

MILK WAGON DRIVERS STRIKE AT NEW YORK

New York, Nov. 1.—Approximately eight million people in New York and surrounding cities found no milk and cream on their dumb-waiters or at their back doors this morning.

Thomas Nelson of Weeping Water was in the city today for a short time attending to a few matters at the court house.

BISHOP SHAYLER SPEAKS OF 'WORLD UPSIDE DOWN'

HEAD OF EPISCOPAL DIOCESE OF NEB. TELLS OF CHURCH WORK AS MISSIONS.

PIONEER CHURCH IN WORK

First of Christian Churches to Bring the Message of Christianity to the Outside World.

Last evening the members of the St. Luke's parish of the Episcopal church joyfully visited from the bishop, the Rt. Rev. Earnest V. Shayler of Omaha, who held the services at the church and gave a wonderful All Saints' day sermon on the church have carried out in making the world more responsive to the teachings of the Master, by their personal services and efforts in spreading the Christian faith.

Taking the thought of the day, All Saints day, the bishop pointed out the intention of the church in setting this day in its calendar as a tribute to the saints of the church, who have passed on, who are here today and who may come tomorrow.

Bishop Shayler pointed out that the first missionaries of the Christian church were sent out from Jerusalem, and numbered the personal witnesses of the Christian faith, men had spread their teachings over the lands lying to the westward in Greece and Rome and laid the foundation of the church, suffering imprisonment, privation and sometimes death for their teachings.

It was a missionary of the Episcopal church that landed at Jamestown, Virginia, in 1607 and founded the first parish in America, and from which had spread the teachings westward to the wilderness and paving the way for civilization on this continent.

The Episcopal church had after the earliest period ceased to be the great missionary force that it had previously been until awakened to the fact that in it lay the strength of the church and since that time the church has grown by leaps and bounds and carried the message of Christ across the continent and to the Isles of the Pacific as well as to China, Japan and the Philippines with the greatest of success.

It was not alone the work of the bishops and priests of the church that the interests of the church has been advanced but by the work of the saints of the church in the lay forces as well and these were among those to whom the church paid its tribute on All Saints day.

Bishop Shayler in his closing made a very eloquent appeal for the work of the individual in the church and the cause of the missionary field and the advancement of the Christian teaching, urging the parishioners to lift their glances to the higher hills of the life of the church.

The Pageant that was given at the St. Luke's church last Sunday evening showing the progress of the church work in this parish since organization, will be rendered on Friday evening at 7:45 at the church. The public is cordially invited to be present on this occasion and to enjoy the services with the members of the parish.

WHEAT TUMBLES TO LOWEST PRICE IN PRESENT YEAR

Chicago, Nov. 1.—Grain prices underwent a severe tumble today, carrying wheat and oats down to the lowest level reached for 1921.

Estimates that the world crop of wheat totaled 88,000,000 bushels more than last year had a tendency to discourage holders and to deter buying.

URGES C. S. ALDRICH FOR CONGRESSMAN

Well Known Elmwood Attorney and Banker Given Boost for Position in Halls of Congress.

Editor Plattsmouth Journal. Dear Sir: It is with pleasure I am writing you for the purpose of naming placing before you and for your consideration the name of C. H. Aldrich of Elmwood, Cass Co., Neb., as the candidate on the democratic ticket of the congressional district at its next congressional election.

I believe should the Democratic party honor him with the nomination it would mean his election although should Mr. Reavis, the present representative, decide to run again for this office, Mr. Aldrich would be put up a pretty good fight.

In Nebraska, the following number of deaths resulted from cancer: 1918-867; 1919-847; 1920-988; and during the first six months of 1921-656-excess of 1921 over 1920-26 cases.

Appalling as these figures seem they are incomplete for no doubt many persons afflicted with cancer, die annually from other causes and notation of cancer is not made in death certificate.

NOW PLAYING BASKETBALL

The many friends of "June" Marshall who is now connected with the National Cash Register Co. of Dayton, Ohio, will be interested in the following extract from a letter Mr. Marshall has written:

I have been practicing basketball two nights a week with the N. C. R., they are the city champions, and have practiced with the same team they had last year with the exception of one player and I am going to take his position of "Right Forward," at least that's the way it looks by the "write up" they gave me in the paper.

The N. C. R. basketball team, last year's industrial champions, are about ready to start off the season. The team has been practicing for the past three weeks, and are now in great form, ready to meet the best teams in southern Ohio and Indiana.

From Wednesday's Daily. Last evening Miss Estelle Lister entertained very pleasantly at her country home west of the city in honor of the young ladies employed at the Nebraska Masonic Home and the occasion proved most delightful to the jolly party of young people.

The Pageant that was given at the St. Luke's church last Sunday evening showing the progress of the church work in this parish since organization, will be rendered on Friday evening at 7:45 at the church.

Frank E. Schlater was among those going to Omaha this morning to spend a few hours looking after some matters of business.

CANCER COMBATED BY MEDICAL ASS'N

Urges Enlisting in Cause of Cancer Cure and Steps to Check the Dread Disease.

Editor Plattsmouth Journal: Esteemed sir: "The National Cancer Week," begins today and I have been requested by the Nebraska Cancer Research Society to call the attention of the general public to the objects and aims of this society.

Am sending you a few facts and figures with paraphrased quotations, from reliable authority, which, I trust you will find it well worth to publish in the Journal for the present week, as a matter of news and instruction.

From an editorial in the Journal A. M. A. date of Oct. 29-21. Next week we shall be in the throes of another drive, this time on cancer. The purpose of Cancer Week is to acquaint the lay public with the essential facts concerning the disease, treatment, and to reënlist the interest of the medical profession in controlling the disease.

spend the birthday anniversary. It was a late hour when the members of the party wended their way homeward wishing Charley many more such pleasant occasions.

OBITUARY

Martha Ellen Knapp was born September 16, 1849, in Illinois, and died at her home in this city, October 26, 1921, aged 72 years, one month and ten days.

KANSAS CITY'S PRAYER TO THE PRESIDENT FOR PEACE

Immediately after the morning session of the legion convention the delegates and visitors went to the early station plaza, where the memorial of Kansas City for the war dead was dedicated.

While the memorial was being dedicated, Kansas City sent to President Harding and to the nation as a whole, a message of peace. The message, prepared by R. A. Long, presiding officer of the memorial association, in the name of Kansas City, will be carried by a dove, the emblem of peace and good will.

From Wednesday's Daily. On Wednesday a number of relatives and friends of Charles W. Wittstruck gathered at the home of his mother, Mrs. Anna Gaster, to assist the young man in the proper observance of the occasion.

AN ANTI-KU KLUX CANDIDATE

New York, Oct. 29.—The anti-ku klux party will have a place on the ballot in the city election November 3, the board of elections announced today.

Frank E. Schlater was among those going to Omaha this morning to spend a few hours looking after some matters of business.
