing the seventh and eighth grades are using as subjects the things pertaining to Halloween. They have decided to try for the Palmer Method button which is awarded to the pupils having mastered the first twenty-five drills in Palmer method of business writing.

The girls of the fifth and sixth grades and the seventh and eighth grades had their first regular meeting on Thursday evening, Oct. 6, at the home of Virginia Pollard. The business meeting had the following important results: A name was chosen for the club, "The Sunny Side Girls" Virginia Pollard was elected news reporter. The home of Dorothy Sturm was chosen for the next meeting. After the business meeting the girls had a social hour during which they sewed on various pieces of

handiwork. Refreshments were served of chicken sandwiches and punch. A few minutes of music was enjoyed before going home.

## A GOOD FRIEND

A good friend stands by you when in need. Plattsmouth people tell how Doan's Kidney Pills have stood the test. Edward Martin, machinist, of 1409 Vine street, endorsed Doan's five years ago and again confirms the story. Could you ask for more convincing testimony?

"Doan's Kidney Pills are all that is claimed for them and whenever my kidneys get out of kilter or get irregular, a box of Doan's Kidney Pills soon remedies the trouble," says Mr. Martin. "Occasionally my back gets to aching, but it only requires a few of Doan's Kidney Pills to relieve me."

The above statement was given on February 22, 1916, and on May 13, 1920, Mr. Martin added:

"I know Doan's Kidney Pills are a good remedy after what they have done for me. They have never failed to do their work in a short time. I only use them occasionally now as I have decided to keep my kidneys in a healthy condition. I have the best of faith in Doan's and can recommend them as a reliable remedy."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Martin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## Grip

Grip usually starts just the same as cold with a watery discharge from the nose. You are much more likely to contract the grip when you have a cold. For that reason when grip is prevalent you should go to bed as soon as you feel that you are taking cold and stay in bed until fully recovered which should not be long if you take Chamberlain's Cough Remedy. Three days in bed now is better than three weeks later on.
