PLEASANT BIRTHDAY SURPRISE

From Friday's Daily. Last evening a number of the friends and neighbors of Mrs. E. O. Vroman, gathered at their pleasant home in the south part of the city to assist her in the observance of her birthday anniversary. The affair was in the nature of a surprise and the friends brought with them a number of very attractive gifts that will long be cherished by the recipient. The evening was spent in the playing of games and musical numbers while at a suitable hour the members of the party proceeded to bring forth the ingredients of a most delicious luncheon that served to complete the most enjoyable evening. Those who were in attendance were: Messrs. and Madames George Lamphier, Jr., Brody Christiansen, E. O. Vroman, J. E. Schulhof, L. E. Vroman, Mrs. W. R. Ekenberger, Mrs. O. L. York, Misses Eleanor Schulhof and Charlotte Nielson and Mr. Cecil York.

Evils of Constipation

Perhaps the most serious of the diseases caused by constipation is appendicitis. If you would avoid this dangerous disease, keep your bowels regular. For this purpose Chamberlain's Tablets are excellent, easy to take and mild and gentle in effect. Weyrich & Hadraba.

Elegance That Lasts

Holeproof is the hosiery of lustrous beauty and fine texture that wears so well. It is not surprising, therefore, that it is selected by many people who can afford to pay far more for their hose, but who prefer the Holeproof combination of style and serviceability at such reasonable prices.

We offer this famous hosiery in pure silk, silk faced and lusterized lisle, for women, in the season's popular colorings.

LEGION SHOW IS A GREAT SUCCESS

Very Neat Show Will be Realized as Result of Two Packed Houses to Witness Production.

From Friday's Daily. One of the most successful home talent plays that has ever been given in the city in every respect was that of "In Hot Tamale Land," which has been the attraction at the Parmelee theatre for the past two nights. This play was made possible by the hearty co-operation of the splendid array of musical talent in the city and who gave their efforts to aid the American Legion, the sponsors of the show, and also by the energetic work of Mr. P. H. Field, who has had personal charge of the show and made it one of the most finished productions of its kind in the history of the city. Mr. Field has worked hard on the production and arranged the various details so that it was a most attractive musical offering when ready for the public and is deserving of all due credit. The members of the cast of the play and the young people of the choruses have been most faithful in their work for the performance and the result showed their splendid efforts.

The theatre was packed last evening to witness the closing performance and the company added a number of new stunts that added to the enjoyment of the occasion. The local Legion post will probably receive in the neighborhood of \$200 or \$250 clear as the result of their share of the proceeds. Tom Short and W. Roy Holly, the committee of the Legion, have not as yet completed their check up of the receipts and disbursements and the exact amount will not be known until all the bills are settled for.

AN ENTHUSIASTIC MEETING

The business men of town met at the First National bank on the evening of April 19 to talk over the roads that lead into Weeping Water and to make plans to keep them up during the year in first class shape. There is nothing that invites trade like good smooth roads, and every town, large or small, realizes the fact, for the town that has their roads looked after gets the business. A farmer will drive a few extra miles with grain or stock to ride over a well kept road.

The following officers were selected: President, H. A. Crozier; Sec., Treas., Thos. Murtze; Dragging Committee, J. M. Tegagen and A. W. Boone; Soliciting Committee, Merritt Russell and Frank Domingo. The plan is to have Mr. Krecklow, who takes care of the federal road north of town, to drag the north road into town. The man who works the Lincoln highway will look after the south road to the Cascade school house, two miles south, and Theo. Davis will work it on into town. Be a booster for good roads and you will be a public benefactor.—Weeping Water Republican.

WHY NOT ADOPT IT?

Secretary Frank D. Tomson of the Missouri River Farmers' association proposes that every publication along the Missouri river section adopt the following to be run as a headline: "The Valley of Maximum Production and Shortest Haul." He suggests further that every business man and every stockman and farmer have this suggestive line printed on his letter stationery. "Two phases of the Missouri river section should be impressed upon the public," writes Mr. Tomson. "The producing resources of the Missouri river lands and the close proximity to markets. It is a short haul from any point along the Missouri river to these markets and in these days of high freight rates we must not overlook the advantage of the short haul. In the case of livestock shipments there is the further advantage in the small shrinkage on short hauls as compared to long distance shipments. It is a considerable percentage of the producer's income which is absorbed in the Missouri river country are favored in this particular."

Mr. Tomson has correctly gauged the situation and this suggestion that this slogan be generally adopted has real merit for it is apparent that general use of such a slogan by publishers, business men and farm owners will go a long way toward inviting favorable attention to this section.

Lumbago

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches." Weyrich & Hadraba.
