At the urgent request of the business men and the American Legion post at Lawrence, Kas., the local American Legion post, that is to have the Dominion Carnival show here for a week's stay, changed their dates from the week of May 8th to that of May 15th and will allow the shows to remain in the Kansas city streets of the city at the request of the business men.

The committee of the local Legion post called up the Lawrence post and received their warmest praise of the shows all the way through as being just as they were represented and without any feature that would offend any one, and, in fact, one of the cleanest attractions that has appeared in the city of Lawrence in many years.
