THE ROMANY SERENADERS The male quartet which has attained such wonderful work and which is on the Midland Lyceum course will appear at Union on Friday of this week when they will give one of the best entertainments that is now on the chautauqua platform. On account of the stringency of the times during the early portion of the lyceum course there was not enough money to bear the expense of a large crowd as was desired and the few who guaranteed are at this time facing a deficit of some \$8 each. Better get behind this last number and all get out and get the worth of your money and a little more, and also assured that it is a fortunate expense for when the ones who seek to make the entertainment of the city worth while it is not just the thing to allow them to bear the brunt of the expense.

WILL GIVE ASSISTANCE Hon. E. M. Pollard is offering his kind offices to all who care to avail themselves of the opportunity to get into the Airdale Calf club which has the improvement of the stock grades of cattle as an end. These cattle range above the majority of the grades of cattle as to quantity and quality of milk derived from the cattle and are stocky enough for beef as well.

The cost to get the cattle is about \$60 each, for the cows of heifer calves and for the bulls the price will be only about \$45 to \$50. Mr. Pollard has very kindly consented to act in the matter and without any thought of recompense for his work and trouble that those who care to become members of the club may benefit thereby. Get into communication with Mr. E. M. Pollard at Nehawka and he will tell you all about the advantages which are to be derived from the starting of this extra strain of dairy cows.

CONVICTS TO BE PUT TO WORK ON HIGHWAYS Lincoln, March 17.—Rather than keep the 600 convicts in the Nebraska penitentiary shut in during the summer, the board of control will reduce the pay schedule to meet private contract prices on public highway. A. E. Alya, member of the board, announced today.

His announcement followed a statement from Secretary George E. Johnson of the state department of public works that the department could not afford to pay the \$2 a day for convicts, besides maintenance and guards, in the face of lower private contract costs this spring.

The department the last two years has been employing 150 convicts under a contract with the board of control and paying the state for the services of the men.

HARDING PLANS TO REACH WASHINGTON ON SUNDAY St. Augustine, Fla., March 17.—Taking advantage of ideal weather President Harding spent all of today on the golf links, playing thirty-six holes.

The president and Mrs. Harding entertained this evening at dinner at their hotel, having as their guests a company which included Secretary and Mrs. Weeks, Dr. and Mrs. Nicholas Murray Butler and Miss Sarah Butler, former Senator and Mrs. Chauncey M. Depew of New York, Attorney General Daugherty, Under-Secretary of State Fletcher, Brigid

General Sawyer and Secretary Christian.

Plans for the return trip to Washington as announced by Secretary Christian call for the president and his party to leave here tomorrow and to reach Washington Sunday.

The president, it was said by administration spokesmen tonight, has made no appointment to receive any delegation of the house or the soldiers' bonus or any other question on his return.

The president was said tonight to be unchanged on his position on the subject which was outlined in his letter to Chairman Fordney, namely to pass a sales tax to raise the funds or postpone the bonus legislation.
