HEARING OF STULL CASE BEGUN TODAY

DISTRICT COURT ROOM CROWDED TO CAPACITY AS HEARING OPENED BY STATE.

From Saturday's Daily.

This morning at 10 o'clock the hearing of the complaint filed by County Attorney A. G. Cole for the State of Nebraska and involving the custody of the children of C. Lawrence Stull, was commenced in the district court before Judge James T. Begley and at the opening of court the room was filled to its utmost capacity and spectators were standing in the rear of the court room, eager to hear the details of the case as presented by the state and the defense offered by Mr. Stull.

The State of Nebraska was represented by County Attorney A. G. Cole and H. H. Antles of the department of public welfare and the special welfare worker who has assisted Mr. Antles in making the investigation of the case, while Attorney D. O. Dwyer appeared for Mr. Stull.

The children, nine in number, were present in the court room and were seated with the lady who is at present assisting in the care of the Stull household at the farm north of the city.

The witnesses for the state were called to prove the unsanitary and unsuitable condition of the home and its surroundings, detailing the circumstances around the home. Mrs. Keiser, a former housekeeper told of the experiences she had found at the home, coming there last September. The children were not in school all the time the witness stated, and also they were doing a great deal of the work arising at an early hour and remaining out in the field quite late, especially in the buying season. Mrs. Keiser, on cross examination stated that there had been plenty to eat at the home and that the children had recited Bible verses at their meals during her stay there.

Dr. J. S. Livingston testified to the appearance of the premises during one of his professional calls and stated that it was very dirty and especially in the surroundings of the outside of the home.

There were a large number of witnesses called during the afternoon session, with the defense preparing to place their evidence before the court.

ELECTS OFFICERS OF THE PARISH

Meeting Held Last Evening at St. Luke's Church is Very Largely Attended by Members.

From Saturday's Daily.

The parish meeting of the St. Luke's church was held last evening at the church and quite a large number of the members were present to hear the reports of the various departments of the church. Each of the societies and their guilds reported and a very pleasing showing for the year. One of the delightful features of the evening was the report of the Church School Service League which was made by the little folks of the organization. Charlotte Field, Ruth McMaken, Jimmie Begley, and Eleanor Cole, secretaries of the various chapters of the league, reported and showed a neat sum for the year and Laura Grassman presented the report of Mrs. W. S. Lee, who has been supervisor of the league during the past year.

In the selection of the church officers R. W. Clement was named as senior warden and Dr. J. S. Livingston, as junior warden, and J. W. Falter, C. G. Fricke, H. R. Cole, Charles S. Dovey, and Judge J. T. Begley were named as vestrymen of the church.

The members of the parish expressed the appreciation of the splendid services that Father Lee and his family have given in the strengthening of the work of the church and especially of the work of Mrs. Lee in the church school and as well commended the services of the vestry of the past year for their interest and help in the conduct of the affairs of the church.

NEW WRIGHT NOVEL

The latest work from the pen of America's foremost novelist, Harold Bell Wright, is "Helen of the Old House" and the Journal office has just received a number of the handsomely bound novels from the Appleton company. This novel is one that has brought added luster to the fame of Mr. Wright as one of the leaders of American literature. The price of this edition is only \$2.00 per volume.

Owing to my age and inability to care for such a large herd of sows I am offering the herd half in two and am selling foundation sows in this sale that couldn't be beat in the world. One of these sows will make you more money in the long run than four ordinary sows and your price will be mine. Remember the date and place—Saturday, January 21st, Frank Anderson, Pacific, Iowa.

MRS. DOROTHY HESSE ANSWERS FINAL SUMMONS

Estimable Lady, Resident of City for Past Thirty-Five Years Passes Away Last Evening.

From Saturday's Daily.

Following an illness of the past six weeks, Mrs. Dorothy Hesse, one of the old and highly esteemed residents of the city, was called to her final reward last evening, the death coming as the result of a severe attack of heart trouble.

In the passing of Mrs. Hesse, the community loses a kindly neighbor and friend and the family a loving and devoted mother who has in the years past tenderly reared her family to manhood and womanhood.

