Meet "Old Man Opportun
Big Bargain
FEBRUARY

"Old Man Opportunity" says that no where are such low prices in effect as at Plattsmouth stands to reason if your neighbors and friends can save money by coming to Plattsmouth, you can do a good business proposition. It brings together the people who need the goods and the people who have town co-operating and concentrating on a single day's selling, making possible inducements otherwise in money and would have to be added to the price of the goods. You don't have any of these things to pay the selling; the buyer saves in the buying. Therefore, "Old Man Opportunity" invites you to come to SAVE money.
