PHILIP REICHAUT DIES IN MISSOURI

Charles F. Reichart of Louisville Called to the Beside of the Father at the Home.

Charles Reichart was called to St. Joseph last Friday by a message announcing the death of his father, Philip Reichart, whose death occurred from heart trouble on Wednesday, April 19. He left the same day and was accompanied by P. C. Standler, our local undertaker. They returned Sunday with the body and the funeral occurred the same afternoon at the Methodist church, the pastor, Rev. Cuthbert L. Elliott, officiating. Mr. Reichart was born in Germany in 1841 and came to America at the age of six years, living in Ohio until he reached the age of sixteen, when he came with his parents to Nebraska, they being among the early pioneers.

He was married in his early manhood to Miss Laura Seybert and they resided on a farm at Cullom until her death when he moved to St. Joseph, where he resided until his death at the advanced age of eighty-one.

He leaves behind to mourn his loss two sons, Charles of Louisville and Fred of St. Joseph; also one sister, Mrs. Margaret Osenkop of Louisville, and four brothers, they are George and Jacob of Louisville; Dr. Martin Reichart of Omaha and Godfrey, retired farmer, Ulysses. He leaves two grandchildren, Laura and Louis Reichart, son and daughter of Mrs. Frank Johnson.

A large number of relatives and friends of the family attended the services at the church and among the out-of-town people present were Mrs. John McNurlin and Mr. and Mrs. William Seybert, Plattsmouth; Mr. and Mrs. Cam Seybert and Mr. and Mrs. Fred Schultz of Havelock; Dr. Martin Reichart of Omaha, and Godfrey Reichart of Ulysses. Interment was at River View cemetery. The Courier joins with the many friends of the family in extending sympathy.—Louisville Courier.

EX-GOVERNOR COX LAUNCHES ATTACK AT REPUBLICANS

Says Administration "May Go Down in History as Lasting Failure of Last Fifty Years."

Harrisburg, April 28.—Speaking before a statewide gathering of democrats here tonight, former Governor James M. Cox of Ohio, democratic candidate for president in 1920, started a verbal onslaught on the Harding administration with the statement that "it may go down in history as the outstanding failure of the last 50 years."

The result of the arms conference at Washington, he said, is a "regional alliance." This, he continued, "has led to other alliances and grave crises have come in consequence."

"Not only have we ceased to be helpful, but in view of recent developments, it is apparent that we are a distinctly disturbing factor in international affairs. Our leaders in banking and commerce are doing the best they can as individuals. Recognizing the futility of appealing to our government, the statesmen of the world are endeavoring to arouse the co-operation of individual agencies."

The republican campaign pledge of "reorganization, economy and added efficiency in government," Mr. Cox declared, "has developed into the actuality of spoils in government."

MONEY HARD TO GET FOR RAIL EXPANSION

Plans Made Liabie to Lie Dormant Another Year Because of Uncertain Earning Outlook.

Reports coming down through official sources indicate that the Northwestern railroad is not planning on doing a great deal of improvement work this season on its lines west of the river. Reports from Chicago recently indicated that the Milwaukee road's electrification program has been interrupted for the time being and that the next step along that line will not come until the big power plant at Moberly, North Dakota, has been completed, and the work on that is just about the planning stage now. Reports from other railroads indicate that the present year is not going to be a big one for improvements and betterments.

The Burlington is about to begin work on a new two million dollar shop plant at Denver. That plant has been postponed for so long that the need for it now is pressing. Its west of the river shops are overloaded and its auxiliary property, the Colorado & Southern road, is mighty short of shop facilities. Because of that shop facilities must be provided or a great deal of the work must be farmed out.

The Burlington has not yet let a contract for the thirty mile oil branch out of Hardin, Montana, and some are wondering if such a contract will be let this year. The company is doing some improvement and betterment work, much of it of a class that is listed as urgent and not to be postponed. Service must be offered the public and a certain amount of work must be done on all roads.

All of the big systems have increased their track forces with the coming of warm weather and the usual amount of renewal work is being done.

VERY QUIET WEDDING

A very quiet wedding was solemnized at the Jenny home near Columbus, Platte county, Nebraska, when Rev. Mr. Koolen read the lines that made Miss Vera Busnell and Mr. J. B. Jenny man and wife.

The bride is the third daughter of Mr. and Mrs. M. E. Bushnell, residing in South Bend precinct, southeast of Ashland. She has been a teacher in Platte county schools since her graduation from Ashland high school in 1920. The groom is the youngest son of M. Jenny, a prosperous farmer of Platte county. After a short visit with the bride's parents they left on Friday, the 28, for Davenport, Iowa, where they will take up the study of Chiropractic.

