Murray Citizen Answers Call

Mr. W. H. Hendricks for many years a citizen of Murray answered the call of the Angel of Death last Thursday at the home of his son Jesse Hendricks of near Creighton, where he and his wife had been making their home. Mr. Hendricks was born at Keokuk, Iowa, March 22, 1846, and came to Nebraska with his parents in 1863 and has made his home here since. At first he was engaged in the freighting business and later in farming. On Jan. 7, 1870 he was married to Mrs. Mahala Rakes. From this union seven children were born, some dying in infancy, they are: Mrs. A. B. Schlegel of Magnet, Mrs. W. H. Taylor of Gordon, Neb., John Hendricks of Murray, Jesse Hendricks of Creighton, Mrs. J. W. Carroll of Plainview, Mrs. C. C. Carroll of Murray. There was also 27 grandchildren and 17 great grandchildren. For thirty years Mr. Hendricks was a member of the Christian church, and was one of the most conscientious of men and having respect of all who knew him. The remains were brought to Murray and the funeral conducted from the Christian church last Sunday, by the Rev. W. A. Taylor.

MAY INVESTIGATE FIRE

The reports from Lincoln state that State Fire Marshal C. E. Hartford may cause an investigation to be made in regard to the causes of the fire that occurred here at the R. L. Probst residence on last Sunday morning. The investigation is to be on the matter of the use of pennies in place of the fuse plugs in the electric appliances of the house and which it is claimed may have caused a short circuit in the line and led to the fire. It was first thought that the fire originated from a defective flue but those who have looked into the matter think that the pennies may have been at the bottom of the trouble that caused the extensive damage to the house and its contents.
