If any of the readers of the Journal know of any social event or item of interest in this vicinity, and will mail same to this office, it will appear under this heading. We want all new items—Editor

Gets Cash Payment \$2,287.60

A check for \$2,287.60 was handed George W. Snyder last Tuesday, April 25th, by W. G. Boedeker, agent for the—

BANKERS LIFE INSURANCE COMPANY of Lincoln, Nebraska

The policy matured on April 24th, 1922, and he received this as extra payment on the following day. He also has paid up a policy of \$5,000.00 on which he does not have to pay, but on which he will receive a cash dividend besides each year. The policy had the payments which he made extended over twenty years and were easy to carry.

This cash has come at a time in life when he can have the use of the money to excellent advantage and also has his policy for the full amount also paid up. This is only one of the many excellent settlements which this company offers on their policies.

The policy matured April 24th. Mr. Snyder was handed his check in settlement by Mr. Boedeker the following day.

See W. G. Boedeker regarding the many liberal policies which the Bankers Life Insurance Company of Lincoln writes.

Murray State Bank,

The Bank of Service

MURRAY -- -- -- NEBRASKA

H. M. Soennichsen & Co.,

Telephone No. 12. Murray, Nebraska.

was a visitor in Murray last Tuesday looking after some business matters for a short time.

Messrs. D. A. Young, W. R. Young and Guy White have been busy during the first portion of the week building a fence at the home of Col. W. R. Young.

Charles M. Christwiser passed thru Murray last Tuesday morning with a load of sheep for the South Omaha market which he was trucking to Omaha.

Henry Heebner who conducts the elevator at Cedar Creek for the Duff Grain company, was a visitor for over Sunday at Murray and a guest at the Murray hotel.

Mrs. Edward Gansmer of north-west of Murray was a visitor in Omaha for the day last Saturday where she was a guest of friends and was also doing some shopping.

Mr. Edmund Peterson was a business visitor at Plattsmouth Monday morning and also visited at the home of his brother, Mr. Paul Peterson, Jr., for a short time last Tuesday afternoon.

Messrs. Eugene Roddy and A. W. Propp of Union were callers at Murray last Tuesday whereby they were looking after some business matters, they later going to Plattsmouth where they had some business as well.

Because of a notice staying in this paper too long and being read by some of the fun loving young people of Murray they were back to Plattsmouth last Friday evening and while they did not find a dance, they report they had a good ride, anyway.

Dr. C. L. Taylor and wife were looking after some matters of business and also visiting with friends in Omaha for a few days last Tuesday for a short time, Mr. Dietz having business here while the remainder of the party were visiting with friends. Mrs. Linge formerly being employed at the Murray hotel.

Dr. B. F. Brendel accompanied Mrs. P. F. Brenner of Union to Omaha where she was operated on at the hospital for the removal of an abscess. Reports from her bedside following the operation tell of her having stood the ordeal nicely and was feeling very well considering the seriousness of the operation.

It is reported that one of the business men of Murray who is said to be thinking pretty strong on weighty subjects, planted his garden to potatoes one day last week and then forgetting it planted the same plot the following day. This is very good and considered a joke on him, but not so bad as the fellow who forgot to plant his at all.

I. M. Davis and wife and their daughter, Miss Lena, and Dr. T. V. Davis of Lincoln were visiting at the home of Mr. and Mrs. E. W. Milbrera for a few days this week. Mr. Davis while pretty well satisfied with Lincoln, thinks there are many worse places than the vicinity of Murray. He may be compelled to build a home in Lincoln but as yet is not certain that he shall.

Build a Porch
Last Tuesday contractor J. A. Scotten and James Gruber built a porch at the Jack West place, the property belonging to Mr. Scott. These gentlemen are hustlers for they constructed the porch which extends across the entire south end of the building and party in the day. This will be an added comfort to the occupants of the building and patrons of the place.

Ships Two Cars to Market
Last Monday evening Dwyer Todd arrived in Murray for a short visit accompanied by Mrs. Todd and their little daughter. They have been visiting at the home of Mr. and Mrs. H. G. Todd since. They also shipped two cars of cattle from their ranch home near Alnsworth to the South Omaha market which were looked after on their arrival by Mr. H. G. Todd.

Are Separate Institutions
While the Murray Library Association and the Murray community club are both working for the building of Murray and vicinity they are separate institutions, though many of the members are common to both organizations. They both have been doing some very excellent things for Murray, the library association has purchased a lot and building and is endeavoring to pay for the same and keep the library going and are meeting with a considerable success though they have much yet to pay on their building. The Murray Community club which has a considerable talent in its membership of a dramatic character has given an excellent play but recently for obtaining funds for their use and have met with good success. The belief has been current that they were the same but the entertainments were given for the purpose of securing funds for the use of the Community club and not the library association. Both organizations are working for the benefit of Murray and community but separately and along slightly different lines, and both are making commendable success.

