WILL URGE THE SECURING OF WAR MEMORIAL HERE

Fontenelle Chapter of Daughters of American Revolution to Appear for Contributions.

The members of Fontenelle chapter, Daughters of the American Revolution, several months ago started the campaign for the laudable purpose of raising funds for the erection of a tablet in memory of the Cass county men who had made the supreme sacrifice in the world war, that their deeds of valor and sacrifice might not be forgotten in the years to come.

The ladies have decided that this tablet should represent the contributions of the good people of the county and that all may have an opportunity of contributing to the same, they are arranging that they will have special days for contributions from all sections of the city and over the county. This tablet will represent all Cass county and those who desire to make any contribution however small may have an opportunity to do so.

It is expected that the tablet will cost from \$500 to \$600 and this amount should be easily raised in the small free will offerings of the residents of the county. It is a most laudable cause and the ladies are to be congratulated on their splendid patriotic spirit that prompted them in arranging for the memorial to our honored dead.

The exact location of the tablet has not been decided on and this will be probably turned over to the American Legion post to determine and it is probable that the tablet will be placed in the Cass county court house.

Constipation

Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipes of your home be kept open and carry off the waste. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed. Weyrich & Hadraba.

RECEIVES SAD NEWS

From Saturday's Daily. W. T. Craig of this city today received a message announcing the death of his sister, Mrs. Hannah Evans at Monroe, Nebraska. The deceased lady was born at Paris, Kentucky, fifty-five years ago and has resided in this state for some years. The funeral was held Friday at Plattsmouth, and the body was laid to rest there. Mrs. Evans was the youngest sister of Mr. Craig.

MOST SUCCESSFUL BAZAAR IS CLOSED BY THE K. OF C.

Large Crowd Present Last Evening to Witness the Final Scenes of Gala Occasion.

From Friday's Daily. Last evening saw the close of the Knights of Columbus bazaar at the hall on Chicago avenue and the building was filled to its utmost capacity by the jolly and enthusiastic crowd to assist the Knights in making the event a great success, both socially and financially.

The fact that the principal contests of the bazaar were to be closed on this evening drew many and the greatest interest was shown in the outcome of these events. In the popular lady contest the friends of the various candidates were very active and from the early part of the evening until the announcement of the winner the interest was unabated. Miss Catherine Novatney was the winner of the handsome gold wrist watch offered as the prize, her vote being very decisive. Miss Novatney received 746,199, while Miss Eleanor Schlegel, nearest competitor, received 432,500. Miss Agnes Bajek was third in the contest with a total of 151,400. The winner was presented with the prize which will be treasured in the years to come as a remembrance of the pleasant event.

The drawing of the fine Edison phonograph, which was the capital prize of the bazaar, was secured by Fred Engel, of Omaha, the veteran traveling representative of the McCord-Brady company, and who will have one of the most delightful musical instruments to adorn his home in the future. This was a splendid prize and one that Mr. Engel cannot help but appreciate as it is something that will be a joy for many years.

In the baby doll contest, the beautiful little Columbia doll was secured by L. W. Lorenz, who held No. 11 in the drawing.

The guessing contest on the jar of beans was won by A. J. Toman who placed a guess of 7,300 on the number of beans in the jar, while there were 7,295 in the jar and as the nearest contest, Mr. Toman was given the \$5 prize.

Dr. P. J. Flynn had offered a prize of a \$10 gold piece and which will remain in the medical profession as Dr. H. C. Leopold won the prize with No. 49. J. M. Sedlak had donated three chickens which were won by Eugene Faryer with No. 8. A fine painting brought from Germany by Frank Fischer was won by Miss Josephine Rys with No. 93 and the dozen chickens donated by August Bach were captured by Mrs. Charles Renner with No. 2.

Those who enjoyed dancing availed themselves of the opportunity until a late hour to the delightful music furnished by the Holly orchestra and this proved a most attractive feature, although the large crowd and the interest shown at the different times will be devoted to the use of the building that the order has purchased for their permanent home.

The final result of the bazaar has not been checked over but the Knights of Columbus will realize a net sum that will be devoted to the use of the building that the order has purchased for their permanent home.

NAME EPISCOPAL EXECUTIVE COUNCIL

Body Votes to Accept the Quota of \$34,000 Fixed by General Church for this Year.

FIRE LOSS NOT SO GREAT AS IN 1920

C. E. Hartford Addresses Nebraska Volunteer Firemen—Deplores Light Sentences Given.

Norfolk, Neb., Jan. 18.—C. E. Hartford, state fire marshal, addressing the Nebraska volunteer firemen's convention today, said the fire loss in the state last year was 2,164,042. He considers this sum enormous, but said it was \$500,000 less than the losses in 1920. He said the public does not understand that there is no actual replacement of this property when insurance is paid. The insurance is merely new wealth collected and distributed. The property gone up in smoke is property destroyed forever. He believes his office and its assistants have done good thru a campaign of education intended to mould public opinion and has reduced the number of preventable fires.

The state fire marshal reported the loss of twenty-eight lives by fire the past year, and twenty-one persons injured. Nearly all deaths and injuries were caused by carelessness or ignorance in the use of kerosene or gasoline. He regards kerosene as dangerous as gasoline when used to give pep to a smouldering fire.

The fire marshal paid his respects to the incendiary and said he and his assistants have inspected ninety fires during the past year and that those engaged in this great criminal enterprise are not allowed to pursue their work unmolested. After he receives a confession of guilt from a firebug, it is up to the courts to impose sentence.

"We have been keenly disappointed in the light sentences that have been pronounced," said Mr. Hartford.

An important task of his office is the condemnation and repair of buildings. During 1921, 635 complaints were filed requesting condemnation or extensive repair. Out of this number 191 buildings have been reported wrecked or removed, 133 buildings have been reported repaired and put in good condition and five complaints have been dismissed as unwarranted and unjust.

"We have been keenly disappointed in the light sentences that have been pronounced," said Mr. Hartford.
