John Frans Returns Home  
John Frans, who has been at the hospital at Omaha for some time past, where he underwent an operation for appendicitis, and from which he is sufficiently recovered to be able to return home last Wednesday. He is not feeling the best yet but is getting along nicely.

Saved From All Frazzle  
The broken buttons and other bad features of the laundry are wiped away by the new machine which performs all the operations by electricity, and which is found in the "Laun-dry-ette" which is sold by the F. P. Sheldon stores. The operation of the washing machine is done by electricity, the operator not having even to wet her hands. The water is placed in the machine and the operation done simply by the turning of a switch. Also the drying is done by centrifugal movement. One cannot appreciate the value of the machine when they have used it, but to see a demonstration is thoroly convincing. See it at the store.

## HOWARD ANNOUNCES NEW PARTY PLANNED

Columbus Publisher Makes Public Statement—Coincides With Declaratons of Wray

Omaha, Oct. 18.—Edgar Howard, Columbus publisher, and former lieutenant governor, here today announced that plans for organizing an independent political party in Nebraska are being perfected.

Coincident with Howard's announcement came a formal statement from Arthur G. Wray of York, independent candidate for governor in 1920, to the effect that he would not, under any circumstances, be a candidate for office in either the democratic or republican primaries.

Wray has been regarded as an almost certain candidate for governor in the republican primaries.

Wray's refusal to run as a republican, will have a serious effect on the plans of the nonpartisan league, according to local politicians who declared that the league had hoped to gain control of the republican machinery in the forthcoming elections.

## NEW WRIGHT NOVEL
