METHODIST SUNDAY SCHOOL PICNIC A SUCCESS

Held at Todd's Pasture Yesterday—250 in Attendance and All Have a Glorious Time.

The annual picnic of the Methodist Sunday school was held yesterday at the Todd pasture north of the city, near the Platte river and where the young and old disported themselves to their heart's content in the open air and cooling breezes that came down the Platte valley to add to the day's pleasure.

The picnicers were conveyed from the church by cars, which were kindly donated for the occasion by the auto owners of the city and the members of the church and Sunday school feel deeply grateful for the assistance given in making the picnic the success that it was.

On arrival at the picnic grounds the program of the day was opened and the picnicers found the spot that J. B. Kuykendall, chairman of the grounds committee, had selected was ideal and also that the thoughtful chairman had provided plenty of good drinking water for the occasion.

YOUNG PEOPLE ARE JOINED IN WEDLOCK

Miss Hazel Forbes and Mr. Glen C. Niel Married Yesterday Afternoon at Home of Bride.

The home of Mr. and Mrs. Clarence Forbes in the south part of the city was the scene of a very charming home wedding yesterday when their daughter, Miss Hazel, was married to Mr. Glen C. Niel. The wedding was very simple and attended by only the immediate families of the contracting parties and a few of the neighbors.

The home was very attractive with the potted plants and flowers of the summer season and made a fitting setting for the simple yet impressive ceremony. The Rev. A. G. Hollowell, pastor of the Christian church, read the marriage lines, the ring service being used in the solemnization of the nuptial vows.

The bride looked very charming in a costume of blue crepe de chine and carrying a bouquet of pink roses, while the groom wore the conventional dark suit. The bridal couple were unattended.

After the wedding service the bridal party and guests were served with delicious refreshments and at 4:30 Mr. and Mrs. Niel departed for the east where they will spend their honeymoon for a short time and on their return here will make their home in this city.

Both of the contracting parties have a host of friends in the city who will join in wishing them a world of happiness in the years to come. Mrs. Niel was born and reared in this city and has a large circle of friends and the groom is one of the industrious young men of the community and an employe of the Burlington shops.

ROCK ISLAND DE-RAILMENT AT ALVO THIS MORNING

Train Leaves Track Near There at Early Hour This Morning—Engineer is Killed.

This morning at 1:15 shortly after the fast Rocky Mountain express No. 7, on the Rock Island had passed through the village of Alvo in the west part of Cass county, the locomotive of the train was derailed and William McLennan, engineer, killed outright and the fireman very badly scalded by the escaping steam and is now in serious condition.

The heavy rains had softened the track between Alvo and Prairie Home, just out of Lincoln, and it was between these two points that the accident occurred.

No. 7 is one of the fast through trains of the Rock Island and had left Omaha at 11:55 last night and its first stop was scheduled for Lincoln at 1:40 and it was nearing this point when the soft track allowed the rails to spread and the locomotive turned over, killing the engineer in the wreckage.

As far as could be learned here, none of the passengers were seriously injured beyond a severe shaking up received when the seven coaches were derailed.

William M. McLennan was an engineer on the Burlington prior to the strike of 1888 and at that time quit the service and entered the employe of the Rock Island, continuing there until his death. Mr. McLennan will be well remembered by the older residents of this city, having erected the residence property in the south portion of the city that is at present occupied by the O. L. York family.

D. A. Young of Murray was in the city today for a few hours looking after some matters of business.