Are Now Better Prepared
Mr. L. W. Young, who has made his home near Murray for a long number of years and has farmed and raised stock with success during the years, has just now in company with his son under the firm of L. W.

Young & Son, constructed one of the most modern of hog houses which is built of hallow tile and has concrete floors and with nineteen compartments for sows and young pigs and also storage for grain. The place will be made more complete by the installing of water piped to every pen for the convenience of the feeder and comfort of the stock. The building was constructed by Mr. J. A. Scotten and his crew of workmen which is a guarantee of its excellent construction that is worth while. Go see this modern hog hotel. Later in the season Mr. Young expects to rebuild his home also, which will also add much to the value and appearance as well as comfort to the home.

Will Meet May 3rd
The Ladies Aid society of the Christian church will meet at the home of Mrs. Charles Creamer on May 3rd at which time Mrs. Creamer will be assisted by Mesdames Walter Sans and Charles Reed as hostesses. The ladies are expecting to do some very good work at this meeting and are inviting all the members to be present and assist in the work which shall come before the meeting.

Murray Gives Loyal Support
One entire section of the seats at the show which is being given this

week by the American Legion were absorbed by the Murray people, being 83 in number and besides many others were accommodated in other portions of the house. This is very nice of the Murray people and is also appreciated by those giving the entertainment.

Gave Mother a Surprise
Mrs. D. C. Rhoden whose birthday happened on last Sunday went to Sunday school as is her wont and on her return found that the children from the farm had come and taken possession of her home and prepared an excellent dinner in commemoration of her birthday. The family enjoyed the occasion and Mrs. Rhoden while surprised also enjoyed the dinner which she did not have to prepare. Those present were Mr. and Mrs. D. C. Rhoden, Mr. and Mrs. A. E. Rhoden and family and Mr. and Mrs. Kelly Rhoden and their children.

Building Increases Wealth!

Every useful permanent building is an added wealth to the property which it improves. We are prepared to furnish estimates on any building you may need, be it large or small. Work only the best in all cases. See us for what you may need.

J. A. SCOTTEN,

Contractor and Builder Murray, Nebraska

The Murray Jolly Makers

Dancing club will give a dance at Peterson's Hall, Friday night, April 28th. Music furnished by the "Black and White Melody Boys" of Plattsmouth. This will be the opening dance. Come and be a member and help us, so we can have a social dance every two weeks. Our intention is to organize and elect the officers at this meeting. Do not fail to come and bring your friends. The larger the membership the larger will be the attendance and the more enjoyable the times we will have.

A Sale of Thoroughbred Lumber!

We are offering for sale THOROUGH-BRED LUMBER any day and every day of the year. Everyone knows that THOROUGH-BRED LIVE STOCK is superior to common grade or scrub stock. The THOROUGH-BRED fattens more quickly, eats less and sells for more money than the scrub stock. But did you ever stop to

Think of the Difference

between THOROUGH-BRED LUMBER and scrub lumber? THOROUGH-BRED lumber is well manufactured from the best logs, cut from the largest, best matured, most majestic trees of the forest. On the other hand scrub lumber is manufactured in any kind of a one-horse mill from any kind of a log cut from any kind of a tree or sapling that grows. The THOROUGH-BRED LUMBER is well seasoned, lays straight and answers the purpose for which it is intended, while the scrub may be twisted and may not, it may lay straight and it may not, it may season and warp, it may rot years before the thoroughbred piece does. YOU CAN NEVER DEPEND ON IT.

Occasionally we find a man to whom a board is a board and nothing more. With him price is the only consideration and he always buys at the bottom dollar. Because he cannot see or think very far ahead he never realizes that the scrub piece of lumber bought for a few cents a piece less than the THOROUGH-BRED piece is really the most expensive piece he could buy. Such men are of course very few. If it was not for a few such men we would have a hard time getting rid of our cuts.

We buy only THOROUGH-BRED LUMBER and we cut out of that any pieces that do not measure up to our own idea of THOROUGH-BRED LUMBER. It costs us more money to buy this class of lumber than if we handled the scrub grades. But we continue to buy THOROUGH-BRED LUMBER because the big majority of our customers appreciate TRUE VALUES and know that THE BEST IS ALWAYS THE CHEAPEST. And whenever some WISE GUY begins to bark about how much cheaper he can buy lumber, they only smile in a knowing way as much as to say, "There is another one of those cheap-guys who keeps himself always poor buying cheap stuff."

The next time you buy lumber be sure that you get THOROUGH-BRED LUMBER. It gives satisfaction and lasts long after price is forgotten.

IF YOU BUY FROM
Banning & Nickles
Murray, Nebraska
You Will Sure Get Thoroughbred Lumber.
