LISTS ARE UP FOR THE PRIMARY ELECT'N

SATURDAY SEES LAST ENTRIES IN RACE FOR POLITICAL OFFICES BY PARTIES.

From Monday's Daily. Saturday was the last day for filing for the primary election on July 18th and the county clerk George R. Sayles was buzzing with all kinds of booms as the hour for closing drew near and the lists were being filled out for the various offices. All of the parties have complete tickets except the democrats in the second commissioner district and the result of the ballots written in by the voters in that district will determine who is to make the race.

Among the last filings made was that of W. H. Puls of Murray for representative on the democratic ticket, County Attorney A. G. Cole for nomination on the republican ticket and Eugene Lister as county clerk on the progressive ticket.

Mr. Puls is well known to the voters as he has served one term most acceptably in the legislature and being one of the common people has the keenest interest in seeing that the laws made are for the benefit of the many and not the few. Billy is a real man in every sense of the term and his friends are well pleased that he has decided to make the race for representative.

County Attorney A. G. Cole has held this position for the past eight years and enters the field with a large array of entries of the younger lawyers of the county. Mr. Cole had deferred action owing to a reluctance to get into the fight again but the constant effort of his friends over the county was so strong that he decided to allow the use of his name in the contest. Mr. Cole has made a great record in the office in saving the county thousands of dollars by his handling of cases and it was this that led the large number of taxpayers in his re-nomination.

The filing of the petition for Eugene Lister for county clerk at the last moment gives the progressives two candidates for that office as Frank J. Libershal had also been filed for this position earlier in the week and who is his re-nomination for the democratic nomination. Mr. Lister, who is a new figure in politics, is the present commander of the local post of the American Legion and an employee of the Burlington blacksmith shop and well known in this city where he has resided for a number of years but has not an extensive acquaintance in the country districts.

MARRIED AT NEBRASKA CITY

From Tuesday's Daily. Yesterday morning at 10 o'clock at Nebraska City occurred the marriage of Mrs. Ruby Shipley of Plattsmouth and Mr. Frank Boetel of this city. The wedding was a very quiet one and the happy wedded couple returned home to this city immediately after the ceremony. Both the bride and groom are well known in this city where Mr. Boetel has made his home for his lifetime and they will have the best wishes of the friends for their future happiness.

Mrs. E. G. Osborne, Mr. and Mrs. Paul Steingenberg and two daughters of Lincoln, are here for the week visiting at the home of Mr. and Mrs. M. S. Briggs at their country home. Mrs. Osborne is an aunt of Mrs. Briggs and the Steingenberg family cousins of the Briggs'.

REAL METROPOLITAN SIGN

From Monday's Daily. The front of the Morgan Sweet Shop presents one of the finest electric signs that can be found in any of the smaller cities of the state and which was put into commission yesterday and last night was glowing with its 128 lights, a veritable flame in the street and which attracted the attention of the people on the street the entire length of Main street. The sign is one that is artistic in the extreme and shows the enterprise of Mr. Morgan in having it installed and adds very much to the up to date appearance of the main business street of the city.

COUNTY ATTORNEY COLE A CANDIDATE FOR NOMINATION

In Response to the Requests of His Friends Over the County, He Enters Race Saturday.

The entry of A. G. Cole, the present county attorney into the race for the republican nomination for the office that he has so acceptably filled for the past eight years, is a matter that has been seldom found in the history of the friends of the genial county official, over the length and breadth of Cass county.

During his term in office Mr. Cole has strived to give the people of the county the best possible service and has made a record of efficiency that has been seldom found in the office. He has exercised splendid judgment in the governing of the affairs of the office and thereby saved to the taxpayers of the county many thousands of dollars and at the same time maintained a strict law enforcement. In other counties the costs of jury trials in many cases has reached into the thousands for the taxpayers to foot, but by his able administration Mr. Cole has avoided many of these and saved the taxpayers the costs. In his defense of several of the damage cases against the county he also showed his ability in securing verdicts that saved the taxpayers costs that reached high figures.

The county attorney has been very loath to enter the campaign but the continued and apparently sincere demand of the residents of the county and who in securing verdicts that saved the taxpayers costs that reached high figures.

A. L. TIDD IN RACE FOR CONGRESSMAN

Placed in List of Progressive Candidates at the Last Day to Represent First District.

Plattsmouth has the honor of having one of its leading citizens in the race for the nomination for congressman from the first district in the person of Attorney A. L. Tidd. Mr. Tidd was placed in the list of candidates Saturday at Lincoln, for the term commencing March 4, 1923 on the progressive ticket.

