PHILATHEA GLASS HAS VERY PLEASANT GATHERING

Meeting at Home of Mrs. James G. Maury is in Nature of Show For Miss Rose Creamer.

From Wednesday's Daily.

Last evening Mrs. James G. Maury was hostess to the members of the Philathea class of the Methodist Sunday school and the occasion was one signalized by the most delightful pleasure and a shower in honor of Miss Rose Mae Creamer, one of the forthcoming spring brides, and who has been a member of the class for a number of years. The home had been arranged in keeping with the spirit of the happy event, with decorations of hearts and cupid, symbolic of the coming marriage of Miss Creamer. Not only was the bride elect given some suggestions as to her future as the presiding genius of the home, but the friends and classmates carried out a mock wedding that in its beauty and effectiveness was almost as impressive as the real ceremony. The bridal party consisted of Mrs. Clarence Boynton as the bride, Mrs. F. R. Gobleman as the groom, Miss Kief, groomsmen; Mrs. J. E. Wiles, flower girl and Mrs. E. G. Schallenberger as the ring bearer, while C. C. Westcott, teacher of the class, served as the officiating genius who tied the matrimonial knot. Mrs. John Lyon added to the realism of the ceremony with the well known Lohengrin bridal march, as the party entered the parlors of the home.

Following the wedding a large white parasol decorated with hearts and cupid was brought forth and as the bride raised the sunshade a large array of tasty and suitable gifts showered themselves upon her as remembrances of the members of the class.

The ladies at their business session decided to continue their old officers in office for the ensuing year and as well spent a short time in the preparing of towels which were presented to the bride.

A short program was given consisting of a saxophone number by John Lyon and a reading by Mrs. B. C. Doolan which was much enjoyed.

At the close of the evening the committee consisting of Mesdames Trively and Marshall served a very dainty two-course luncheon and were assisted by Mrs. Maury and Mrs. J. E. Wiles in serving.

ALLEGED DESERTER IS CAPTURED BY MAYOR

Chicago, April 4.—Mayor William Hale Thompson caught an alleged army deserter today and earned a \$50 reward for making the capture. The man arrested gave his name as John Ross of Providence, R. I., and said he had obtained the endorsement of scores of mayors between here and Boston while on a cross-country "hike."

It has been his custom to visit the chief executive of each city through which he passed. When he visited Mayor Thompson the latter questioned him closely and asked for his army discharge papers and when he could not produce them, he was arrested by Department of Justice agents, who said that Ross had served overseas in the 77th division, had re-enlisted at Providence and deserted while at Camp Dodge, Des Moines, Iowa.

SURPRISE IS SPRUNG IN THE CITY ELECTION

VOTERS IN 2ND WARD WRITE IN NAME OF J. H. M'MAKEN FOR COUNCILMAN.

From the humdrum of a listless campaign the voters of the second ward of the city furnished a real surprise yesterday when by a great majority they elected J. H. M' Maken to the city council, by the process of writing his name on the ballot and the exceptional large majority rolled up was a striking example of the desires of the voters. The vote in the ward as given out stood, M' Maken 137, Lindeman 87 and this was the fact that some thirty votes with Mr. M' Maken's name written in, but not crossed, had been thrown out by the board, but these were not needed by Mr. M' Maken as his majority reached eighty in the ward. The voters evidently were very desirous of making their expression as it is seldom that such an overwhelming majority of the voters can be induced to go to the trouble of writing in the names of the candidates on the ballot.

The fourth ward once more decided that they would give Councilman John C. Brittain the recognition he deserves for his good work in the city council and elected him by the handsome majority of forty-three, the vote being, Brittain 99, A. R. Johnson 56. Brittain is serving his first term in the city council and has made a very pleasing record as a member of the council and especially as chairman of the cemetery committee and it was this fact that largely caused the voters to give him the endorsement that they did.

The fifth ward was another scene of the election of the independent candidate to the office of councilman, L. E. Vroman, former councilman, being elected over Councilman John W. Maurer by the vote of 94 to 34, giving Mr. Vroman a majority of sixty in the ward.

These were the only returns that deviated from the ticket selected at the citizens convention, but over the city a scattering vote for mayor indicate a trend toward an independent expression by the voters of the city. The election of Mayor C. A. Johnson was by a large majority of the vote as none of the other names written in came anywhere near upsetting the vote of the present mayor. C. G. Fricke was given a very large scattering vote over the city and a number of the voters also gave Fred Wagner a complete vote but none of these proved serious to the candidacy of Mr. Johnson.

City Clerk Aubrey Duxbury and City Treasurer Hartford were easy winners and came under the wire without opposition and the city clerk will head the ticket in the port of majority as his vote was some larger than the other candidates in almost all the wards.

