

MACCABEE LADIES HAVE FINE TIME

Kensington at Home of Mrs. John Bajock is First of Series of Social Gatherings.

From Wednesday's Daily.

Yesterday afternoon the ladies of the W. B. A. of Macabees held a most delightful social afternoon at the home of Mrs. John Bajock on west Main street and despite the unpleasant weather conditions, quite a pleasing attendance was present to participate in the enjoyment of the day. The afternoon was spent in games and at a suitable hour dainty refreshments were served that added to the delights of the members of the party. The ladies also spent some time in the discussion of the forthcoming rally of the order that is to be held in Omaha on November 8-9 and at which the head of the order will be present from Port Huron, Michigan, to take part in the meetings. A large number of the Plattsmouth ladies are planning to attend this series of meetings.

The W. B. A. of the Macabees has proven very successful in the last year in their membership campaign and now are numbered among the leading fraternal organizations of the city, and each meeting sees new accessions to the ranks of the membership in the city and surrounding country. It was decided at the meeting yesterday that the monthly social meetings at the homes of the members be continued as serving to bring all of the membership in closer touch with each other and contributing to the welfare of the order.

YOUNG PEOPLE ARE JOINED IN WEDLOCK

Miss Hazel York and Mrs. Earl Williams are United in Marriage at Presbyterian Manse

From Wednesday's Daily.

Last evening at the home of Rev. H. G. McClusky, pastor of the First Presbyterian church occurred the marriage of Miss Hazel York and Mr. Earl Williams. The wedding was very quiet and the bridal couple were attended by Miss Mable Bennett as the bridesmaid and Mr. John Cechal as the best man. The ceremony was performed with the usual impressive ring service.

At the conclusion of the ceremony the young people enjoyed a very dainty luncheon and then returned to their home that they have prepared for their use.

The bride is a daughter of Mr. and Mrs. O. L. York, now residing at Manley and who were former Plattsmouth residents and the friends here of the young lady are legion. Mr. Williams is employed at the Barclay cafe and expects to continue there in the future.

SOMETHING WORTH READING

Have you attended our sale yet? If you haven't you should. We offer any article in the store to be put up at once to be bid on if the price goes too high stop bidding. Mr. Seigel will explain the auction so you can thoroughly understand it satisfaction guaranteed.

TAKEN TO HOSPITAL

From Wednesday's Daily.

This morning Harry Gouchenour departed for Omaha taking with him his son, Ike, who is to be placed in the hospital there for treatment and possibly an operation as the result of the injuries received two weeks ago when he fell out of a moving automobile and received severe injuries to his head. The young man was thought to be getting along very nicely and was able to leave the house a few days after the accident but later suffered a relapse and the condition of the patient became so serious that it was found necessary to have him taken to the hospital. The friends are anxiously awaiting the outcome of the case as it is apparently quite serious owing to the injuries to the head of the young man. Walter Gouchenour, uncle and Wayne Gouchenour, accompanied the injured boy to the hospital.

MEDICINAL BEER LEGAL- IZED IN NINE STATES ONLY

Washington, D. C., Oct. 25.—Prescriptions of beer as medicine under the new treasury regulation can legally be made in only nine states, Wayne B. Wheeler, general counsel of the Anti-Saloon league, said today in a statement.

These states, he said, are California, Connecticut, Massachusetts, Missouri, New Jersey, New York, Pennsylvania, Rhode Island and Wisconsin. Prescription of beer also is possible, he said, in the non-prohibited portions of Louisiana and Maryland.

Although Journal want-ads cost but little the results they bring are wonderful. Try them.

Proved! Tuesday! to Plattsmouth!

Big Audience at Parmele Theatre Hears Harvey Hindermeyer and the Dann Trio in EDISON Tone-Test

In a test of direct comparison, made Tuesday at The Parmele, before a large audience, the New Edison scored a complete and convincing triumph.

Harvey Hindermeyer, the famous tenor, sang in direct comparison with the *Re-Creation* of his voice by the New Edison. To every ear, there was no difference between his living voice and his *Re-Creation* voice.

This is the most drastic phonograph test known. No other phonograph has ever sustained it. No other phonograph has even attempted it.

The New Edison's marvelous performance of Tuesday vindicates everything that has been said or claimed for its perfect realism.

Mr. Hindermeyer stood on the stage next to a shapely Chippendale cabinet. He began to sing. His golden notes soared over the theatre, bringing all under its magic spell.

Halfway through his song, he suddenly stopped singing.

The New Edison, at his side, took up his song, — and continued it along.

Singer and phonograph thus alternated, throughout the song.

The only way the audience could be sure which was singing, was by watching Mr. Hindermeyer's lips, so exactly like the living voice was the *Re-Created* voice.

The Dann Trio made the same test of comparison with the *Re-Creations* of their instrumental selections. Again the same result — there was no difference between the *Re-Created* performance and the living performance.

Proof was piled upon proof! Evidence was massed on evidence! The end of the concert found the audience absolutely and completely convinced, through its own personal experience, that there is no difference between an artist's living performance and its *Re-Creation* by the New Edison, — that listening to the New Edison is, in literal truth, the same as listening to the living artists.

The NEW EDISON

"The Phonograph with a Soul"

Only one question can still bother your mind. This question we now answer.

The instrument used in Tuesday's tests was *not* a special model. It was an Official Laboratory Model, taken from our stock. Every Official Laboratory Model in our stock is guaranteed to sustain the same test of direct comparison with living artists.

You can have an Official Laboratory Model in *your* home. You can own an instrument which will do everything done Tuesday in the best. Come in. Hear the wonderful Official Laboratory Model for yourself. Learn about our Budget Plan, which puts our Official Laboratory Model into your home for no more than you would "pay down" for a talking machine.
