COUNTY BOARD CUTS OUT HIGHWAY COMMISSIONER

Decide on Abolishing Office at Their Mr. Kuhney lost all his equipment Session Today and Expect to Save County \$2,000

From Thursday's Daily. The county commissioners at their session today took up a number of matters in line of retrenchment in the expenses of the county and one of the first steps taken was that of doing away with the office of county highway commissioner and in which the county board expects to make a saving of some \$2,000 for the county taxpayers during the year. While this office has made a good showing Bank of Cass County Building will to conduct the business of the counand been valuable in the work of construction of the different road pro-More Than Ever, in 1922, Platts- jects carried on during the past year, it is figured that there is now very little new construction ahead From Friday's Daffy and the main task in the future will The annual meeting of the Platts- deal in lessening the cost of governbe looking after the upkeep of the mouth State bank was held last even- ment.