JOFFRE PRAISES THE SPIRIT OF AMERICA

French Hero Says Heart of Nation, Once Won, is Never Lost—To Sail for Home Today.

New York, April 28.—Marshal Joffre passed his last full day in New York quietly, with only one or two short trips from his rooms. But as the day closed he issued a statement addressed to the people of the United States.

"I had indeed retained an ineffaceable remembrance of my stay in America in 1917, but the indications of sympathy and friendship which have again come to me, have proven this the heart of America, once won, is never lost.

"I carry away with me the conclusive proofs of the faithfulness of the American people and their friendships. But I cannot take for my own all the friendships that have been mine for the greater part of them, I consider, were meant for my country. But I like to see in these the evidence and the promise that the feeling of affection of your great country for mine is not in danger of extinction."

Tomorrow noon the marshal sails for home on the White Star liner Celtic. He will stop at Liverpool a few days, spend one day in London, and then cross the channel to France.

SUSPECTS IN \$2,500,000 MAIL THEFT ARRESTED

New York, April 24.—Postoffice authorities believe they are in a position to recover the greater part of the \$2,500,000 loot taken by three armed bandits in their daring raid on a mail truck on lower Broadway last October.

Working tirelessly since the postmaster general started a nationwide hunt for the robbers postoffice inspectors announced that their past month's work had been rewarded by capture of three men whom they arranged before United States Commissioner Hitchcock on the charge that they had formed part of securities which had formed part of the plunder.

The arrests were made yesterday in dramatic fashion in two of the largest downtown brokerage houses which had turned over their premises and staffs to assist the inspectors in laying a trap for the trio. More arrests in the immediate future were promised.

AUTO PARTY SUFFERS QUITE SEVERE INJURIES

Car Driven by Mrs. Charles Renner Forced into Ditch and Lady Has Arm Broken.

Quite a severe automobile accident occurred last evening on the highway south of this city near the Cole farm when the Ford car driven by Mrs. Charles Renner of this city was forced into the ditch along the roadway and as the result of which the car was badly damaged, Mrs. Renner receiving a fracture of the right forearm. Mrs. James Ault had her face and head cut by the broken glass of the windshield and the other members of the party all bruised and shaken up.

The Ford car was going south toward Murray and when near the Cole farm another car was seen coming from the south and as the two came close to each other the Ford car was forced into the ditch. The Renner car was struck and forced over into the ditch and was overturned. In the Renner car at the time were Mrs. Renner, whose arm was broken, Mrs. Ault, Mrs. Robert Richter, May Renner and Mrs. Silas Green, as well as several small children. As the car rolled over into the ditch in its condition the windshield was broken and the glass flew over the occupants of the car, but Mrs. Ault was the only one to receive really serious cuts from the flying glass. All were badly shaken up and shocked by the accident.

It is stated that the car is so badly damaged that it is useless and will require a great deal of repairs before it can be made serviceable.

Gave Surprise Birthday Party

While Jess Landholm was out in the country working rebuilding an old car, E. H. Miller the good wife arranged a birthday surprise for Jess and held the same last Thursday at the M. W. A. hall, where she had decorated the hall in the Swedish colors and in the evening when she asked him to go with her to the hall, he was indeed surprised when he found there a large number of people present come to have a good time and to celebrate his 28th birthday.

A large number of friends were present from Omaha and with the blessing of a program which Mrs. Landholm had prepared, there was a social dance indulged in by the merry crowd. Ice cream and cake was also served and all present enjoyed the occasion as well as extending to Mr. and Mrs. Landholm many years of happy, useful life.

STATE COURT UPHOLDS LABOR BOARD POWER

Chicago, April 28.—The decisions of the United States railroad labor board are as binding as law and can be enforced in the courts, according to a decision of the supreme court of Mississippi received by the labor board today.

The decision is opposed both to the popular conception that the board's ruling can be enforced only by public opinion, and to a recent decree of Federal Judge Page of Chicago, who ruled that unless all parties to the controversy before the board agreed to submission of the question to the tribunal, the board had no power to rule, except when commerce was likely to be hindered. Judge Page also ruled that the board acted only in a advisory capacity in making decisions.

HAPPILY SURPRISED ON HIS 45TH BIRTHDAY

John Gauer, of East of Town, Has a Surprise Sprung on Him—Accepts it Good Naturedly.

A large number of friends and neighbors gathered at the country home of Mr. and Mrs. John Gauer, east of Louisville on Thursday evening, April 20, in honor of the forty-fifth birthday anniversary of Mr. Gauer, much to the surprise of that gentleman. Anyone acquainted with Mr. Gauer knows that it would take more than that to upset his composure, and he was very much pleased to welcome his guests, especially as he noted the many baskets of fine things to eat which they brought along.

