Will Save Many Fires
Joseph Armstrong, of Alvo, has one of the best articles which will be a prevention of fires and which has been approved by both the fire commission of Nebraska and Iowa. The device clamps on the inside of the chimney and is secured with a bolt and screw. The device is known as the **POSITIVE BLUE STOP** and sure is such in reality as well as in name. This is an invention of Mr. Armstrong and has the commendation of the fire commission of the two states mentioned who see in it the saving on many fires and property which are caused by poor and inadequate fire stops. Mr. Armstrong and his son are very much inclined to the inventive and always give their best thought and work to whatever device they may have in hand. This device has taken much care in its designing and also in the execution of its manufacture. Mr. Ivan Armstrong has also invented a means of "chopping" food for chickens such as green bone and other vegetables in the harnessing of a lawn mower to a gas engine, which does the work that would take a number of other machines longer to accomplish, and which with this device is much better in the end.

Serious Results from Colds
Colds not only cause a tremendous financial loss but are also a serious injury to every one who contracts them as they lower the vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and cure your cold while you can?

UNION MAN LOSES ARM
From Saturday's Daily.
Last evening as Frank Boggs, of Union, who conducts the lower Main street hotel and the upper Main street restaurant in that thriving village lost his forearm as a result of a most peculiar accident.
The unfortunate man had been in the rear of his restaurant shooting rats and as he entered the building to put the gun away he accidentally caught it against the counter with the result that it was discharged, the shot entering his arm just above the wrist. The flesh was mangled in such manner as to leave a gaping wound and make necessary the amputation of his forearm.
He has been suffering much pain today but is getting along as well as might be expected.

ARMISTICE DAY IS VERY QUIET ONE

Presentation of Certificates and Musical and Dance Are the Only Events of the Day.

From Saturday's Daily
The passing of Armistice day, 1921, was very quietly observed in this city owing to the fact that the plans for the Burlington men to get away from their duties were not formulated until within the last few days and left no chance of making preparations for an extensive observance of the day as had been planned.
The presentation of the state certificates of service, which the state of Nebraska had had printed and which express appreciation of the people and government of the state to their sons who have gone forth in battle in the World War, was held at 7:30 at the high school auditorium and attended by quite a number of the service men as well as the citizens of the community.
Attorney A. H. Duxbury presided over the meeting which was opened by the singing of America, the air being led by Mrs. E. H. Westcott in the well known patriotic song, and as the last notes of the song died away, Rev. John Calvert, pastor of the First Methodist church, offered the invocation and asked the Divine blessing on the day and also an earnest prayer for the peace of the disarmament conference at Washington.
Mrs. Westcott then gave a special solo number in her usual pleasing manner and which was an inspiration to the meeting and well chosen for an occasion of this kind.
Hon. R. B. Windham, veteran of the Civil War, and pioneer legislator and statesman of Nebraska, had been selected for the task of giving out the certificates of merit and proceeded this part of the program with a few well chosen remarks in which he paid a glowing tribute to the men who served their country and a word of sympathy for those who had failed to realize the greatness of the occasion and stand forth as willing to do battle for their country.

The certificates were then given out as the names of the former service men were called and each received what the state had designated as their official expression of appreciation of service.
Following the presentation the musical and dancing party at the Eagles hall was given, and the hall crowded with a large number of the residents of the community, who were meeting with the former service men for the occasion. The musical portion of the program was very pleasing and enjoyed by all. The leading artists of the city, Mrs. E. H. Westcott and Edna Eaton offering vocal solos that gave their splendid voices a fine opportunity for expression, while Mrs. Christine Conklin and Mrs. Roy Cole of Myrand, two of the most talented pianists in this city, gave piano selections, which were received with marked favor, rivaling the enthusiasm with which the vocal numbers had been received.
After the last of the musical numbers, the younger set enjoyed a fine time dancing until a late hour, the music furnished by the Holly Syncopators.
The hall was decorated very pleasingly in the national colors as was also the service room where several of the charming little ladies of the city served punch during the evening to the thirsty audience.

A Reliable Remedy for Colds and Croup
It would surprise you to know the number of people who use and recommend Chamberlain's Cough Remedy. Mrs. J. N. Rose, Verona, Pa., writes, "Chamberlain's Cough Remedy has been used by myself and husband for a number of years for coughs and colds. I also gave it to my little granddaughter, three and a half years of age when she had croup last winter. It broke up the attack at once. I have recommended this remedy to many of my friends and neighbors who have also used it with good results."

ENTERTAINS AT UNION
From Saturday's Daily.
Last year a number of the Plattsmouth entertainers whose splendid talent has often contributed to the programs and public gatherings here, were asked to give a recital at Union, and did so, and this year they were once more urged to give the good people of that place an opportunity of hearing them and accordingly on Thursday evening the visit was made to our neighboring city.
Mr. E. H. Westcott, vocalist; Mrs. E. H. Westcott, pianist; Mrs. Wm. B. Westcott, reader; and Miss Alice Louise Westcott, whistler, comprised the party of entertainers and their recital program was thoroughly enjoyed by the citizens, who had gathered in large numbers in the hall for the purpose of the Epworth League of Union at the Becker hall in that place, and was well attended by a delighted audience.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. ASK your neighbor!
Mrs. F. N. Raneil, 1109 Pearl street, Plattsmouth, says: "I believe Doan's Kidney Pills can't be beat as a remedy for any kind of kidney ailments. A number of years ago I was in bad shape with my back. I was laid up so I had to have hot poultices put on my back and sides to relieve the pain. I could hardly turn over in bed and was sore all through my back. I would have awfully dizzy spells and specks would come before my eyes. Many times I would have to sit down and wait for these attacks to pass off. It was only a little while after I commenced to use Doan's Kidney Pills that I began to improve. I got several boxes from Weirich & Hadraba's drug store and they finally gave me permanent relief after other kidney remedies had failed. I always keep Doan's on hand and use them when my kidneys need attention. They keep them in a strong condition." 60c. at all dealers. Foster-Milburn Co., Mrs., Buffalo, N. Y.

LOUISVILLE Courier

Claude Seiver and George Schoeman have finished shucking seventy acres of corn at the farm of C. E. Noyes and say they had a fine time and that the country beats town, any old time.
Mr. and Mrs. Edward Todd and little son, of near Plattsmouth, drove up Sunday to take dinner with their cousin, C. G. Mayfield and family and in the evening they were supper guests of their uncle and aunt.

Elder and Mrs. G. W. Mayfield. They were accompanied by the young lady who teaches in their district and who boards with them.
Mr. and Mrs. Rudolph Hell write to us from Laramie, Wyoming, to have their address changed to that city from Kimball, Neb., where they have been making their home. They are enjoying the west and say the scenery is fine around there. The Black Hills are to the east and west of them, and snow covered mountains beyond the Hills to the west. They saw a big snow storm in the mountains from Laramie and say it was a wonderful sight. They send regards to Louisville friends.
Mrs. E. G. Pautsch was pleasantly surprised last Sunday evening when a few of her relatives and friends dropped in to spend the evening in honor of her birthday anniversary. A supper was served at a

late hour and the evening passed swiftly in music and lively conversation. The guests were: Mrs. Pautsch's brother-in-law and sister, Mr. and Mrs. Will Schliefert, son, Elmer, and daughter, Erna, of west of Manley, Conrad Wehrman of Murdock, Mr. and Mrs. August Pautsch, Mr. and Mrs. Charles Lau and two daughters, Misses Augusta and Helena.
