Smile! Smile! Smile!

There is cause for the same at the home of John Robbins and wife, as last Thursday there was a baby girl presented to this happy couple, coming via the stork route. Dr. J. F. Brendel testifies to the beauty of the little stranger. The mother and little daughter are doing nicely and John, well, he has not stopped smiling long enough to tell about his real condition.

Celebrates Seventieth Birthday

Last Thursday C. H. Boedeker celebrated very quietly the passing of his seventieth milestone on his life's journey. Mr. Boedeker who has some years ago retired from active life is enjoying a very good state of health and is well satisfied with his surroundings here.

Breaks Collar Bone

While playing in the yard with a dog, John Tilson, named for his

grandfather, John Wiles, fell in such a way that he suffered a fracture of his collar bone. The injury was dressed and the young man is getting along very comfortably just now.

Taxes Much Higher

Speaking of taxes this year and last Mrs. Sadie Oldham says her taxes are probably fifty per cent higher while the farm products are more than that much lower. With resources diminished for the collection of money to pay the taxes she is compelled to pay more money. It looks like something was wrong in the way things are being run. With the elimination of a number of offices which do not seem to subserve any good purpose there could be saved to this county over \$30,000. Mrs. Oldham's taxes in 1920 were \$98 and 1921 they went over to \$150. This makes people think some and probably will act later on.

COLLECT \$100,000 FOR FISH LICENSES IN NEBRASKA

Lincoln, April 3.—Figures compiled by C. A. Sommer, state accountant, show that approximately \$100,000 was collected by the fish and game department for hunting and fishing licenses last year.

It is apparent that a dispute may arise as to how these funds may be used. The legislature of 1921 provided that the money should be used to carry on the work of the department, including the propagation and distribution of fish. Formerly it went into the school fund.

The constitution provides that "all such fines, penalties and license moneys shall be appropriated exclusively to the use and support of the common schools in the respective subdivisions where the same may accrue."

The seeming conflict of the 1921 law with the constitutional provision offers a close question as to whether these funds can be used for other than school purposes.

Does the Hog Pay the Farmer?

Well yes they have been doing pretty well and as one is raising hogs, why not get the most out of the critter. When he has to fight lice and other vermin, he cannot put on the amount of meat as when he is free from these and mange.

Our hog oil, a sure preventative. Single 40 cents, 5 or more gallon lots, 30 cents per gal.

Hog dip, single gallon \$1.25. Five or more gallon lots, \$1.00. Try our Hog Tonic and Regulator.