The evening passed merrily in games, conversation and music and the splendid midnight lunch was greatly enjoyed by all.

Mr. Gauer was born in Cass county on the old home place which he now owns. He was married October 6, 1898, to Miss Anna Meisinger, daughter of Mr. and Mrs. John Meisinger, pioneer citizens of Cass county and they have a fine family of five daughters and one son. The children are Mrs. Walter Hell, Frances, Freda, Mildred, Joyce and Floyd. During their married life they have prospered and are ranked among the progressive families of the community. Mr. Gauer has had more than his share of ill health in the past but he is looking fine at present and his many friends will join the Courier in wishing him many more happy birthdays with good health and many other blessings. He also received a number of fine presents as a token of the esteem in which he is held by his friends.

Those present upon this pleasurable occasion were Messrs. and Messdames Anton Meisinger, John Meisinger, David Jardine, John Busche, Frank Subisich, George Streiner, William Keil, Clarence Busche, George Meyer and Walter Hell, Mrs. William Nessen and Otto Sprick. The young people who helped to enliven the event were Misses Myrtle and Lena Jardine, Helen Meisinger, Augusta Subisich, the four daughters, Frances, Freda, Mildred and Joyce, and Messrs. THE PASSING OF A FINE TYPE OF CITIZEN

James W. Seivers, a Native Son of the Old Dominion, Was Typical Southern Gentleman.

James W. Seivers was born November 13, 1848, in Highland county, Virginia, and married there to Miss Martha Snyder, February 24, 1869. To this union were born children, Hugh of El Reno, Oklahoma, Claude of Buffalo, Nebraska, Mrs. F. A. Rennie, Madrid, Nebraska; J. C. Seivers, Frank Seivers, Mrs. E. J. Tye all of Madrid, Jennings of Brock, and Don of Plattsmouth. An infant son, Walter Seivers, and another daughter, Mrs. George Wray, preceded the father to the realm of death. Mr. and Mrs. Seivers came from Virginia to Nebraska in 1881 and have made their home in Cass county for the greater part of the time since. He died in Plattsmouth where Mr. Seivers was an employe of the Burlington for a number of years. Several years ago the family removed to Madrid where they have since resided.

Death was the result of an infection which settled on one of his legs and which grew so severe that the amputation of the limb between the knee and the thigh was necessary and from the effects of which the patient failed to rally and died at the hospital at North Platte, April 27, 1922, aged seventy-three years, five months and four days. He leaves to mourn his death the widow, six sons and two daughters, also one brother, Samuel Seivers of Salina, Kansas; three sisters, Mrs. Louise Rescroad, Oklahoma, Mrs. George Mauzy, New Hamden, Virginia; Mrs. Free Brown, Bernardino, California, also eighteen grand children and six great grand children.

Mr. Seivers was a member of the Methodist church from his young manhood. Mr. and Mrs. Seivers celebrated their golden wedding anniversary three years ago, when they had a great family reunion which was held at the home of their son, Claude Seivers at Louisville.

The funeral services will be held Sunday afternoon at 2:30 at the Methodist church and the burial here at the Oak Hill.

The deceased was a man of fine character and held in the highest regard in this community. In his death we have lost a fine citizen and a splendid type of an industrious and honorable American.

PLATTSMOUTH SCHOOLS MAKE FINE SHOWING

Secure High Standing at Contest in Omaha and in Penmanship Carry Off All Honors.

The contests in the second district schools of the state held at the auditorium in Omaha yesterday, made a great showing for the excellent work of the Plattsmouth schools and the young people from this city who were present to represent the local schools, scored a great triumph in their work in all departments.

In the line of penmanship the Plattsmouth delegation carried off all the places in this class and the work of Miss Edna Klinger was taken by the representative of the International contest bureau to New York where it will be reproduced in the forthcoming issue of the magazine there. In the high school class Helen Wescott won first place, Minnie Klinger, second; Rose Donat, third; Ruth Luschinsky, fourth. In the grades Edna Klinger was given first place, Dora Soennichsen, second, and Bertha Schulhoff, third. In the spelling contests Elvira Born of Plattsmouth was given the third prize for her excellent work in this very difficult contest. In the advanced typewriting contests the South Side high school secured the first and third prizes.

The schools entered were Central, South Side and Sacred Heart schools of Omaha, Plattsmouth, Syracuse and the Midland college of Fremont. That Plattsmouth ranked so high is certainly very pleasing to the school patrons as indicating the splendid work that is being turned out here and speaks well for Miss Marie Kaufman who has developed the penmanship courses in the schools of the city.
