## Did Not See the Show

A near April fool joke which might have proven fatal happened to two young Nehawka lads last Friday evening. One of the boys borrowed his papa's car to run into Nehawka, about a mile distant to attend the play, "My Uncle from Japan," given by the Murray Community club, but near the big bridge just south of the town, the thought of two fair maidens in or near Union that might want to see them, or the play, and hitler they bound. The nearer they approached Union, the more excited they became and the more gas they used and the faster they went. However, they arrived safely, and after the necessary greetings and datings made, they proceeded to return to Nehawka to attend the play, but alas the car refused to handle the load and upon examination they found the rear hub broken, and the car had to be towed into Union. The joke was that they did not get to see the play, nor take the fair maidens aspin, but were compelled to walk around and watch the mechanics work until the wee small hours of April fool morning. Luckily the accident happened when it did and not when the fast run was being made in Union.
