OH! MY BACK! LOCAL NEWS

The Expression of Many a Kidney Sufferer in Plattsmouth

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Plattsmouth proof:

A. J. McFarland, 306 Third St., says: "I was doing some heavy lifting which strained my back and kidneys. This put me in such shape that I had to walk with a cane for a number of weeks, and I couldn't straighten. It felt as though there was a heavy weight across my back that was just holding me down. I couldn't sleep nights and it felt as though I had been stuck in the back with a sharp knife. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I was told to try Doan's Kidney Pills and after the first box my condition was much improved and I was able to walk straight. I used four boxes from Erick & Co.'s drug store. My back and kidneys have never bothered me since and I believe Doan's will do the same for other people if they will give them a fair trial."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. McFarland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
