Mr. B. O. Tucker in the years that have passed, kept almost at the same weight as that of his father for many years and now he and his son, Marion, are making a nip and tuck race, one weighing the father out-weighs the son by seven ounces and again the son is heavier by half a pound. This is pretty close and in the end it is an open guess who will be the winner.

Mrs. Mathilde Johnson of Genoa arrived some few days since at the home of her daughter, Mrs. Omar Schlichtemeier, and will visit for some time, after which she will go to Casper, Wyoming, where she has two sons and a daughter and will visit there until about the first of September, when she will have to be at home again, as school will begin at that time.

Our old time and very much respected friend, Mr. Henry M. Kropp, has been feeling very poorly for some time past, and remains not the best at this time. Mr. Kropp has made a most heroic struggle for supremacy over the malady which has beset him. At the present time Mr. Kropp is kept to his bed on account of his sickness and we are hoping that he may be able to be out again soon.

Chautauqua This Week

The people of Nehawka are enjoying their Chautauqua this week and have a fine array of entertainment. The very busy season which is caused by the conclusion of the corn cultivation and the beginning of the harvest is not productive of a high attendance, but the people of Nehawka will make it pay. Nebraska City had the same company during the past week and those who attended from Nehawka were well pleased with the entertainments which were given.

Winfield Scott Norris, R. C. Pollard, Charles Bates, Charles Hall, Del Switzer, Z. W. Shrader and A. F. Sturm, with others, were assisting in erecting the tent which is to hold the Chautauqua and got it in shape last Monday afternoon.

Miss Loretta Flamme, who has been attending school at Omaha, at the Omaha university, was a visitor at home for Monday and Tuesday, then returning to her studies, where she is taking a special course in preparation for teaching.

GEDAR CREEK LOSES ITS FIRST GAME OF SEASON

The Cedar Creek ball team which held the Cass county record for the number of straight victories, having won every game played this season, lost its first one last Sunday afternoon when the Omaha Ramblers took the up-river boys into camp to the tune of 8 to 0. The Ramblers recently played here, losing to the Plattsmouth Merchants' team.

The Cedar Creek players are said to have lost the game on a lack of nerve. The word Omaha sounded big to them, but after the game they saw the players of the visiting aggregation were no better than the home boys. There were very few earned runs made, the balance being piled up through errors of the home team.

The boys on the Cedar Creek team are a very clever, hard-biting bunch of players and have played great ball during the past two months, as their long string of winnings well proves, and it may have been it was simply their time to blow up. At any rate they are to be congratulated on their success at playing the national game, and should be far from discouraged because of last Sunday's loss.

This coming Sunday they have a game scheduled with Manley at the latter place and should give a good account of themselves.

The Cedar Creek boys have only words of praise for the Omaha team, saying they are a nice bunch of fellows who came to play ball, and play ball they did.

ANNES NOT CANDIDATE FOR SHORT TERM VACANCY

No "Short Term" for Him—Is a Candidate to Succeed Frank Reavis—A Real "Roughrider"

Dunbar, Neb., June 27.—Wilbur W. Anness, republican candidate for congress from Otoe county in First district, is not running, like most of the other candidates, for the Reavis short term vacancy that will exist between November and March, because of the recent resignation of Congressman C. F. Reavis. Mr. Anness is running only as a candidate for the regular term. His name, therefore, will appear only once on the primary ballot on July 18th. He says he wants to succeed Frank Reavis for two years, at least, anyway, and not for just two or three months. So, he is a candidate only for the regular term—the same as if Mr. Reavis had never resigned. And all the voters will have to do will be to vote for him once.

Mr. Anness will also deliver the Fourth of July address at Table Rock and while down in Pawnee county, he says, he will harvest his crop of congressional hay in the counties of Pawnee, Richardson, Nemaha and Johnson and ship direct to Lincoln for July 18th. And Lincoln has promised to take care of it for him. And then he ships the rest from Cass and Otoe, he will buy what Walt Anderson has left, and take the train for Washington, D. C. to size up the chair that Frank Reavis has been sitting in. Mr. Anness spent ten years among the "cowboys" of western Nebraska and is some "roughrider" himself.

ONE ROBIN COST \$100; BLACKBIRD SAME PRICE

Lincoln, June 26.—Ira D. Wills, Alvo, Neb., has paid a fine of \$100 for killing one robin in violation of the Nebraska game laws, and William Metzger a \$100 fine for having in his possession a dead blackbird, according to a list of state fines last week, given out today by State Game Warden George W. Koster.

Six Oshkosh men who set a seine and caught twenty-four fish without a seining license, paid \$30 apiece in fines, the report says. They were Fred G. Smith, Jake Statler, Edward Smith, Karl Smith, Milton Smith and John Norton.

John Jerchow and Will F. Wortz paid \$15 apiece for helping them.

GIVES LAW ON THE DUAL PRIMARY RACE

A. L. Tidd Cites Statute Relative to Candidates on Two Tickets at the Primary Election.

Editor Journal:

As there appeared an article in last evening's Journal relative to candidates filing on more than one ticket, and a similar article having appeared in the state papers, and as there is some misinterpretation of the statute in the article so printed, I herewith quote Section 2158, Chapter 31, session laws of Nebraska for 1917 as follows:

"The name of any candidate may appear on one or more of the party tickets if the proper filings have been made. But where a candidate seeks nomination on two or more tickets, if he loses the nomination of the majority party, he shall not be permitted to accept the nomination of the minority party, unless the vote received by him from such minority party was in excess of the vote received by him from the majority party. No candidate defeated at the primary election shall be permitted to file by petition in the general election next following." A. L. TIDD.

PREPARE TO HOLD ANNUAL REUNION

Cass and Otoe County Pioneers Will Meet at Union, Friday and Saturday, August 18, 19.

The residents of Union and vicinity who have since 1889 been the annual hosts of the pioneers of Cass and Otoe counties at the Old Settlers' Reunion, met on last Saturday and formulated the plans for the gathering that has grown to be one of the events looked forward to by the residents of this part of the state.

The officers for the coming year selected are: W. B. Banning, president; J. T. Reynolds, vice president; C. L. Graves, secretary, and D. B. Porter, treasurer.

The dates for the reunion were fixed on as Friday and Saturday, August 18th and 19th, and will be held in the usual park southwest of the village of Union.

It is one of the pleasures of the year for the old residents of the community to journey down to the pleasant little city on the banks of the Weeping Water and there meet the gray-haired men and women whose lives have been closely interwoven with the making of Cass and Otoe counties, and the only regret is that with each passing year the ranks of the pioneers grows thinner as the splendid men and women who came
