### CHANGE MADE IN BUSINESS HOUSE

John V. Hatt Takes Over Interest of Father, John Hatt, Sr., in Meat Market Business.

The details of the change in ownership in one of the old established business houses of the city has been completed and the third generation of the Hatt family to conduct the meat market in this city, has taken over the interests of the market.

John V. Hatt has just taken charge of the meat market and grocery store, succeeding his father, John Hatt, who has since 1889 been actively engaged in the operation of the business.

This firm was first established in 1869 by A. G. Hatt and conducted by him until 1889 when his son purchased the business and it was conducted by Hatt & Mathis for a number of years and later Hatt & Otto, when Frank Otto was made a member of the firm. Later Mr. Otto retired and Mr. Hatt continued the business alone. John V. Hatt, when a small boy was trained to the conduct of the affairs of the store and at the age of 14 was taken into the firm as a member by his father and has so continued up to the present time.

The store is one of the progressive institutions of the city and the new owner will see that the same policy that has made it so successful is carried on in the future.

### ATTACK ON MOVIES MADE AT ASSEMBLY OF PRESBYTERIANS

Speaker Waving Letter From "Bill" Hart Charges Film Interests Reticule Ministry.

Des Moines, May 23.—Waving a letter from William (Bill) Hart, two-gun motion picture star, in the faces of 800 Presbyterian commissioners of the 13th general assembly here this afternoon, Rev. Dr. Gustav Briegleb of Pasadena, charged that film interests are ridiculing Protestant pastors in their pictures in retaliation for the censorship campaign being conducted against them by Protestant denominations.

Hart's letter was in reply to one from the California pastor protesting against a picture in which a pastor is portrayed as robbing a stage coach in order to complete the construction of a small church. The "grim hero of the studios," who is

himself the author of the scenario in question, replied to the criticism that he admires "a man brave enough to go ahead with his good work although it involves robbing a stage coach."

Saved From Nose Later in the picture the pastor is caught by a posse and Hart saves him from hanging only by cutting the ropes with a well-directed shot from his trusty pistol.

"Show me a film which ridicules or insults a Catholic priest or a Jewish rabbi in this manner," shouted Dr. Briegleb, "their insults are aimed at us." Twice Briegleb's speaking time was extended by vote of general assembly. The attack on motion pictures made by the committee on temperance and moral welfare in its report earlier in the day, gave only a hint of the storm which burst when Dr. Briegleb took the platform.

Boycott of theatres showing objectionable films and national censorship at the point of production, based upon a federal law, were urged by the resolution adopted.

Father W. S. Leete was among those going to Omaha this afternoon to spend a few hours there visiting with friends.
