

**"Another puncture!
Dad will catch us sure, he's got
LEE Puncture-proof tires on"**

If "foresight" was as keen as "hindsight", there would be no embarrassing, distressing and costly delays on account of punctures.

Lee Puncture-proof pneumatics are all the name implies. In every essential of material and manufacture they are equal to any tire you can buy. Thru this one feature—elimination of punctures—they surpass all others.

If other well-made tires were puncture-proof they might be just as good. But because this is an exclusive feature, Lee Puncture-proof tires are by far the best for any service where the saving of time, labor and money is desirable.

On cars used for business or commercial purposes this is especially true.

And it needs only one or two unfortunate experiences with punctures to convince the average car owner that it is wisdom to be on the safe side with Lee Puncture-proof tires. We will be glad to demonstrate.

Three layers of case-hardened steel discs imbedded in pure rubber are built into every Lee Puncture-proof tire.

**WEDDING BELLS
RING MERRILY ON
WEDNESDAY EVE**

The Home of Mr. and Mrs. Charles Bornemeier Scene of Happy and Pretty Wedding.

On Wednesday evening occurred a quiet and beautiful home wedding at the home of Mr. and Mrs. Chas. Bornemeier when their daughter, Miss Josephine Kunz in marriage to Mr. Joseph Kunz in the presence of a few immediate relatives, Rev. Sohli officiating.

These two young people are among Elmwood's very best and were both born and raised in this county and their friends are legion.

The bride is the eldest daughter of Mr. and Mrs. Chas. Bornemeier. She is a graduate of the Elmwood high school and filled the responsible position of clerk at the Pentecostal store until the firm went out of business owing to the fact that the store building was recently destroyed by fire. She has a beautiful character and many attributes that endear of her many friends.

The groom is the son of Mr. and Mrs. Wm. Kunz of this city and is an industrious young farmer.

The happy couple will make their home on the Kunz home farm just southwest of town.

The best wishes of all go with them for a happy voyage over life's matrimonial sea, with no turbulent tides but smooth and easy sailing.

A Farmer Cured of Rheumatism

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Liniment and told him to use it freely," says C. P. Rader, Patten Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'Give me another bottle of Chamberlain's Liniment; I want it in the house all the time for it cured me.'" Weyrich & Hadraba.

Tanlac is the result of years of study, experimentation and research by some of the world's greatest chemists. Hence its merit. F. G. Fricke & Co.

NATURE'S WARNING

Plattsmouth People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy. If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills.

Doan's have done great work in Plattsmouth. Ask your neighbor! Theo. Starkjohan, retired farmer, Locust and Ninth streets, Plattsmouth, says: "Doan's Kidney Pills have been used in our family for kidney troubles and backache and they have proven to be all that is claimed of them. Whenever my back feels a little lame and my kidneys are not acting as they should I take Doan's Kidney Pills for a few days and they never fail to do me good. Doan's can't be equalled and anyone having kidney trouble should take them for they are very reliable." (Statement given February 23, 1916.)

OVER FOUR YEARS LATER, or on May 12, 1920, Mr. Starkjohan added: "The cure I had from Doan's Kidney Pills has been a lasting one. I still have faith in Doan's and if ever I should need a kidney remedy again, I would use them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Starkjohan had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Preventative Medicine
The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle. Weyrich & Hadraba.

"It Does Pay!"

A man said to us the other day: "There's no use talking, it does pay to buy good clothes. I've experimented with both kinds now, and I've tried to kid myself that the \$25 suit I bought in Omaha looked just as good as the \$50 one I bought of you, but sure as the sun shines there's a big difference. My \$50 suit always looks good. It holds its shape and doesn't pucker or wrinkle or twist around, but sets right up where it belongs and stays there. The other one just looks baggy and wrinkled and rusty no matter how many times I have it pressed. Of course it costs more money to buy the good suit, but it pays. I can get more satisfaction out of my money with the \$50 suit."

Now that's the experience of every man who once tries a good suit and then tries to save (?) by buying a cheaper suit. "It can't be done!" It's always poor economy to buy cheap clothing. It always looks better than it is. Buy our Quality Clothes and be completely satisfied. Prices \$35, \$40, \$45 and \$50.