The political aspect of the campaign was forgotten as the democrats and republicans forgot party lines and entered the lists to support the candidate of their choice, but one thing was made evident and that was that the people of the community desired to express themselves as to the candidates and made clear that there should be two candidates for each office to allow the voters to choose, and it is certain that at any future conventions the voters will insist that there be two names submitted for the different offices, unless in exceptional cases.

The school board election gave Attorney A. G. Cole and Don C. Fork handsome majorities in all of the wards and while the name of Attorney A. L. Tidd was written on the ballot in a few wards it was not sufficient to give him anyway a dangerous vote to the other candidates.

BOND ISSUE WINS IN CITY ELECTION AT GRAND ISLAND

Plan to Extend Present Sewer System at Expense of \$200,000 is O. K'd by Voters.

Grand Island, Neb., April 4.—Though a 60 per cent vote was necessary, Grand Island citizens today voted bonds in the sum of \$200,000 for sanitary sewerage extension and \$100,000 for storm sewerage, the two propositions being dovetailed in a plan for enlargements and extensions of the present system of mains.

Despite much justified complaint about local high taxes citizens recognized the prevention of flooded cellars in the case of heavy rains, the demands of the state board of health for remedied conditions at the mouth of the sewer and threats of farmers to sue the city for damages and the fact that sanitary sewerage is now limited to only 11 additional blocks, so that the building of homes has been retarded, as undeniable needs for the present as well as the future welfare.

The only members of the board of education running for re-election was defeated, partly, it is believed, owing to protests against heavily increased school expenditures.

TAXES FOR THE STATE EXCEED THE COUNTY LEVIES

Ten Nebraska Counties Show This in Tabulation by Phil Bross—Many Funds in Counties.

Lincoln, April 4.—In ten Nebraska counties last year, taxes to support the state government were greater than those raised for local purposes, according to a tabulation of figures made by State Secretary of Finance Phil Bross, showing the distribution of county taxes into funds on the 1921 valuation.

With the state levy to maintain the administration \$3.30 on each \$1,000 valuation, the following counties worried along with their own maintenance on these taxes on \$1,000 valuations:

Adams, \$3.20; Cedar, \$1.10; Cheyenne, \$3; Grant, \$2.50; Lancaster, \$2.85; Nuckolls, \$2.70; Otoe, \$2.20; Phelps, \$2.90; Seward, \$3.23; York, \$2.31.

The Phelps county total includes an average township levy of \$1.90. These counties had to raise such funds as general, averaging 36 per cent of the total; bridge, averaging 19 per cent; road, averaging 15 per cent; poor aid, county farm, mother's pension, soldier relief, bond interest and sinking fund, emergency and bridge special funds.

The average for all the counties, according to Bross' totals, is \$4.42 on the \$1,000 valuation, for all the ninety-three counties of the state.

Cass, Deuel and Hamilton counties just equaled the state taxes.

County taxes in Douglas county amounted to only \$3.85, or 15 cents on the \$1,000 valuation more than the requirements of the state government.

COMMISSIONERS IN SESSION

The regular monthly meeting of the board of county commissioners was held today at the court house and the opening session largely devoted to the consideration and allowance of bills against the county.

"Lissen, Peggy—every mudder gives her kiddies KELLOGG'S because you can eat great big bowls an' they taste good—er an' they're all crispy an' dandy!"

You never tasted Corn Flakes so joyously flavored, so crispy-crunchy as Kellogg's

That's why big and little folks who know the difference insist upon KELLOGG'S! The thing to do is to make comparison—Kellogg's against any other kind of corn flakes you ever ate! If it's quality, or all-the-time crispness or delicious or appetizing flavor you want—well, just wait till you eat Kellogg's! And, what a delight to know they're never leathery!

You'll get so cheerful about Kellogg's that the day's best hours will be when it's time to sit down with the family in front of generous bowls all filled most to bursting with those big, sunny-brown Corn Flakes! Never was a better time than tomorrow morning to prove that KELLOGG'S Corn Flakes are about the "gladdest of all good things to eat."

Insist upon KELLOGG'S—the kind in the RED and GREEN package—if you want to know how wonderfully good corn flakes can be!

THOUGHT CAR STOLEN

This morning Sheriff C. D. Quinton was informed that a car belonging to John Childster of Union had been purloined during the night from the garage of the owner and who had apparently made a successful getaway. The sheriff was ready to start out to try and secure some trace of the missing vehicle when another message was received announcing that the car had been found along the roadside one mile east of Union where it had evidently been abandoned by the party taking it and the owner is now rejoicing in the recovery of his gas wagon.
