To the People of Murdock and Vicinity:

When you buy Petroleum Products from us you are patronizing a strictly HOME CONCERN, not an eastern corporation. We pay our taxes and spend our money in Cass county. Our Penn Franklin Motor and Tractor Oils are a pure Pennsylvania product—every drop made from Pennsylvania crude and shipped direct from Pennsylvania. We buy in car load lots, thereby getting the rock bottom price. Remember Pennsylvania oils will not carbon your motor, will stand up under terrific heat and will wear longer. The Junior-Senior Banquet
The graduates of the Murdock schools and those of Murdock who have graduated at the Elmwood high school, will endeavor to organize an alumni for the Murdock high school and which is expected to take form in the near future.

Will Endeavor to Organize Alumni
Last Wednesday at the home of Mr. and Mrs. Matt Thimman, the Junior class of the Murdock high school or that class which is to graduate in 1923 entertained the Senior class or the one graduating this year at a regular banquet at which a most pleasant time was had. Some of the members of the high school to per-

petrate a joke on the banqueters, slipped the ice cream away just before the banquet was to begin. After some anxiety on the part of those giving the banquet the coveted dainty was returned and all went well as a marriage bell. The home had been decorated in the two class colors, the colors of the Juniors being scarlet and cream while that of the Senior class was pink.
An excellent banquet was prepared by the members of the Junior class, which consisted of five members, they being Misses Meta Reichman, Grace Gakemeier, Clara Schell, Mary Rush and Master Harold Luetkens. The members of the Senior class being Misses Selma Schlieffert, Dell and Alma Oehlerking and Master Richard Tool. Four members of the Freshmen and Sophomore classes served during the banquet, they being Misses Irene McDonald, Hildegaard Baumgartner, Henrietta Bauer and Ruth Norton.

Way.

The closing of the banquet was made more pleasant by the wish of the Junior which was: "To the Seniors—May each step of your future life be upward, a pleasure to yourself and a blessing to your fellow man.—The Juniors."
The evening following the toasts and banquet was filled with social conversation, music and songs.

WHY WOMEN SUFFER
Many Plattsmouth Women are Learning the Cause.
Women often suffer, not knowing the cause.
Backache, headache, dizziness, nervousness,
Irregular urinary passages, weakness, languor—
Each a torture of itself.
Together hint at weakened kidneys.
Strike at the root — get to the cause.
No other remedy more highly endorsed than Doan's Kidney Pills.
Recommended by thousands—
Endorsed at home.
Here's convincing testimony from a Plattsmouth citizen.
Mrs. Joseph Altman, 327 Chicago avenue, Plattsmouth, says: "I had an attack of the 'flu' and it left my back in a weak and tired condition and my kidneys were weak. Sometimes I could hardly bend at my housework on account of the sharp stitches in the small of my back and through my kidneys. I felt weak all over. I had heard so much about Doan's Kidney Pills helping other people who had been troubled as I was, I tried them with the best of results. The one box I bought at Fricke's drug store was all I had to use and I have not had a sign of any kidney trouble since."
Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Altman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

NOT IMPRESSED BY HIS STORY
Poughkeepsie, N. Y., May 25.—County authorities tonight expressed doubt that Frank A. (Mac) Doran of Chicago, arrested today near Fishkill village, had any connection with the murder of William Desmond Taylor, motion picture director. Doran asserted that he could not remember having told Herbert Harnhart of Waterbury, Conn., a chauffeur, who caused his arrest, that he had been implicated in the killing. The arrest followed an all night taxicab ride from Waterbury, during which at the point of a revolver, Doran forced Harnhart to drive him to Dutchess county. He was captured after he had taken to the woods when Harnhart fell exhausted at the wheel of his cab.

Lumbago
This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Linctum applied and a quick recovery may be expected. Mrs. P. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Linctum cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Linctum in the house and this was applied to my back. It promptly drove away the pains and aches." Weyrich & Hadraba.

BRYAN AT LINCOLN, SEES VERDICT IN PRIMARIES
Lincoln, May 26.—W. J. Bryan arrived here today to remain until tomorrow night on his way east from Los Angeles. He and Mrs. Bryan made the 1,500-mile trip from San Antonio, Tex., to the southern California city by automobile. Mr. Bryan said Mrs. Bryan enjoyed the trip and was benefited by it.
Asked if in his opinion there was any significance in the victories of former Senator Beveridge in Indiana and Gifford Pinchot in Pennsylvania Mr. Bryan replied:
"Yes, these successes are very significant. They show a decided reaction against the leadership of the republican party, and that, of course, brightens the prospects for the democrats. The greater the split between the reactionaries and progressives in the republican party, the better the democratic chances this fall and two years hence."