Mr. Tidd has been one of the pioneers in the progressive movement in this part of the state and is well known over the district both as an attorney and as a supporter of the independent movement in politics. He has been a resident of Plattsmouth for the past twenty-two years and is a gentleman well qualified for the position that Congressman Reavis has filled so acceptably from this district. Mr. Tidd is the second filing for this position as former governor, John H. Morehead of Falls City, is also a candidate on the progressive ticket as well as on the democratic list.

Hunnicutt of Indianola, and is well known in the southern portion of Cass county where she taught the last year in the Scotia school near Union and the friends here will be pleased to learn of her new happiness.

WORK BEING PUSHED ALONG

The task of putting in the new sewer system and the repaving of Main street is one that is going to require some time and a great deal of labor as the initial work on the two blocks on lower Main street indicates. The water company is today engaged in lowering the section of their mains that must be placed at a lower depth owing to the placing of the new sewer and the work has required a great deal of excavation and moving of dirt in the opening up of the trench. As soon as the mains are relaid the work will be pushed by the contractor to get the district that is now torn up placed as soon as possible.

LOCALS WIN THE THIRD GAME OF A FAST SERIES

Vinton Express Team of Omaha is Trimmed Up by a Score of 5 to 1 Here Yesterday.

From Monday's Daily. Yesterday afternoon the well known Vinton Express ball team, hailing from that portion of Omaha made famous for its ball park, journeyed down to mix it up on the local lot and as the result of the meeting with the Merchants of this city, the local ball tossers were the winners by the score of 5 to 1.

Right away in the opening stanza of the sporting event, the visitors started cutting up and McCulloch, the first man up was safe when he binged a nasty one to third that "Hons" failed to connect with, and Mason attempted to snag and the result was that the Omahan was safe at the keystone station and advanced when Baker registered a safe hit off one of Mason's slants and advanced to third while Scherw was striking out. Emkey, the husky backstop of the visitors, drove one in the direction of the second bag that Mason attempted to snag and the result was an error that allowed McCulloch to score. This was the only tally of the game as far as the Express boys were concerned and although they were threatening in the third and fifth innings they were unable to get far.

In the third inning, Garvey, who had been hit freely, as well as showing signs of a blow-up, was relieved, and Rocheford substituted, and he worked very effectively the rest of the game.

In the sixth, the visitors had a general shake up and the changes made strengthened the defensive work of the team to a great extent. Garvey during his three innings was nicked for eight hits, gave two walks and had only one strikeout. Rocheford fared better however, as he was nicked for only two hits, struck out three and gave one walk.

For the local team the opener saw two runs placed to the credit of the home guard. Herold lifted a foul to Wages at third while O'Donnell secured a scratch hit to second and traveled around to third and scored when Garvey hit loose of a wild one. Mason rapped a clean hit to center field and was followed by Shepherd with a safety that scored Newman. McCarthy hit into a double at third. Shepherd being thrown out at second and Joe at first.

In the second round the locals proceeded to put the game on velvet as far as scores were concerned. Grometer was retired on a strikeout. Burns drove a clean one to center and later scored on a wild heave of Garvey toward the home plate. Wink Spreacher was walked and advanced when Mason hit to second. Herold hit safe to right and scored Spreacher and Pete scored when two hits by O'Donnell and Newman to right opened the way for an easy tally.

Mason in his six innings on the mound allowed one safe hit, struck out five and passed three and Joe McCarthy, who relieved him in the seventh, struck out seven men in three innings and did not allow a hit or a walk.

The summary of the games was as follows:

COOK FAMILY HOLD ANNUAL RE-UNION SUNDAY

Gather This Year at Park at Weeping Water and a Large Number Participate in Event.

The annual reunion of the Cook family was held on Sunday at the city park in Weeping Water and was one filled with much pleasantness for the members of this pioneer family, whose history has been so closely identified with the progress of the county in the last fifty years.

It had been planned to hold the reunion at the home of the eldest member of the family, Mrs. Bina Kitzel at Alvo, but owing to her poor health it was changed to the park at Weeping Water where ample accommodations were found for the array of descendants of this family who came from all over Cass county and points at a distance.

As is usual at these family gatherings the time was spent mainly in visiting and having a real reunion of the family and which was the most pleasing part of the day to everyone. Other features included the musical numbers on the piano and short talks by the elder members of the family and the recounting of the stories of early days in Nebraska and Cass county.

It was decided to form an association to handle the reunions in the future and for this purpose Frank Cook of Alvo was elected as president and Miss May Dremmer of Lincoln as secretary. It was also decided to hold the reunion next year at the Weeping Water park.

