The girls departed for home feeling that they had had a fine time.

COMMUNITY CLUB BOOSTERS BUSY. Turn Out Enmasse at Nehawka to Adopt Constitution and Elect Officers for the Year.

The second mass meeting held by the boosters for the Nehawka Community club occurred on Friday evening for the purpose of adopting a constitution and electing officers for the ensuing year and the meeting was a great success viewed from every angle. More than 170 persons signed the constitution of the new organization.

The officers selected were R. C. Pollard, president; F. C. Schumaker, E. C. Giles, Arthur Wolph and Mrs. Jean Nutzman, vice presidents; Mrs. R. B. Stone, secretary and E. W. Burby, treasurer. These officials will also constitute the executive committee.

The regular meetings of the club will be held on the second Tuesday of each month. The old violinists of the community, namely William Balfour, H. H. Stoll and William Steel, entertained the crowd with solos, duets and trios that proved very enjoyable. Mr. Burby put on a stunt by two of the kindergarten pupils which made a big hit with the crowd.

The work of the community club promises to be one of the biggest things that has been undertaken in Nehawka and will bring together the residents of the community in the spirit that will be of the greatest benefit to all of the membership and the community in general.

Willard ALL RUBBER Battery

That should tell the entire story—a battery made by the Willard company, and one all rubber that will last for years and give out powerful current for the entire time, should be all that is needed to be said. Remember, there are no parts to be eaten by the acid, no chance for shorting in the battery, for all the casings, both the cells and the entire battery are pure hardened rubber.

Price of Ford size, which many other cars, is only \$33.15.

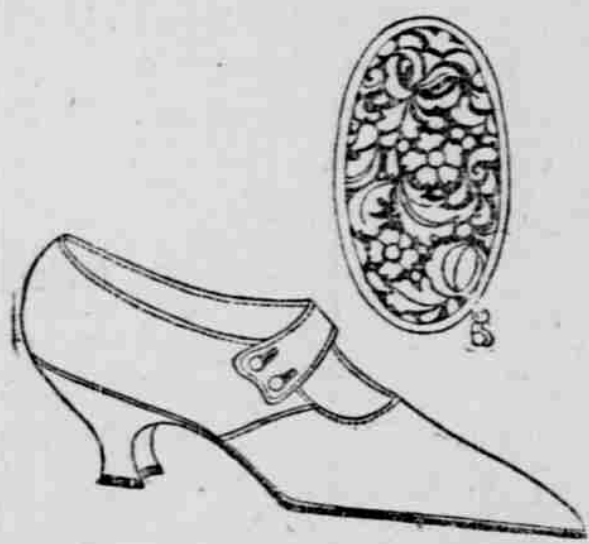

The Anco "Dry Storage Battery" is a wonderful battery as well, and especially for the winter use, as it cannot freeze, and is equally effective in the warmer seasons. Ask about this WONDERFUL BATTERY.

Our repair department is just now much busier than formerly and what work will be needing done, please get it so we can have it done and remember we do the best work, in time that you may have the car when you need it.
