Every NEW EDISON is a period cabinet

GENUINE period furniture is the great modern vogue in interior decoration. That is why it commands such enormous prices. Connoisseurs pay thousands for choice pieces.

If you and your family love these beautiful creations, get a New Edison.

Edison cabinets are made in 17 different designs. Each (even the least expensive) is adapted from some masterpiece out of the Golden Age of Furniture. The sources are English, French, and Italian.

Come in and inspect these cabinets. You will see that they are authentic period designs, of the kind and quality associated with the costliest interiors. Better come right away—because Edisons go triply fast at Christmas time.

For \$ _____

(Fill in your own first payment)

So, don't delay. Come at once. Arrange to give your family the miraculous New Edison this Christmas. If you prefer to know more about the Christmas Budget Plan before coming,—mail the coupon. But mail it today.