The deceased lady was born in the province of Alsace, then a part of the French empire, December 31st, 1858, and resided there until reaching the age of eighteen when she came to America with her parents. The family first settled at Mendota, Illinois, and later removed to Ravenna, Nebraska, where they located, and where the deceased lady resided until 1884 when she came to Plattsmouth and was married here to August Hesse. To this union there were born seven children, two of whom, Henrietta and August, who died while in the service of the U. S. in the world war, have preceded the mother to the better land. The children surviving are Mrs. Kate Rice, Henry Hesse, Mrs. Louise Cunningham and Louis Hesse, all of this city, and Fred Hesse of Minneapolis.

The death of the husband occurred in 1906 and during the childhood and youth of the children they have had the splendid care of a most devoted mother whose every thought has been of their welfare and happiness and in her going to her reward the family have suffered a loss that they cannot replace and which only the tender ministrations of time can soften to them.

The funeral services will be held Sunday afternoon at 2:30 from the St. Paul's Evangelical church of which the deceased was a member in her lifetime and the body will be laid to rest in the family lot in Oak Hill cemetery.

BUSINESS CHANGES HANDS

On Saturday a deal was made whereby E. Ratnour and his son Herbert, purchased the hardware stock of Mr. M. J. Wickersham.

Mr. Wickersham will go to Florida, where he has land interests and go into the real estate business. He has been in the hardware business in Weeping Water for the past fifteen years. He has gotten tired of the cold winters in Nebraska and he and Mrs. Wickersham felt they would enjoy the sunny south for a permanent home. They take the hearty good wishes of a host of friends with them for health and prosperity in their new home.

How a Rat Nearly Destroyed Mrs. L. Bowen's (R. I.) House

"For months we wouldn't go into the cellar, fearing a big rat. One night it set our whole kitchen on fire by chewing matches. The next day, we got the ugly thing with Rat-Snap—just one cake." Rats dry up and leave harmless. Three sizes: 35c, 65c, \$1.25. Sold and guaranteed by Bestor & Swastek Weyrich & Hadraba F. G. Fricke & Co.

OBITUARY

Mrs. Clara Domingo was born April 10, 1893, on the farm north of Weeping Water, where she grew to young womanhood. She attended school at the Chilson school house until she took all the grades and then finished at the Academy.

She was married to H. R. Reed on April 10, 1913, and went to Wood River, Nebraska, to make her home. She died at a hospital in Grand Island on January 2, 1922.

The body was brought to Weeping Water and taken to the home of her parents, Mr. and Mrs. Jacob Domingo and the funeral was held at the Congregational church on Thursday afternoon, January 5, conducted by Rev. W. H. Riley, pastor.

Mrs. Reed leaves a husband, two children, father, mother, two sisters, Mrs. S. R. Smith, Omaha, Mrs. John Swindle, Hardin, Montana, two brothers, Oscar Domingo and Frank Domingo, of Weeping Water, to mourn her death.

The interment was made in Oakwood cemetery.—Weeping Water Republican.

Constipation

Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipes of your home be kept open and carry off the waste from the house. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed. Weyrich & Hadraba.

COFFEY HAS PLAN TO CUT TAXES

Lincoln, Jan. 13.—A program that he says would effectively reduce taxes in Nebraska is contained in a contribution to The New State, new progressive party weekly issued here, from Frank M. Coffey of Lincoln, secretary of the State Federation of Labor. The article will appear in tomorrow's issue. It says:

"The repeal of the code law with its duplication and its overlapping cost, the limiting of traveling expenses of state officers and employees, even the forbidding of state officers to charge the state with expenses money never expended, the outlawing of the purchase of needless furniture, fixable a reduction of taxes.

"But who is there who expects any such action from the special session, even if the call would permit such action.

Every now in the Anderson sale has been immuned, all healthy and fine. Don't fail to own one.

Blank Books at the Journal Office.

Worth Considering

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, in their beginning, you will secure a bottle of Chamberlain's Cough Remedy without delay and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent. Weyrich & Hadraba.

\$100 REWARD

For information leading to the arrest and conviction of parties robbing the Cullom elevator of tools, files, etc. CULLOM ELE. CO.

Tablets, note books, pencils, etc., for the school children, may be had at the Journal office.