Of the original family, three of the brothers, Philip Cook of Norfolk, John of Beaver City, and J. D. of Ord, Nebraska, and one sister, Mrs. Kitzel, were absent from the family gathering.

There were over 100 members of the family present and the occasion one that will long be very pleasantly remembered by all who were in attendance.

BROWN TO LEAVE RAWLINS TODAY

Doctor Wires McKelvie That Prisoner is Able to Travel—Party Will Avoid Omaha.

Rawlins, Wyo., June 19.—Fred Brown will leave here tomorrow (Tuesday) morning at 9 o'clock, bound for the Lincoln state penitentiary.

State Sheriff Gus Hyers and Warden W. T. Fenton will be with the bandit.

Brown will not pass thru Omaha. The nearest he will come to the Nebraska metropolis will be when he is transferred at Fremont to a North-western train Wednesday morning.

In Lincoln Brown will be taken to the penitentiary hospital and brought back to health before being tried on the many charges now pending against him.

Well Enough to Travel

Lincoln, June 19.—Governor McKelvie today received a telegram from Dr. L. N. Kell, prison physician at Rawlins that Brown was recovered sufficiently to travel.

The Siefken murder looms as the biggest charge against Brown, in case witnesses decide he is the man they saw fleeing from the scene of the shooting or lurking in the vicinity just before the crime was committed.

It was also said at the police station at Omaha last night that Brown is the man who held up an automobile party of Loyal Cohn's near an exclusive West Farnum residence shortly before the Siefken slaying took place.

Gus Hyers yesterday wired County Attorney Shotwell that the latter's wishes in the matter would be honored, but Shotwell decided that the better place for Brown to recover is the Lincoln penitentiary hospital.

BIG RUSH TO COMPLETE FILINGS LAST SATURDAY

C. H. Gustafson One of the Late Senatorial Entries; Has Five Days Left to Accept or Reject.

Saturday, the last day for filing for office with the secretary of state, was a big day for that official. All day long somebody dropped in with a petition. One of the latest entries was C. H. Gustafson as a republican nomination for United States senator. This was tipped off some time ago. A petition with several hundred names was filed in his interest. He has five days in which to accept or reject.

A petition signed by 329 members of the Grand Island convention, was filed by W. J. Taylor for nomination for governor on the progressive ticket. One was filed for J. N. Norton as a progressive candidate, with 341 names on it. A progressive filing for John H. Morehead for congress in the First contained 69 names, more than enough. Arthur G. Wray's petition for United States senator on the progressive ticket had 342 signatures. All of these are subject to check.

E. E. Placek of Wahoo, former state senator and now a contractor and manufacturer, filed for governor on the democratic ticket late in the afternoon. Most of the petitions filed in his interest, one for lieutenant governor and one for congressman in the Third, both on the progressive ticket. He has said he will accept the latter. Mrs. Emma Paul was filed as a progressive candidate for auditor. Most of the progressive petitions named, save that of Taylor, were presented by F. L. Bollen, chairman of the progressive state executive committee.

Democrats were busy in the afternoon also. Fred C. Ayres, former deputy state auditor, filed for railway commissioner. Dale P. Stough, democrat, for that office, also got a progressive filing. Harry Grover West and A. V. Johnson lined up for state treasurer on the democratic ticket.

John O. Schmidt, nonpartisan leader, former member of the house of representatives, filed for congress in the Fourth on the progressive ticket. Progressive nominations were also filed for Canada, democratic candidate in the Fifth, and P. E. O'Gara, democrat in the Third. This last petition lacked in the necessary number of signatures, but may be filed on later.

O'Gara was a member of the house last session. Two prohibitionists were filed, J. M. Johnson for lieutenant governor and E. L. Barton for congress in the First, both of Lincoln.

Edgar Howard of Columbus was one of the last to get under the wire before filings closed. Late in the evening Secretary of State Amersberg was notified by telephone that Howard would run for congressman from secretary's Third district on the democratic ticket. About the same time the secretary received a special delivery letter containing Howard's acceptance and treasurer's receipt for a filing fee placing the Columbus man's name on the progressive ticket for the same office.—Lincoln State Journal.

JUNE IS A WINNER

The matrimonial marathon for June seems to be booming judging from the record in the office of County Judge Beeson and already there have been fourteen couples securing the parchment that gives them the right to become as one and to dwell in peace and harmony or otherwise as they see fit. Last year there were only ten licenses issued by the county judge and already this record has been passed with four more than last year.
